SECTION-A

INSTRUCTIONS TO BIDDERS

1. PLANT SYNOPSIS

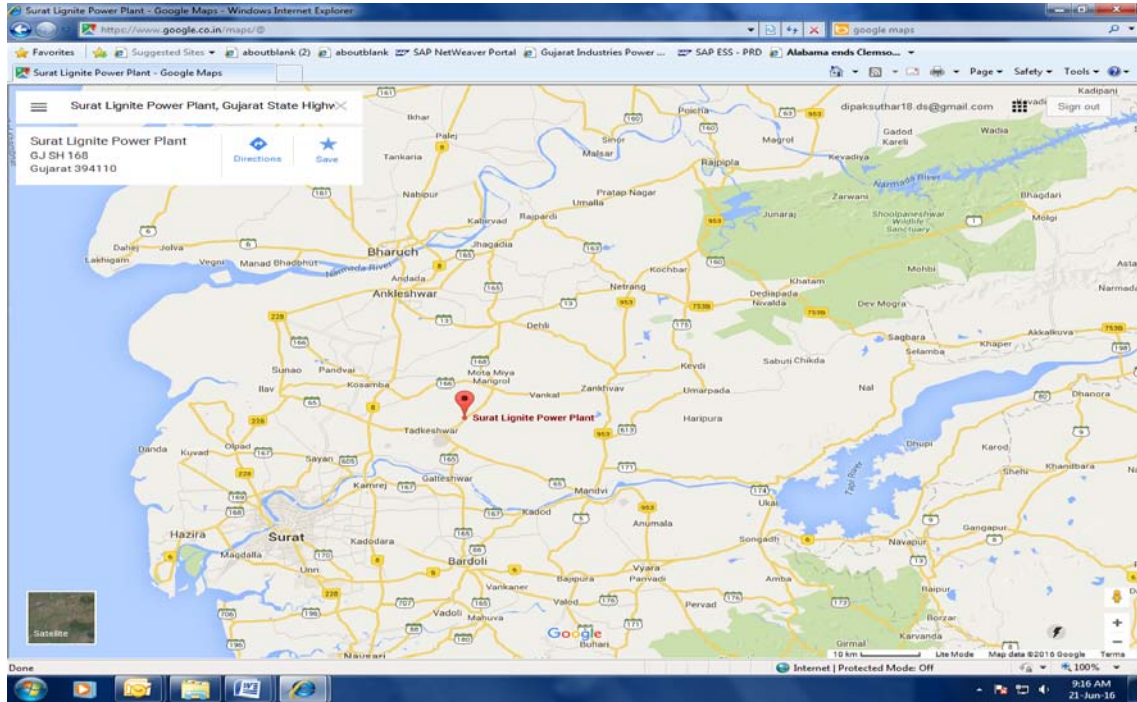

Gujarat Industries Power Company Limited (GIPCL) (henceforth be named Company/GIPCL), is a Premier Power Utility in the State of Gujarat with an installed capacity of 1184.40 MW comprising of various conventional and renewable projects.

GIPCL commissioned its first power project; a 145 MW gas based combined cycle power plant in year 1992 at Vadodara. It expanded its capacity 165 MW Naptha & gas based Combined Cycle Power Plant at Vadodara in year 1997. GIPCL has commissioned 1MWp Distributed Solar Power Projects at two locations in Gujarat viz. at Village: Amrol, Dist.: Anand and at Village: Vastan, Taluka Mangrol, Dist.: Surat.

Surat Lignite Power Plant (SLPP) with four units of 125 MW installed capacity each is located at Village: Nani Naroli, Taluka: Mangrol, District: Surat in Gujarat. GIPCL has also operating its own captive Lignite and Lime Stone Mines close to the Power Plant. The Power Plant is based on Circulating Fluidized Bed Combustion (CFBC) technology for the Boilers, where Lignite is burnt along with Lime Stone in the Combustor of the Boiler. It also commissioned 5 MW solar power station at SLPP in year 2012.

GIPCL has successfully commissioned a 2 x 40 MW Solar Project in year 2017 as well as a 75 MW Solar Power Project in year 2019 at Gujarat Solar Park, Village Charanka, Dist.: Patan and 100 MW Solar PV project in year 2021 at the Raghnesda Solar Park. GIPCL has also successfully commissioned 112.40 MW wind farms at different location of Gujarat.

Surat Lignite Power Plant (SLPP) is accessible by road from Kim and Kosamba, which are on Mumbai-Ahmadabad highway. From Kosamba, SLPP is around 32 KM, out of which 27 KM is part of the National & State Highway and balance 5 KM is District Road. From Kim, SLPP is around 18 KM, out of which 13 KM is the State Highway and balance 5 KM is District Road. The nearest Broad-Gauge Railway Line is at Kim, which is around 21 KM from the SLPP. Surat is approximately 50 KM from the SLPP. Location Map for SLPP is as under.

The Company intends to award contract for need based rewinding/repairing/overhauling, workshop testing, loading, both side transportation of LT; AC & DC motors for 4 X 125 MW Surat lignite power plant & therefore is inviting online tender's on GIPCL e-portal from experienced & resourceful Bidders.

2. SCOPE OF WORK :

- The scope of work covers need based Rewinding / Repairing / Overhauling, Work Shop Testing, Loading, both side transportation of LT & DC motors for 4 X 125 MW Surat Lignite Power Plant of GIPCL at village Nani Naroli, Taluka Mangrol, Dist Surat.
- The bid submitted by the bidder not covering the total scope of work and services as detailed out in the tender document shall be liable for rejection.
- Quantum of job mentioned against all items in the price bid are indicative only & may vary as per site requirement & not to be construed as maximum or guaranteed quantity. The quantities shown in the price bid are approximate quantities for the contract period and they may vary as per job requirements.
- All the miscellaneous activities pertaining to specific work to be executed for satisfactory performance is in the scope of Bidder in his quoted rates.

3. GENERAL INSTRUCTIONS

- 3.1 The Bidders who are interested in participating in the tender must read and comply with the instructions and the Terms & Conditions contained in the tender documents.
- 3.2 The Bids shall be filled in by the Bidders clearly, neatly and accurately. Any alteration, erasures or overwriting shall be liable to make the tender invalid unless the same is neatly carried out and attested over the full signature of Bidder. The decision of the Company to interpret the information and rates filled in by the Bidder shall be final and binding on the Bidder.

