DEFINITIONS, INTERPRETATIONS ETC.

Definitions:

1. **Authorized Representative(s) and Signatories:** Each Bidder shall designate maximum two persons ("Authorized Representatives and Signatories") authorized to represent the Bidder in all matters pertaining to its bid. These designated persons should hold the power of attorney duly authorizing them to perform all tasks including but not limited to signing and submitting the bid; to participate in all stages of the Bidding process; to conduct correspondence for and on behalf of the Bidder, and to execute the Bid Agreement and any other documents required to give effect to the outcome of the Bidding process. The original power of attorney, duly notarized, in favor of the Authorized Representatives and Signatories shall be enclosed by the Bidder along with the covering letter.
2. **Bidder:** Bidder means the person or persons, firm, Co-Operative Society or company that has submitted a Bid in response to this document.
3. **Co-Operative Society:** Co-operative Society formed for the purpose including that of Lignite / any mineral transportation work.
4. **Partnership Firm:** In case of a partnership firm the same shall be registered and, each of the partners shall be jointly and severally liable for all liabilities, actions/duties and claims including financial, legal, environmental and technical liabilities on behalf of Bidding Consortium.
5. **Proprietorship entity:** In case of a proprietorship entity, the proprietor shall be responsible for all interactions with GIPCL. However, both Members of the Bidding Consortium shall be jointly and severally liable for all liabilities, actions/duties and claims including financial, legal, environmental and technical liabilities on behalf of Bidding Consortium.
6. **Performance Bank Guarantee/ Security Deposit:** Performance Bank Guarantee shall mean the guarantee to be furnished by the Contractor who is selected based on the Bidding process.
7. **Financial Year:** Financial Year shall mean the 12 month period corresponding to the audited financial statements.
8. **Net Worth:** Net worth is the sum total of paid up capital and free reserves. Free reserves means all reserves credited out of the profits and share premium account but do not include reserves credited out of revaluation of assets, write back of depreciation provisions and amalgamation. Further, any debit balance of profit and loss account and miscellaneous expenses to the extent not adjusted or written off, if any, shall be reduced from Reserves and Surplus.
9. **Turnover:** Turnover is Gross Sales or Gross Revenues, as defined by the Indian Accounting Standards published by the Institute of Chartered Accountants of India.
10. **Qualifying Proposal Requirements:** Qualifying requirements shall mean the requirements set forth in this document for the purpose of evaluation.
11. **"Company" or "GIPCL" or "Management"** shall mean Gujarat Industries Power Company Limited including its successors in office and as signees or its representatives authorized to act on its behalf for the purposes of contract.
12. **"Clause" or "provision"** shall mean the clause and sub clauses of this bid document and/or agreement etc.
13. **"Contractor"** shall mean the person or persons, firm, Co-Operative Society or company, whose bid has been accepted by the GIPCL and shall include his/its/their legal representatives, administrators, successors and assigns.

Bid No.: SLPP/Mine/Tarpaulin Covering /2025 and 2026

14. **"Contract Document"** shall mean collectively bid documents, designs, drawings, plans, specifications, agreed variations, if any and other documents constituting the bid and acceptance thereof.
15. **"Completion Certificate"** shall mean the certificate to be issued by the GIPCL when the work/ s have been completed to his satisfaction as per terms of the contract.
16. **"Commencement of work"** shall mean start of work by the contractor as per contract terms to the satisfaction of the GIPCL.
17. **"Letter of Intent" or "Detailed letter of Acceptance" or "Work order"** shall mean intimation by a letter/ fax/E-mail to Bidder that his / their bid has been accepted, in accordance with the provision contained in the letter/fax/E-mail.
18. **"SLPP"** shall mean the Surat Lignite Power plant of M/s Gujarat Industries Power Company Limited located at Nani Naroli in Tal Mangrol, Dist.: Surat.
19. **"Lignite"** means lignite / carbonaceous material with designated quality supplied by Tadkeshwar Lignite Mine of GMDC Ltd.
20. **"Lime Stone"** means the lime stone of size maximum 150 mm to minimum 10 mm size after crushing.
21. **"Schedule of quantities"** shall mean the quantities of lignite to be transported and as provided in the contract, for execution of the contract.
22. **"Bid" shall mean the bid submitted** by the Bidder against this bid enquiry document for acceptance by the GIPCL.
23. **"Tonne"** shall mean metric tonne (1000 kilograms.)
24. **"Lignite Stockyard"** shall mean lignite stock and includes the lignite, whether stocked separately or otherwise.
25. **"Site / Work In-charge"** shall mean a person authorized by the GIPCL management, who will look after all the activities related with transportation of Lignite/ to this contract.
26. **"Monsoon season"** shall mean period from 16th May to 31st Oct
27. **"Tarpaulin"** shall mean **250 GSM, as per Indian standard IS 7903:2017 type II 250 GSM with ISI mark and test certificate**