- 3.3 The Bidders are requested to make themselves fully conversant with the General Conditions of Contract, Special Conditions of Contract, Technical Specifications, Site conditions, Safety & Health Aspects and Norms to be observed etc. before submitting their bids so that no ambiguity arises in these respects subsequent to submission of the Bids.
- 3.4 Before quoting the rates, the Bidder should go through the specifications, scope of work etc. and get himself fully conversant with them. The Bid should include cost of mobilization and cost to adhere to all Safety Norms as described in the tender. No relaxation or request for revision of quoted/accepted rates shall be entertained subsequent to the opening of Bid on account of mobilization or Safety costs.
- 3.5 Bidder has to submit all the information as per required Bid document. Failure to furnish all the information as per required Bid documents or submission of a Bid containing deviations from the contractual terms and conditions, specifications and requirements, shall be rejected.
- 3.6 The Bids shall be submitted within the time frames set out in the Notice Inviting Tender ('NIT') and Bids submitted thereafter shall not be accepted and considered.
- 3.7 The tender documents shall not be transferrable.
- 3.8 The Bidders are expected to examine all the instructions, forms, terms & specifications in the Bid documents and to get fully acquainted themselves with all the conditions and matters which may affect the subject matter of the work/tender or the cost thereof. If any Bidder finds any discrepancies or omissions in the specifications and documents or any doubt in true meaning or interpretation of any part, he shall seek necessary clarifications in writing or during Pre-Bid meeting if required.
- 3.9 Conditional offers shall not be considered and liable to be rejected.
- 3.10 The Company reserves the right to extend the deadlines for submission of the Bids by giving amendments.
- 3.11 During evaluation of Bids the Company may, at its discretion ask the Bidder (s) for clarification of their Bid. The request for clarification and the response shall be in writing and no change in prices or substance of the Bid shall be sought, offered or permitted.
- 3.12 The Company reserves the right to amend / modify the Bidding documents at any time prior to the deadline for submission of Bids, either at its own discretion or in response to the clarification requested by a prospective Bidder. In such case, the Company may in its discretion extend the deadline for submission of Bids in order to facilitate the prospective Bidders for incorporating the effect of the amendment in their Bids.
- 3.13 The Bidders shall bear all costs and expenses associated with the preparation and submission of their respective Bids, to attend meetings or conferences, if any, including any pre award discussion with the successful Bidder, technical and other presentations etc. and the Company shall not be liable for any expense thereof.
- 3.14 If the successful Bidder is a joint venture, formed of two or more companies, the Bidder along with the partners shall accept joint and several responsibilities and liabilities for all obligations under the Contract.
- 3.15 Timely and satisfactory completion of the work and strict adherence to the allotted time frames for jobs shall be the essence of the contract.
- 3.16 The Company reserves the right to qualify/disqualify any applicant without assigning any reason.
- 3.17 The Bidder shall be disqualified if any untrue statement or misrepresentation is made in the Bid forms, attachments and other supporting documents submitted by the Bidder.

4. PLANT VISIT

It is prerequisite and necessary for all interested bidders to visit the site/plant after downloading the tender copy to understand the actual working conditions, compliance related to labour, safety etc. before submitting their offer. Failing which, any consequential liabilities arising will be to bidder's account. The bidders shall examine the site of works and its surroundings at his own responsibility. The bidders shall collect information that may be necessary for preparing the bid and entering into a contract. All costs and liabilities arising out of the site visit shall be at bidder's account.

The bidder is deemed to have examined and understood the tender document, obtained his own information in all matters whatsoever that might affect the carrying out the works expressly mentioned or works which may have to be carried out to fulfill his contractual obligation within the scheduled rates and to have satisfied himself to the sufficiency for his offer.

The submission of tender by a Bidder implies that he has visited the site and read these instructions, conditions of the contract etc. and has himself aware of the scope, nature of works & specifications of the works to be done, General & Special Terms and Condition. GIPCL will not, therefore after acceptance of Bidder's rate, pay any extra charges for any other reason in case the Bidder is found later on to have misjudged the site conditions.

Any error in description or quantity or omission in the contract document shall not vitiate the contract or release the Bidder from executing the work comprised in the contract according to scope of works, magnitude of the works, requirement of materials, equipment, tools& tackles, labour, etc. Bidder has to complete the work in accordance with the contract documents irrespective of any defects, omissions or errors that may be found in the contract documents.

BIDDER shall inspect the site, examine and obtain all information required and satisfy himself regarding matters such as access to site, communication, transport, working condition including constraint of work place, confined area, quantum of dusting, running equipment, importance of work, round the clock working conditions, safety requirements, temperature of fresh drained hot bed material and associated risks, right of way, high flood level in River, flow of water during monsoon/dry season in the River/Nallah, the type and number of equipment and facilities required for the satisfactory completion of work, the quantity of various items of the work, the availability of local labour, availability and rates of material, local working conditions, uncertainties of weather, obstructions and hindrances that may arise, etc which may affect the work or cost thereof, before submission of his Bid. Ignorance of site conditions shall not be accepted by the GIPCL as basis for any claim for compensation. The submission of a Bid by the BIDDER will be construed as evidence that such an examination was made. Any later claims / disputes in regard to rates quoted shall not be entertained or considered by the GIPCL.

The rates quoted by BIDDER shall be based on his own knowledge and judgment of the conditions and hazards involved and shall not be based on any representations of the Engineer.

5. ELIGIBILITY CRITERIA

The following criteria shall be adopted for qualifying the Bidders for further proceeding.

5.1 Bidder should be a Motor rewinder / repairer and should have successfully carried out similar jobs/ executed rate contracts for power plant applications/petrochemical industries/Fertilizer Industries/Process industries. Bidder should possess minimum Three years of experience out **of last five years (2023-24, 2022-23, 2021-22, 2020-21, 2019-20) in similar nature of works like rewinding /repairing /overhauling of LT Motors ratings**. Bidder shall submit necessary evidence for the same like attested copies of work orders along with work completion certificates from clients. The work completion certificate shall comprise of Order value & Executed value. Bidders should have executed the work directly. The work executed as a sub-Bidder or subletting agency shall not be taken in to consideration.

Note: For evaluation of the bid, the executed value mentioned in the work completion certificated will be considered.

5.2 Bidder should produce evidence of having experience of successfully completed similar works as defined hereunder during last five years ending last day of the month previous to the one in which tender is invited, satisfactory progress of ongoing works etc. secured from clients along with self attested copies of documentary evidence preferably photo copies of work experience.

The experience should be either of the following:

➤ One similar completed/executed work each costing not less than the amount equal to Rs. 8.0/- Lac including GST.

OR

➤ Two similar completed/executed works each costing not less than the amount equal to Rs. 5.0/- Lac including GST.

OR

➤ Three similar completed/executed works each costing not less than the amount equal to Rs. 4.0/- Lac including GST.

Bidder should specifically mention fulfilling of above criteria in his offer along with details of work orders & work completion/execution certificates issued by clients.

5.3 Bidder shall have to submit satisfactory work completion certificate from the clients. Experience as a sub-Bidder will not be allowed and Price Bid of such Bidders will be rejected.

5.4 EMD: The EMD shall be accompanied in the form of RTGS / DD or Bank Guarantee given by Bank as per format given in this e-tender.

5.5 Attested copies of relevant documents duly signed & seal on each & every page shall be submitted. The above documents will be analyzed and after satisfaction, the Price Bid will be opened. GIPCL may verify the documents, experience certificates issued by concern authority. After opening of technical Bid, if any required attested documents found missing in the Technical Bid submitted by the Bidder, the tender inviting authority may inform to that Bidder only once by E-mail to submit the missing required documents within stipulated time limit. If Bidder/Bidders fail to submit within stipulated time, their Bid will be declared technically disqualified and no further correspondence will be entertained.

5.6 Bidder should have annual turnover of Rs. 3.0/- **Lacs** for last three financial years i.e. 2023-24, 2022-23 and 2021-22. Bidder shall furnish annual audited financial statement duly certified by Chartered Accountant for the last three financial years to demonstrate the financial healthiness of the company. The balance Sheet must be in the name of the company. Any type of MOU for this purpose will not be entertained.

The Net worth at the end of the last financial year 2023-24 should be positive and should be duly certified by Chartered Accountant who should be a member of the Institute of Chartered Accountants of India.

Note: In case, the annual turnover is less than the statutory guideline which does not require audit, the bidder shall submit the turnover certificate from Chartered Accountant.

5.7 The bidder should have facility for rewinding with insulation class H & F of LT motors at his workshop up to 175 KW.

5.8 Bidder should have facility for testing of **415 V AC & 220 V DC** motors at full voltage at his workshop.

5.9 The Bidder has to submit INCOME TAX Permanent Account Number (PAN), TIN/VAT no. of the firm. Copies of the same shall be submitted.

5.10 Bidder has to submit GST registration number. Copy of the same shall be submitted.

5.11 In case Bidder is a joint venture company since last five years, the above requirements/credential of Joint Venture Company / Parent companies shall be considered.

5.12 Bidder should possess valid electrical Bidder's license and electrical supervisory permit of Bidder's supervisor (if applicable).

5.13 If Bidder or its Partner(s) or Director(s) is /are/was in any Litigation(s), Court Case(s) or Arbitration(s), either completed or under progress during last five (5) years or Black Listed / Deregistered / Stopped or banned from dealing in the past by any Govt, of Gujarat Undertakings / Depts. / Authorities and Govt. of Gujarat supported companies / undertakings / organizations, bid of that party will be liable to be rejected. Bidder agrees and undertakes to accept decision of GIPCL in this regard as final and binding on the Bidder without any demur and that no further correspondence shall be done in this regard at any stage.

5.14 Bidder shall have to submit the “Declaration-cum-Undertaking for Compliance of Safety Laws and Regulations” as amended in Annexure / Form attached.

- a. If any Fatal Accident / Violation of any safety law(s) / Rule(s) is / are found during the preceding Three (3) years, bid of that party will be liable to be rejected. Bidder agrees and undertakes to accept decision of GIPCL in this regard as final and binding on the Bidder without any demur and that no further correspondence shall be done in this regard at any stage.
- b. If any of the details submitted in the prescribed Annexure / Form to the Bid is/are found to be false, incorrect at any time in future, then the Contract awarded to that Bidder shall be liable to be terminated forthwith without any notice / correspondence and Bidder agrees and undertakes to accept decision of GIPCL in this regards as final and binding on the Bidder without any demur and that no further correspondence shall be done in this regard at any stage. Further, Performance / Security Deposit will also be liable to be forfeited. Any dues to GIPCL from the Bidder / Bidder shall be recovered from the pending bills or any other dues payable to the Bidder, if any or otherwise through any other recourse available under the Laws.

5.15 The bidder should possess all such licenses applicable / permits which are necessary for execution of the job as per latest rules & regulations.

The Bidder shall submit all the evidences, documents, attested copies of work orders & work completion certificates etc. as a proof with EMD provide the requisite details online for meeting the prequalification requirements. GIPCL will verify the experience, performance, capability & strength of Bidders, independently for executing the job. GIPCL may visit the site & consult the owner of the industry/property where similar job is executed by Bidder. GIPCL reserves the right to accept/split/cancel/reject any/all Bids without assigning any reason thereof. The tenders of qualified Bidder/Bidders shall only be considered for further evaluation.

6 LANGUAGE OF BID

The Bid prepared by the Bidder, and all correspondence and documents relating to the Bid exchanged by the Bidder and the Company, shall be written in the English language. Any printed literature furnished by the Bidder, written in another language shall be accompanied by an English translation for the purpose of interpretation of the Bid.

(b) Price Bid:

1. Price Bid shall be submitted only in soft form through GIPCL web portal.
Note: SOR (Schedule of Rates)- The estimate includes cost of all manpower, equipment's, vehicles, consumables, tools & tackles, transportation, Safety statutory compliance, mobilization etc...
2. GST shall be paid extra at actual as per prevailing rates as declared by Government on submission of documentary evidence.
3. **Bidders shall have to quote the rates in the form of percentage i.e.**
 - a. **at Unit SOR estimated value (0% above total estimated value) or**
 - b. **% above or**
 - c. **% below the unit estimated value indicated as SOR.**

The quoted percentage rate will be applicable to all the unit rates (SOR rate) in all the price schedules (1 to 29) of Section-E.

EXAMPLE-

- 1. If bidder quotes 2 % below SOR rates, then 2 % discount is applicable on all price schedules (applicable rates shall be 98 % of existing SOR rates)**
 - 2. If bidder quotes 2 % above SOR rates then, 2 % additional rates is applicable on all price schedules (applicable rates shall be 102 % of existing SOR rates)**
 - 3. If bidder quote 0 % above SOR rates then zero % discount is applicable on all price schedules**
- d. No quantities are shown in the price Bid as only unit rates are called for the contract period. The actual execution shall be based on needs only and no minimum quantum of work is guaranteed.
- e. The Bidder shall fill the Bid documents with care in consonance with the instructions contained in the Bid documents.

B: METHOD OF TENDERING / SIGNATURE ON BIDS

- (i) The Bid must contain the postal address like name, residence and place of business of the person or persons submitting the Bid and must be signed and sealed by the Bidder with his usual signature. The name of all persons signing the documents shall also be typed or printed below the signature on each page.
- (ii) Bid by a joint venture/partnership firm must be furnished with full names of all partners and be signed with the partnership name, followed by the signature and designation of one of the authorized partners or other authorized representative(s). A certified copy of the power of attorney authorizing such partner or representative shall also be submitted.
- (iii) Bids by a Corporation/Company must be signed with the legal name of the Corporation/Company i.e. by the President/Managing Director/Secretary or other person or persons authorized to Bid on behalf of such Corporation/Company. A certified copy of the board resolution/power of attorney authorizing such partner or representative shall also be submitted.
- (iv) The Bidder's name stated on the proposal shall be the exact legal name of the firm.
- (v) Erasures or other changes in the Bid Documents shall be initialed by the person signing the Bid.
- (vi) Bids not conforming to the above requirements of signing shall be disqualified.

9 MODIFICATION AND WITHDRAWAL OF BIDS

- a. The Bidder may modify or withdraw the bid prior to the deadline prescribed for submission of bids.
- b. No Bid shall be modified subsequent to the deadline for submission of Bids.
- c. No Bid shall be withdrawn in the interval between the deadline for submission of Bids and the expiration of the period of bid validity.

10 POLICY FOR BIDS UNDER CONSIDERATION

- a. Bid shall be deemed to be under consideration immediately after opening of the bid and till official intimation of award/rejection made by the Company to the Bidders.
- b. While the Bids are under consideration, Bidders and / or their representative or other interested parties are advised to refrain from contacting by any means, the Company. The Engineer, if necessary, will obtain clarifications on the Bids by requesting for such information from any or all the Bidders, in writing as may be necessary. The Bidder will not be permitted to change the price or substance of the Bid after the Bid has been opened.

11 EFFECT AND VALIDITY OF THE BID

- a. The Bid should be kept valid for acceptance for a period of one hundred and eighty (180) calendar days from the last date of submission of Bids.
- b. The submission of any Bid along with the required documents and specifications shall constitute an agreement that the Bidder shall have no cause of action or claim, against the Company for rejection of his Bid. The Company shall always be at liberty to reject or accept any Bid or Bids at his sole discretion and any action will not be called into question and the Bidder shall have no claim in that regard against the GIPCL.

12 OPENING OF BIDS

12.1 The GIPCL will open the pre-qualification/Technical Bid/price Bid, as the case may be, in presence of Bidder's representatives whenever such a procedure has been specified. Otherwise the tender will be opened by the authorized officers of GIPCL.

12.2 Preliminary Examination:

12.2.1 The Company will examine the Bids for any computational errors, for sureties furnished by bidder, for authentication of documents submitted and completeness of the Bids.

12.2.2 Arithmetical errors will be rectified on the following basis:

- (a) If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price will be corrected & will be binding to the bidders
- (b) If there is a discrepancy between the Total Bid Amount and the sum of total prices, the sum of total prices shall prevail and the Total Bid Amount will be corrected & will be binding to the bidders.