INTERPRETATIONS

1. Wherever it is mentioned that the contractor shall do or perform or cause to be done certain work/s or provide certain facilities or discharge certain obligation/s or make certain provision/s etc., it is expressly agreed and understood that each and every such work/s, facility, obligation/ s or provisions etc. shall be made and/ or provided by the contractor to the satisfaction of the GIPCL at the cost and consequences of the contractor.
2. Several clauses and documents forming the contract are to be taken in harmony. Should there be any discrepancy, inconsistency, error or omission in the contract or for any of the matter/s, the same shall be referred to in writing by the contractor to the GIPCL, whose interpretation/s, decision in writing shall be conclusive, final and binding on the contractor.
3. The works shown upon the drawing but not mentioned in the specifications or described in the scope of work without being shown on the drawings shall nevertheless be held to be included in the same manner as if they had been specifically shown upon the drawings and described in the scope of work.
4. All headings and marginal notes to the various clauses of the contract are solely for the purpose of giving a concise indication and not a summary of the contents thereof and they shall never be deemed to be part thereof or be used in the interpretation or construction thereof, or the provisions of the contract.
5. In the contract, unless otherwise stated specifically, the singular shall include the plural and vice versa, wherever the context so requires , the words interpreting person/s shall

include incorporated companies, registered association, body of individuals or partnership firm.

6. Where any portion of the General Conditions of the contract is repugnant to or at variance with any provisions of the Special Conditions of the Contract, then, unless a different intention appears, the provisions of Special Conditions of the contract shall be deemed to over ride the provision of the General Conditions of the Contract and shall to the extent of such repugnancy or variations, prevail.
7. Notwithstanding the sub-divisions/s of the various clauses of the contract into the separate parts/ sections, every part of such shall be deemed to be supplementary to and complementary of each and every other part and shall be read with and into the contract so far as it may be practicable to do so.
8. General conditions of the contract shall be read in conjunction with the special conditions of contract, specification of work, drawings and any other documents forming part of this contract wherever the context so requires.
9. The materials, designs and workmanship etc. shall mean the same as specified in the relevant Indian Standards and the job specifications contained herein and codes, referred to in the contract and the additional requirements, if any, shall also be satisfied by the contractor.
10. No Director or official or employee of the company shall in any way be personally bound or liable for the acts or obligations of the company under the contract or answerable for any default or omissions in the observance or performance of any of the acts, matters or things which are herein contained.
11. No amendments to the contract shall be valid unless specifically made as an amendment in writing to the contractor and signed by the authorized representative of the parties, to the contract.
12. The titles or headings in this Bid Document are for convenience and easy reference only and shall not be taken into account for the purpose of construction or interpretation of this Bid Document.
13. Any reference to "person" shall include individuals, companies, firms, corporations and associations or bodies of individuals, whether incorporated or not and shall include their respective successors in business and permitted assigns.
14. A reference to any gender includes the other gender.
15. Unless otherwise specified, a reference to a Section, Clause, Annexure, Schedule, Attachment or paragraph is a reference to a Section, Clause, Annexure, Schedule, Attachment or paragraph of this Document.
16. The terms "include" and "including" shall be deemed to be suffixed with the words "without limitations", whether or not so followed.
17. Words imparting singular shall also include plural and vice-versa and any word defined in the singular shall have the corresponding meaning when used in the plural and vice versa.

Governing Law

1. The Document shall be governed by and interpreted in accordance with laws in force in India and the Courts of Vadodara shall have exclusive jurisdiction over matters relating thereto.