13 EVALUATION & COMPARISON OF BIDS

- The online bids received and accepted shall be evaluated by the Owner to ascertain the lowest evaluated Bid in the interest of the owner, for the complete 'Order' covered under these specifications.
- The commercial deviation, if any, shall be loaded to bring all the bids at par. The loading shall be carried out at assuming at an interest rate of 2% above prevailing PLR of SBI.
- Based on past experience, 70% to 80% of total amount of contract value is being consumed in following schedules. (Price schedule-1 @ 60-70 %, price schedule 2, & 7,@ 8-12 %)

SR. NO	PRICE SCHEDULE	NO OF ITEMS IN PRICE SCHEDULE	DESCRIPTION
1	1	82	SCHEDULE OF RATES FOR REWINDING OF STATOR WITH "F" CLASS INDUCTION MOTORS
2	2	33	SCHEDULE OF RATES FOR CARRYING OUT BUSHING WORK ON END SHIELD COVERS
3	7	6	SCHEDULE OF RATES FOR REWINDING OF DC COILS
4	29	1	TO & FRO TRANSPORTATION COST

The contract shall be evaluated based on the lowest quoted rates over SOR rates for declaring the lowest party.

It should be noted that being a need based rate contract, no quantum of minimum work is guaranteed, and the quantities actually billed may vary to any extent even with respect to schedule 1, 2, 7 & 29 and other schedules also.

14 RIGHT OF REJECTION OF TENDERS

14.3 GIPCL reserves the right to accept or reject any Bid or to cancel the Bidding process and

reject all Bids at any time prior to award of contract, without thereby incurring any liability to the affected Bidder or Bidders or any obligation to inform the affected Bidder or Bidders regarding the same.

14.4 Any Tender without EMD will be treated as non responsive and shall be rejected at the outset & no further correspondence shall be entertained regarding this.

14.5 GIPCL reserves the right to debar any Bidder from participation in future Bids if such Bidder has quoted an abnormally low rate in the Bid document/price Bid.

15 AWARD OF CONTRACT

15.1 GIPCL will award the contract to that bidder whose quotation has been determined to be substantially responsive and evaluated as the lowest quotation in conformity with the requirements of the specifications and documents contained herein, provided further that the bidder is determined and evaluated to be qualified to perform the contract satisfactorily.

15.2 The successful bidder shall be intimated of his selection through the Letter of Intent or Letter of Award/ Work Order which shall be sent to him through e-mail, courier, fax or registered mail.

16 CONTRACT PERIOD

The contract period will be of **24 months** from the date of commencement. The said Contract Period can be extended if mutually agreed upon by both the parties up to one year and in such a case a revised work order shall be issued at the same rates and terms & condition or at negotiated rates acceptable by both parties i.e. the Company & the Bidder.

17 CONTRACT SECURITY DEPOSIT/ PERFORMANCE BANK GUARANTEE

As a Contract Security, the successful Bidder, to whom the work is awarded, shall be required to furnish a Performance Bank Guarantee (PBG)/Contract security deposit in favor of Gujarat Industries Power Company Limited for guarantee amount at 10% of the "Annual Contract Price" excluding taxes & duties from all Nationalized Banks, Axis Bank, ICICI Bank, HDFC Bank, Kotak Mahindra Bank, IndusInd Bank, Federal Bank, Bandhan Bank, Standard Chartered Bank and AU Small Finance Bank in the format attached in **SECTION-F**, and it shall guarantee the faithful performance of the 'Contract' in accordance with the terms and conditions specified in these documents and specifications. Contract security deposit shall be submitted strictly within twenty one days from the date of LOI or work order, whichever is earlier. The Guarantee amount shall be payable to the Company in Bidder's home currency without any condition whatsoever.

The Performance Bank Guarantee (initial security deposit) will be returned to the Vendor/Bidder without any interest after completion of contract and on fulfilling contractual obligations throughout the contract period. However, any delay in submission of initial SD will result in equivalent late release of entire SD after guarantee period.

18 ASSIGNMENT AND SUB-LETTING

The Bidder shall not directly or indirectly assign or sub-let total/any part of the contract to any other party or agency without written consent of GIPCL.

19 BIDDER'S OBLIGATIONS

A: DEPLOYMENT & RESPONSIBILITY OF MANPOWER

(i) The Bidder shall also comply with the safety requirements and provide his workmen/labor with safety equipment like helmets, masks, gum boots, a uniform and other necessary PPEs for properly undertaking the operations involved under this contract.

B: TOOLS & TACKLES:

(i) All tools and tackles required to execute the contract are in the scope of the Bidder.

20 CLARIFICATION OF BIDDING DOCUMENTS

If any Bidder requires any further information or clarification in the Bidding Documents, may notify the Company before one week of last date of submission of online Bid, in writing or by E-mail at the GIPCL's mailing address electslpp@gipcl.com as indicated in the 'Invitation to Bids'. The GIPCL's response (including an explanation of the query) will be sent in writing or by E-mail to all prospective Bidders who have received the Bidding Documents.

21 TIME SCHEDULE

The basic considerations and the essence of the 'Contract' shall be the strict adherence to the time schedule for performing the specified 'Works'.

22 UNDERSTANDING AND CLARIFICATION ON DOCUMENTS AND SPECIFICATION

The Bidder is required to carefully examine the specifications and documents, all the conditions and matters work wise & cost wise. If any Bidder finds any discrepancies or omissions in the specifications and documents or is in doubt for any meaning of any part, he shall request in writing for an interpretation/ clarification to the GIPCL or during Pre-Bid meeting. All such interpretations and clarifications shall form a part of the Bid documents.

23 PAYMENTS

All the payments against the work order shall be in Indian currency through 'cheque' or 'ON LINE' payment only.

24 POINTS TO BE CONSIDERED WHILE QUOTING ONLINE PRICE BID

- a. The rates shall be read in conjunction with Instructions to Bidders, General conditions of contract, Special conditions of contract and Technical specifications.
- b. The quantities given in some of the annexures are based on the past experience. However, the payment will be made as per actual work carried out based on the accepted rates of work order.

Note: Interested bidders are requested to submit the online tender at least two days in advance from the due date set for on line submission of bid in order to avoid non participation of e-tender due to probable technical problem in e-tender system.

25 GUARANTEE / WARRANTY:

All the repaired / overhauled equipments shall be guaranteed for satisfactory performance for 12 months from date of successful commissioning or 18 months from date of receipt at site whichever is later.

26 QUANTITIES

The quantities specified are estimated and for tendering purpose only. Payment will be made, based on actual work done as certified by Engineer-in-charge of GIPCL.

Quantities of individual items may be revised during the course of contract period based on site requirement. Bidder shall not be entitled for any compensation on ground of such alteration in scope of work. GIPCL reserves the right to operate or increase/decrease quantities in each item or omit any item included in Schedule of Quantity at his discretion. Bidder shall have no claim, whatsoever, on grounds of loss of anticipated profit etc. on account of the same.

SECTION-B
INSTRUCTIONS TO BIDDERS FOR ONLINE TENDERING

1. Tender documents are available only in electronic format. Bidders can download free of cost from the web site - <http://etender.gipcl.com>
2. All Bids (technical and price Bid) should be submitted online through the website <http://etender.gipcl.com/> only. No physical submission of price and technical Bid will be entertained as it should be furnished online only. Also no fax, e-mail, letters will be entertained for the same.
3. E.M.D. should be submitted 'off-line' in sealed covers separately during dates & time set in NIT at our office at Village: Nani Naroli, Taluka: Mangrol, Dist.: Surat - 394 110, Gujarat if submitted through Demand Draft.
4. Bidders who wish to participate first time in online tenders will have to register their firm at GIPCL-SLPP by applying for registration through vendor registration option available in the website - <http://etender.gipcl.com> at least before five working days from the due date set for online bid participation. GIPCL will not be held responsible in case of late submission for vendor registration. Bidders shall fill the online vendor registration form and submit it online. GIPCL will create vendor code which will be used as user ID for online participation in GIPCL's tenders. Both vendor code (user ID) and password will be generated automatically and will be sent by auto generated e-mail to Bidder's official e-mail account as provided by Bidder in vendor registration form.

SECTION-C

GENERAL CONDITIONS OF CONTRACT

1. CONTRACT PERIOD & CONTRACT PRICE VARIATION

- A. The contract period will be of 24 months from the date of commencement.
- B. GIPCL reserves the right to extend the Contract Period up to 12 months on the same rates and terms and conditions if mutually agreed upon by both the parties and in such a case a revised work order shall be issued at the same rates and terms & condition or at negotiated rates acceptable by both parties i.e. the Company & the Bidder.
- C. The rates are fixed and final and not subject to any escalation due to any reasons whatsoever except statutory variations during entire period of contract.

2. RECOVERY CLAUSE

- A. In case of any damage of equipment / machinery due to negligence of Bidder or any other reasons attributed to Bidder the decision of Engineer In Charge regarding the amount of recovery shall be final and binding subject to a maximum of 10% of contract value. Recovery will be affected from the monthly bills and / or retention money/security deposit.
- B. If the Bidder fails to execute the work as per directions of Engineer (I/c) within the time frame given, GIPCL shall get the work done by third party at the risk & cost of the Bidder

3. DEDUCTIONS FROM CONTRACT PRICE

All costs, charges or expenses which OWNER may have paid, for which, under the contract the Bidder is liable, shall be recovered by the OWNER. The Bidder shall pay all such claims within 15 days of claim failing which the same shall be deducted from the Bidder's RA bills.

4. TRANSIT INSURANCE, EC, THIRD PARTY INSURANCE

Transit insurance, employee compensation and third party insurance shall be taken by Bidder/vendor. Further, the insurance for materials when under the custody of Bidder at their work shop shall be covered by the Bidder. Copy of above insurance to be submitted to GIPCL for the proof after award of contract.

5. QUANTITY AND CONTRACT PRICE VARIATION

Numbers of motors that may fail or may require repairs, or overhauling cannot be planned in advance. However, quantities are specified in some of schedules based on past experience last four/ two years for reference only. It should be noted that being a need based rate contract, no quantum of minimum work is guaranteed, and the quantities actually billed may vary to any extent. As such the unit rates applicable for each item shall be applied for calculating the amount payable.

6. TERMS OF PAYMENT

The Bidder shall raise the invoice in duplicate for each job in respect of the work completed during the month along with the documents as hereinafter provided. On receipt of the invoice complete in all respects and with all the said documents, the payment in respect of the same shall be made within 30 days of such receipt of a complete invoice as per the following terms of payment –

- (i) Bidder may raise invoice for work completion during every stage. 100% of RA bill shall be released on satisfactory completion of given works certification by GIPCL Engineer in- charge. If PBG is not submitted, then 5% of total contract value excluding taxes shall be deducted as retention amount. This 5% retention amount will be released after expiry of guarantee period.
- (ii) GST shall be paid along with bills after fulfillment of following terms.
 - (a) Submission of copy of registration certificate issued by Tax Authority (to be furnished only once).
 - (b) Citing the GST Registration no. And the date of issue of registration certificate on invoices.
 - (c) Claim of GST amount with percentage (%) separately shown on the invoices.
 - (d) The Bidder shall inform the Owner in the event its registration certificate is cancelled or discontinued for whatsoever reason.
- (iii) The Bidder shall submit his Final Bill within a period of three months of the expiration or earlier termination of the contract or any extensions that may be granted by GIPCL to the Bidder. GIPCL shall not entertain any bill for any work item after expiration of period of three months.
- (iv) The Bidder shall include all his claims in the Final Bill submitted by him and accordingly the final bill submitted by the Bidder shall be deemed to be inclusive of all and whatsoever the claims that the Bidder may have from GIPCL. The Bidder shall not be entitled to claim any amounts which are not mentioned in the Final Bill and the Bidder shall be deemed to have waived any claims not mentioned in the Final Bill and shall not be entitled to recover the same from GIPCL subsequent to the submission of the Final Bill on any account and GIPCL shall stand absolved of all its liabilities in respect of any such claims not raised by the Bidder in his Final Bill.

At the time of return of the Security Deposit, the Bidder shall submit an indemnity bond acknowledging the receipt of all the due amounts and indemnifying GIPCL from and against all claims in that regard.

GIPCL GST No. 24AAACG7277Q1Z0

All the invoices shall be addressed as per following:
Additional General Manager (RE Projects Site I/c 600MW, RE O&M & Electrical)
Gujarat Industries Power Company Limited
Surat Lignite Power Plant
AT & Post – Nani Naroli
Taluka Mangrol
Dist. Surat – 394 112
Gujarat

7. DURATION OF REPAIRS OF MOTORS

Duration of repairs of motors based on urgent and normal requirements shall be as below:-

- a. **Normal delivery - 12 to 15 days**
- b. **Urgent delivery (As per schedule 7.1) – 4 to 7 days.**
- c. **DC motors repairing Work (As per schedule 7.2)- 25 to 30 days**

Further following factors shall be considered while calculating the delivery period-

- a. Repair time shall be counted from exit of material from SLPP gate up to date of entry at SLPP gate.
- b. Staggered holiday, general holiday including Sunday shall not be considered for counting the repair time.
- c. Whenever it is necessary to obtain clearance from concerned engineer for starting of work, due to technical reasons like inspection, fault analysis, insurance claims, issue of bearings and sending repaired materials back to GIPCL etc, critical spares required for replacement but which are not normally kept in stock by vendor (For example commutator of DC motors). delay due to such clearance shall be considered for calculation of repair time i.e. repair time shall be suitable extended.
- d. Material shall be collected within 24 hours from time of intimation by email/phone/fax etc.

Following critical LT motors shall be **considered as urgent** & need to be re-winded / repaired and sent back within 4 to 7 days whether specified or not specified in the gate pass as their availability is directly associated with the power generation.

SCHEDULE 7.1			
SR.NO	DESCRIPTION	KW	VOLTAGE
1	Lignite Air Lock Feeder motor, Double speed motor.	5.5 / 10	415, AC

- c. All the vehicles shall be fit as per RTO guidelines and valid fitness certificate is required as per RTO guidelines.

17. REJECTION OF WORK:

If, as a result of inspection, examination or testing, the GIPCL's Representative/Engineer decides that any materials, work or workmanship is defective or otherwise not in accordance with the Contract, the GIPCL/Engineer/ GIPCL's Representative may reject such plant, materials, work or workmanship and shall notify the BIDDER promptly, stating his reasons. The BIDDER shall then promptly make good the defect and ensure that the rejected item complies with the Contract. If Bidder

failed to rectify the rejected work or workmanship, GIPCL/Engineer reserves the right to deduct or withhold amount against rejected work or Workmanship. BIDDER shall not entitle for any claim or release of hold payment until rectify the defect up to satisfactory of GIPCL. If Bidder failed to rectify any such defective work or workmanship, GIPCL reserve the right to rectify at risk and cost of the BIDDER and deducted by the GIPCL from any amount due, or to become due, to the BIDDER's dues.

If the GIPCL/Engineer/GIPCL's Representative requires such materials, work or workmanship to be retested, the tests shall be repeated under the same terms and conditions. If such rejection and retesting cause the GIPCL additional costs for the traveling and lodging costs of GIPCL/Engineer's personal for attending the retest, such costs shall be recoverable from the BIDDER by the GIPCL and may be deducted by the GIPCL from any amount due, or to become due, to the BIDDER.

18. GENERAL TERMS AND CONDITIONS:

- a. All tools & tackles, labours, equipments, vehicles, etc... to execute the contract are in the scope of the Bidder. The Bidder should ensure that tools & equipments are in healthy condition.
- b. The decision of the Engineer-in-charge shall be final and binding on the Bidder for defining the terms and condition included in this contract.
- c. If the work is not found satisfactory, Engineer-in-charge reserves the right to take suitable action.
- d. The Bidder has to do the job timely. GIPCL shall not compromise in delay. In case of delay of work without any valid reason, the GIPCL reserves the rights to carry out the work by deploying other agencies at the risk & cost of Bidder with additional 15% overhead charges.
- e. The prices / item rates quoted shall remain firm till completion of the contract and any agreed extensions thereafter and shall not be subject to any escalation. No price escalation / idle charges shall be entertained due to delay in work on unavailability of work front.
- f. The Government of India has enacted the Micro, Small and Medium Enterprises Development Act, 2006 (the "Act") and the Act has come into force from October 2, 2006. The Bidder shall confirm whether your organization is registered under the Micro, Small and Medium Enterprises Development Act, 2006. If your organization is registered under the Act, please specify the category i.e., Micro Enterprise, Small Enterprise or Medium Enterprise under which it is registered and kindly attach a copy of your registration certificate.
- g. The Bidder shall provide details of registration along with copy of the registration certificate issued by the District Industries Centre/Department of Industries, etc of the respective State Government. It is to be noted that large scale industries and trading firms have been excluded from the purview of the Act.
- h. GIPCL is an ISO 9001, ISO 14001, OHSAS 18001 & ISO 50001:2011 (EnMS) certified company, and GIPCL gives extreme importance to maintain these global standards. Bidder shall be required to observe these standards while working with GIPCL. Bidder should ensure that his workmen/labour work in accordance with them.
- i. **If Bidder is awarded Contract then GIPCL entry gate pass formalities are to be complied along with all RTO related documents of transport vehicle being deployed at site, valid driving license of transport vehicle and driver etc.**
- j. Irrespective of whether it is explicitly or not in the specification / inquiry, any or all precautions, refinements, improvements, modifications that may be required to be

carried out by Bidder in the installation, shall be executed in technically sound and aesthetically pleasing workmanship without any extra cost to GIPCL.

- k. If the work to be executed by the Bidder is delayed at any point of time either during commencement or during progress and gets prolonged due to some reason or other beyond the scheduled completion period, delay on the part of the Owner or by any other Bidder employed by the Owner or under force majeure conditions, the time of completion shall be extended by a reasonable period as may be mutually agreed upon. In such cases, the Bidder shall remain at site and complete the assigned work in the contract.
- l. No separate charges shall be admissible for unloading/unpacking/taking delivery of equipment from Owner's storage points and transporting the same up to the Bidder's stores / erection site. These charges shall be included in the installation rates for each item.
- m. Bidder shall nominate /authorize a person and communicate to the GIPCL in writing as in charge. He shall co-ordinate with GIPCL engineer and bears overall responsibility of contract

19. WORK MEASUREMENT/CERTIFICATION

- a. The work to be performed being a specialized nature, the Bidder should be fully conversant with modern practices and should be able to carry out works independently of large thermal power plant. The Bidder shall therefore be required to engage qualified/ experienced personnel to undertake the work as per specifications and requirement.
- b. Inspection of work will be done by Engineer in Charge or his authorized representative. If the work is not found satisfactory engineer in charge reserves the right to take suitable action and shall be binding to the Bidder.

20. FORCE MAJEURE

The performance of the obligations herein contemplated may be suspended without incurring the penalty in the event of the subsistence of Force Majeure conditions.

If a Force Majeure situation arises, the affected Party shall promptly notify the other Party in writing of such conditions and the performance shall be suspended as per mutual agreement.

For the purposes of this clause, 'Force Majeure' means an event beyond the control of the Party and not foreseeable by the Party and shall include events of floods, explosions, riots, wars, hurricane, epidemics, any other Act of God, quarantine restrictions, terrorism, government actions and provided always that such acts result in the impossibility of the further performance of the contract.

21. INDEMNITY

The Bidder shall indemnify and keep harmless GIPCL from and against all actions, proceedings, claims, demands, losses, costs, damages and expenses whatsoever which may be brought against or suffered by GIPCL which it may sustain, pay or incur as a result of or in connection with the performance/ purported performance/ non-performance of the contract by the Bidder.

In case, in any litigation pertaining to labour employed through Bidder if any direction or order is issued by court at any point of time the Bidder shall comply with and implement such direction or order whether passed at the time of award of contract or during the pendency of contract. Further, the Bidder shall indemnify the GIPCL against

all consequences arising and affecting GIPCL owing to the compliance of the orders by the Bidder.

22. GOVERNING LAW AND JURISDICTION

This tender document and contract shall be governed by the laws of India and the Courts at Surat shall have jurisdiction regarding the same.

Where any portion of the General Condition of Contract is repugnant to or at variance with any provisions of the Special Condition of Contract, then unless a different intention appears, the provision of the Special Conditions of Contract shall prevail to the extent of such repugnancy of variance.

SECTION-D SPECIAL CONDITIONS OF CONTRACT

The overall scope of work proposed to be assigned to the successful bidder according to this specification covers the following aspects.

1. TECHNICAL SPECIFICATIONS

Unless and otherwise specified, all motors shall be rewound with class 'F' insulation by using the best available material of following make and specification. Bearings have to be replaced during rewinding (if required). Normally, bearings shall be provided by GIPCL, however in case of emergency, Bidder shall provide only SKF make bearings at the rates accepted under this contract.

2. WINDING WIRE:

Polymer based super enameled copper winding wire of reputed make certified by Indian Standard shall be used. Test Certificate issued by OEM shall be submitted along with bills, as and when requested by GIPCL.

3. SLOT INSULATION:

The winding wire of motor shall not be removed by burning with direct flame. All necessary care shall be taken to avoid damages to stamping while removing the winding.

Slot insulation should be exactly similar to that used by manufacturer / similar to used prior to rewinding.

Overhang portion of winding on both sides shall be firmly tied and wound with superfine cotton tape before varnishing.

The lead wire should be tinned copper flexible only having suitable insulation level.

4. VARNISHING:

The varnish should be of Dr. BECK & CO. make only. This should be of baking type suitable for all the motors. The varnishing should be applied after pre drying of the motor and suitable treatment should be given as per the recommendation of varnish manufacturer. The finishing varnish should also be provided.

5. TERMINAL LUGS:

Terminal lugs should be Dowell make (copper) only. This should be suitably taped with color code and should be provided with metallic stem for identification

6. TESTING:

Following tests shall be carried out on each and every motor before dispatch:

- (1) Winding resistance of each phase

- (2) No load running of motor and no load current measurement.
- (3) Insulation resistance.
- (4) Vibration test on all motors above 30 KW
- (5) Surge test on coil, if requested by GIPCL.
- (6) Vibration test, if requested by GIPCL for motors less than 30 KW
- (7) Flux test to check hot spot above 37 KW motor.
- (8) Heat run test, if requested by GIPCL.
- (9) Relevant test on raw material and brought out items.
- (10) Any metallurgical test, if requested by GIPCL.

Except test at sr. no. 10, all Tests shall be carried out free of cost. For Metallurgical test, charges shall be paid at actual against submission of bill.

7 OVERHAULING AND ASSEMBLING (IF REQUESTED SPECIFICALLY):

Motor shall be overhauled & re greased as per standard engineering practice and assembled to the specification of enclosure as per relevant standard. The bearing should be provided with new clean grease of best quality as per manufacturer recommendation. Normally, bearings shall be provided by GIPCL, however in case of emergency, Bidder shall provide only SKF make bearings at the rates accepted under this contract.

The motor should be provided with one coat of synthetic enameled paint as per relevant approved shade.

8. INSPECTION OF MOTORS (PRIOR TO COMMENCEMENT OF WORK AND SHALL BE PART OF INITIAL INSPECTION)

On receipt of motor, it shall be examined and M/s. GIPCL shall be informed of any mechanical damage externally found in the motor. Subsequently, after opening of motor if it is felt that for satisfactory operation, the motor needs replacement of any part or mechanical repair, it shall be carried out after getting prior approval from GIPCL.

9. GUARANTEE:

12 months guarantee after commissioning of repaired motor or 18 month from date of dispatch of motor after repairs whichever is later against defective material, workman ship and performance under normal working condition shall be extended. Reason for failure shall be mutually discussed and agreed upon. However, in case of dispute, decision of GIPCL shall be final. In the event of failure of a motor within the guarantee period, Bidder shall carry out free repair in a period mutually agreed upon.

If Bidder fails to satisfy GIPCL, GIPCL shall get the work of repairs done from other agencies and the cost incurred shall be recovered from Bidder's bill with GIPCL overheads of 20%.

10. TEST CERTIFICATE AND FAILURE REPORT:

The Bidder shall furnish initial inspection report after opening motor at its factory and shall also furnish test certificate, failure report and winding data in duplicate along with bills.

11. REWINDING OF SUBMERSIBLE PUMPS:

Only PVC sleeved "Finolex" make wires shall be used for rewinding of Submersible Pumps.

SECTION-E

SOR BASED PRICE SCHEDULES FOR REWINDING, REPAIRING

NOTE- (ALL SOR RATES ARE WITHOUT TAXES)

PRICE SCHEDULE -1		
RATES FOR REWINDING OF STATOR OF MOTORS WITH F CLASS INSULATION		Rate
Sr.No	Item Description	In Rs
1	415VAC motor up to 0.1 KW	847
2	415VAC, more than 0.1 TO 0.2 KW	885
3	415VAC, more than 0.2 TO 0.5 KW	987
4	415VAC, more than 0.5 TO 1.0 KW	1312
5	415VAC, more than 1.1 to 1.5 KW	1107
6	415VAC, more than 1.5 to 2.0 KW	2078
7	415VAC, more than 2.0 TO 3.0 KW	2340
8	415VAC, more than 3.00 TO 4.00 KW	2779
9	415VAC, more than 4.00 TO 5.00 KW	2875
10	415VAC, more than 5.00 TO 7.00 KW	2977
11	415VAC, more than 7.00 TO 9.00 KW	3702
12	415VAC, more than 9.00 TO 10.00 KW	4432
13	415VAC, 5.5/10 KW DOUBLE SPEED MOTOR.	9051
14	415VAC, more than 10.00 TO 12.5 KW	6433
15	415VAC, more than 12.5 TO 15 KW	7944
16	415VAC, more than 15 TO 20 KW	10920
17	415VAC, more than 20 TO 25 KW	10920

SUPPLY AND REPLACEMENT OF SPACE HEATER ,TERMINAL PLATE,TERMINAL BUSHING AND STUD		
Sr.No	Item Description	Unit rate in Rs
1 .	Supply & replacement of space heater - up to 1.0 KW	61
2 .	Supply & replacement of space heater - 1.1 to 4 KW	131
3 .	Supply & replacement of space heater - 4.1 to 7 KW	173
4 .	Supply & replacement of space heater - 7.1 to 10 KW	260
5 .	Supply & replacement of space heater - 10.1 to 20 KW	304
6 .	Supply & replacement of space heater - 20.1 to 30 KW	1672
7 .	Supply & replacement of space heater - 30.1 to 50 KW	1672
8 .	Supply & replacement of space heater - 50.1 to 80 KW	2159
9 .	Supply & replacement of space heater - 80.1 to 110 KW	2159
10 .	Supply & replacement of space heater - 110.1 to 185 KW	2159
11 .	Supply & replacement of motor terminal plate - up to 1.0 KW	59
12 .	Supply & replacement of motor terminal plate - 1.1 to 4 KW	126
13 .	Supply & replacement of motor terminal plate - 4.1 to 7 KW	168
14 .	Supply & replacement of motor terminal plate - 7.1 to 10 KW	252
15 .	Supply & replacement of motor terminal plate - 10.1 to 20 KW	292
16 .	Supply & replacement of motor terminal plate - 20.1 to 30 KW	292
17 .	Supply & replacement of motor terminal plate - 30.1 to 50 KW	519
18 .	Supply & replacement of motor terminal plate - 50.1 to 80 KW	864
19 .	Supply & replacement of motor terminal plate - 80.1 to 110 KW	1004
20 .	Supply & replacement of motor terminal plate - 110.1 to 185 KW	2546
21 .	Supply & replacement of terminal bushing / insulator - up to 1.0 KW	61
22 .	Supply & replacement of terminal bushing/insulator-1.1 to 4 KW	131
23 .	Supply & replacement of terminal bushing/insulator-4.1 to 7 KW	173
24 .	Supply & replacement of terminal bushing/insulator-7.1 to 10 KW	260
25 .	Supply & replacement of terminal bushing/insulator-10.1 to 20 KW	304
26 .	Supply & replacement of terminal bushing/insulator-20.1 to 30 KW	219
27 .	Supply & replacement of terminal bushing/insulator-30.1 to 50 KW	252
28 .	Supply & replacement of terminal bushing/insulator-50.1 to 80 KW	410
29 .	Supply & replacement of terminal bushing/insulator-80.1 to 110 KW	410
30 .	Supply & replacement of terminal bushing / insulator - 110.1 to 185 KW	587
31 .	Supply & replacement of terminal studs - up to 1.0 KW	131
32 .	Supply & replacement of terminal studs - 1.1 to 4 KW	131
33 .	Supply & replacement of terminal studs - 4.1 to 7 KW	173
34 .	Supply & replacement of terminal studs - 7.1 to 10 KW	260
35 .	Supply & replacement of terminal studs - 10.1 to 20 KW	304
36 .	Supply & replacement of terminal studs - 20.1 to 30 KW	209

37 .	Supply & replacement of terminal studs - 30.1 to 50 KW	292
38 .	Supply & replacement of terminal studs - 50.1 to 80 KW	438

11 .	Supply & replacement of fan key - up to 1.0 KW	51
12 .	Supply & replacement of fan key - 1.1 to 4 KW	59
13 .	Supply & replacement of fan key - 4.1 to 7 KW	77
14 .	Supply & replacement of fan key - 7.1 to 10 KW	102
15 .	Supply & replacement of fan key - 10.1 to 20 KW	126
16 .	Supply & replacement of fan key - 20.1 to 30 KW	126
17 .	Supply & replacement of fan key - 30.1 to 50 KW	158
18 .	Supply & replacement of fan key - 50.1 to 80 KW	184
19 .	Supply & replacement of fan key - 80.1 to 110 KW	209
20 .	Supply & replacement of fan key - 110.1 to 185 KW	252
21 .	Supply & replacement of shaft extension key - up to 1.0 KW	59
22 .	Supply & replacement of shaft extension key - 1.1 to 4 KW	86
23 .	Supply & replacement of shaft extension key - 4.1 to 7 KW	126
24 .	Supply & replacement of shaft extension key - 7.1 to 10 KW	126
25 .	Supply & replacement of shaft extension key - 10.1 to 20 KW	126
26 .	Supply & replacement of shaft extension key - 20.1 to 30 KW	126
27 .	Supply & replacement of shaft extension key - 30.1 to 50 KW	234
28 .	Supply & replacement of shaft extension key - 50.1 to 80 KW	276
29 .	Supply & replacement of shaft extension key - 80.1 to 110 KW	302
30 .	Supply & replacement of shaft extension key - 110.1 to 185 KW	335
31 .	Supply & replacement of labyrinth ring - up to 1.0 KW	350
32 .	Supply & replacement of labyrinth ring - 1.1 to 4 KW	410
33 .	Supply & replacement of labyrinth ring - 4.1 to 7 KW	501
34 .	Supply & replacement of labyrinth ring - 7.1 to 10 KW	501
35 .	Supply & replacement of labyrinth ring - 10.1 to 20 KW	640
36 .	Supply & replacement of labyrinth ring - 20.1 to 30 KW	728
37 .	Supply & replacement of labyrinth ring - 30.1 to 50 KW	911
38 .	Supply & replacement of labyrinth ring - 50.1 to 80 KW	1202
39 .	Supply & replacement of labyrinth ring - 80.1 to 110 KW	1214

40 .	Supply & replacement of labyrinth ring - 110.1 to 185 KW	1256

M/s. Gujarat Industries Power Company Limited
At & Post – Nani Naroli
Taluka Mangrol
Dist.Surat-394 112

Dear Sirs,

In accordance with your “Invitation for Bids” under your Specification No..... Dated
M/s..... having its
Registered /Head office at
(herein after called the Bidder) wish to participate in the said bid for

As an irrevocable bank Guarantee against bid guarantee for an amount of valid for one (1) year from is required to be submitted by the Bidder as a condition precedent for participation in the said bid, which amount is liable to be forfeited on the happening of any contingencies mentioned in the Bid Documents.

We, the Bank at having our Head Office at (local address) Guarantee and undertake to pay immediately on written demand by Gujarat Industries Power Company Limited (hereinafter called the “Purchaser”) (In figures) (in words) without any reservation, protest, demur and recourse. Any such demand made by said “Purchaser” shall be conclusive and binding on us irrespective of any dispute or difference raised by the bidder. It shall be conclusive and enough for enforcement of Bank Guarantee on the Bank if Purchaser invokes the Bank Guarantee stating only that the default has been committed by the bidder, thus far and no further.

Annexure B

PROFORMA OF BANK GUARANTEE FOR ORDER PERFORMANCE (To be executed on non-judicial stamped paper)

B.G. No. _____ Date: _____

Bank Guarantee Cover period fromto

1. WHEREAS Gujarat Industries Power Company Limited having its office at PO: Ranoli, Dist. Vadodara – 391 350, Gujarat State, India (hereinafter referred to as “The Company/Owner” which expressions shall unless repugnant to the subject or context includes its legal representatives, successors and assigns) has entered into a contract with M/s. _____ (hereinafter referred to as “Contractor(s)/ Seller(s)” which expression shall unless repugnant to the subject or context includes their legal representatives, successors and assigns) for (Name of Work) “_____” on the terms and conditions as set out inter alia, in the Company’s contract No./ Work Order No. _____ date: _____ and various documents forming part thereof hereinafter referred to as the “said contract” which expression include all amendments, modifications and/ or variations thereto and whereas the Contractor(s)/ Seller(s) has agreed for due execution of the entire contract and guarantees its performance including any parts executed through any other agencies/ subcontractors

AND WHEREAS one of the conditions of the “said contract” is that “contractor(s)/seller(s) shall furnish to the owner a Bank Guarantee from a bank for 10% (Ten percent) of the annual value of the “said contract” against due and faithful performance of the “said contract” including performance guarantee obligations of the contractor(s)/seller(s) for execution/ supplies made under the “said contract.”

2. We _____ (name of Bank) having its branch office at _____ do hereby agree and undertake to pay the amount due and payable under this guarantee without any demur merely on a demand from the Company stating that in the opinion of the Company, which is final & binding, the amount claimed is due by reason of default made by the Contractor(s)/ Seller(s) in performing any of the terms & conditions of the said Contract including defect liability obligations, in fulfilling the performance guarantee obligation or loss or damage caused to or would be caused to or suffered by the Company by reason of any breach by the said Contractor (s)/ Seller(s) of any of the terms & conditions of the contract. Any such demand made on the Bank by the owner shall be conclusive as regards the amount due and payable by the Bank under this guarantee. However our liability under this guarantee shall be restricted to Rs. _____ (Rupees _____ only).

3. We undertake to pay to the Company any money so demanded notwithstanding any dispute or disputes raised by the contractor(s)/ Seller(s) in any suit or proceeding pending before any office, court or tribunal relating thereto our liability under this present guarantee being absolute and unequivocal. The payment so made by us under this bond shall be a valid discharge of our liability for payment there under. Our liability to pay is not dependent or conditional on the owner proceeding against the Contractor(s)/ Seller(s).

4. The guarantee herein contained shall not be determined or affected or suspended by the liquidation or winding up, dissolution or change of constitution or insolvency of the said Contractor(s)/ Seller(s) but shall in all respect and for all purposes be binding and operative until payment of all money due or liabilities under the said contract(s)/ Order(s) are fulfilled.
5. This guarantee will remain valid up _____. The Bank undertakes not to revoke this guarantee during its currency without previous consent of the OWNER/PURCHASER and further agrees that if this guarantee is extended for a period as mutually agreed between contractor & owner/purchaser, the guarantee shall be valid for a period so extended provided that a written request for such extension is received before the expiry of validity of guarantee.
6. We _____ (name of Bank) further agree with the Company that the company shall have the fullest liberty without our consent and without affecting in any manner our obligations hereunder to vary any of the terms and conditions of the said Contract(s)/ Order(s) or to extend the time of performance by the said Contractor(s) Seller(s) from time to time or to postpone for any time or from time to time any of the powers exercisable by the Company against the said Contractor(s)/ Seller(s) and to forbear or enforce any of the terms and conditions relating to the said Contract(s)/ Order(s) and we shall not be relieved from our liability by reason of any such variation, or extension being granted to the said Contractor (s) / Seller(s) or for any forbearance, act or omission on the part of the Company or any indulgence by the Company to the said Contractor(s)/ Seller(s) or by any such matter or thing whatsoever which under the law relating to sureties would, but for this provision, have affect of so relieving us.
7. Notwithstanding anything contained herein before, our liability shall not exceed Rs. _____ (Rupees _____ only) and shall remain in force till _____. Unless a demand or claim under this Guarantee is made on us within three months from the date of expiry we shall be discharged from all the liabilities under this guarantee.