SECTION – I

INSTRUCTIONS TO BIDDERS

Brief Introduction

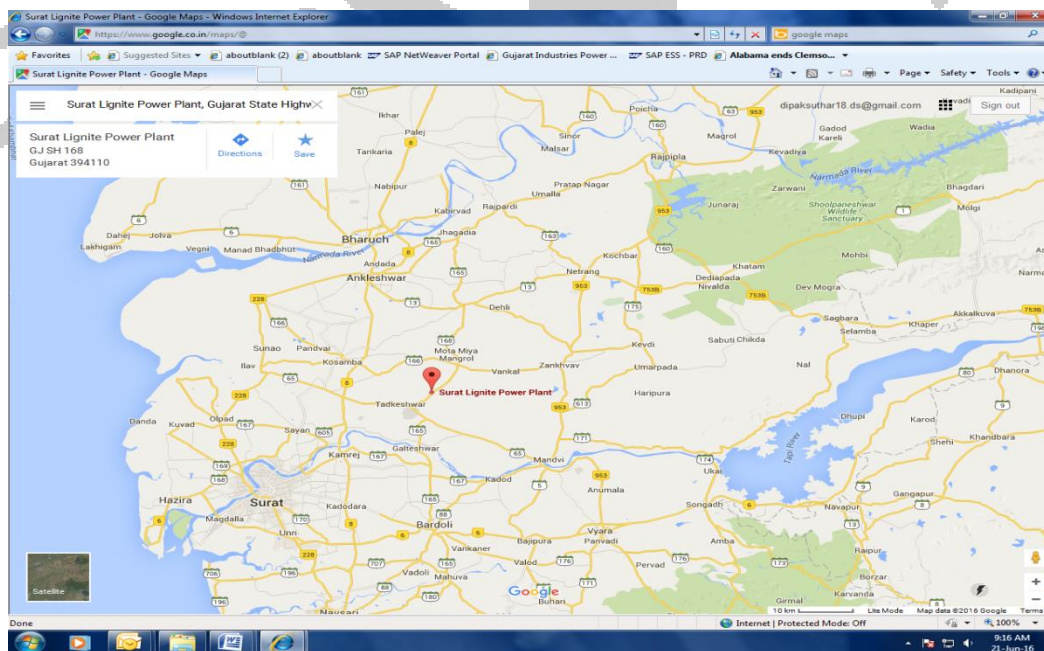

1.1 Plant Synopsis:

Gujarat Industries Power Company Limited (GIPCL) (henceforth be named Company/GIPCL), is a Premier Power Utility in the State of Gujarat with an installed capacity of 810 MW and 5 MW Solar Power Plant. 51 MW Wind Energy Farm Project is under installation and commissioning stage. GIPCL has issued LoI (Letter of Intent) for 26 MW and 71.40 MW Wind Energy Farm Projects. GIPCL has commissioned 1MWp Distributed Solar Power Projects at two locations in Gujarat viz. at Village: Amrol, Dist.: Anand and at Village: Vastan, Taluka Mangrol, Dist.: Surat.

Surat Lignite Power Plant (SLPP) with four units of 125 MW capacity each is located at Village: Nani Naroli, Taluka: Mangrol, District: Surat in Gujarat. GIPCL has also operating its own captive Lignite and Lime Stone Mines close to the Power Plant. The Power Plant is based on Circulating Fluidized Bed Combustion (CFBC) technology for the Boilers, where Lignite is burnt along with Lime Stone in the Combustor of the Boiler.

Surat Lignite Power Plant (SLPP) is accessible by road from Kim and Kosamba, which are on Mumbai-Ahmadabad highway. From Kosamba, SLPP is around 32 KM, out of which 27 KM is part of the National & State Highway and balance 5 KM is District Road. From Kim, SLPP is around 18 KM, out of which 13 KM is the State Highway and balance 5 KM is District Road. The nearest Broad-Gauge Railway Line is at Kim, which is around 21 KM from the SLPP. Surat is approximately 50 KM from the SLPP. Location Map for SLPP is as under.

Note: Plant Synopsis may be updated with respect to plant.

1.2 Location:

The proposed site i.e. Lignite and Limestone Stockyards are situated in the premises of Surat Lignite Power Plant (SLPP) near Mangrol Town of Surat District. This is about 55 kms from the Surat District Head Quarter. The Site can be approached from National Highway (NH-8) connecting Kim Four Road Junction (Kim Char-Rasta), which lies in between Surat and Bharuch. The major road connecting Mangrol and Kim via Tadkeshwar passes through the property.

1.3 Climate:

Climate of the area is subtropical. The annual rainfall recorded during past 15 years ranges between 1200 mm to 2400 mm. The highest precipitation occurs normally from last week of June to last week of Oct. The area in general is more or less flat with some minor undulations. The general slope of the area is towards Kim river flowing from the north eastern part. Kim river is a seasonal river which flows in the northwest direction.

1.4 The Contract:

Contractor have to Cover, Maintain and Withdrawal of Lignite and Limestone Stockpiles by Tarpaulin on Sq. Meter basis near Apron Feeder, Feeder Breaker and In-Plant's Limestone Hopper area. As and when require the opening of side of tarpaulins from the lignite /Limestone heap, on need base as per consumption of lignite/Limestone from said heap, further re-cover-up the open part of the lignite/Limestone heap by Tarpaulin as and when required, as directed by Site I/c of GIPCL. It also include the maintenance of Lignite and limestone stockpile covering, safety and security of tarpaulins & other material used for covering.

1.5 Scope of Work:

GIPCL award the works for, two monsoon seasons

1. For first monsoon seasons i.e. **((i) from 16th May 2025 to 31st Oct 2025 and For second monsoon seasons i.e. (ii) from 16th May 2026 to 31st Oct 2026**
2. Scope of work covering the following:
 1. Total of tarpaulin covering area is about 1,35,000 Sq Meter for one monsoon season but quantity of area will depend solely on the requirement, it may be changed.
 2. The places of Tarpaulin Covering (i.e. covering, maintaining, open & re-cover-up when required and withdrawal works for Lignite /limestone heaps) at Out-Plant Lignite Stockyard 1&2, Out-Plant Lignite Stockyard 3&4 and also at In-plant Limestone/Lignite Stockyards.)
 3. Adequate quantity of required material (i.e. Tarpaulin, Nylon rope, Empty cement Bags etc) for covering of Heaps, will be procured & supply under the scope of successful bidder.
 4. The supply of the empty bags/cement bags with the rope for stitching or tying knots to the bags will be in the scope of the successful bidder.
 5. The transportation facility for the materials (i.e Tarpaulin, 10mm size rope, empty cement bags etc) handling/shifting at work site and one stockyard/site to another stockyards/site, will be under the scope of successful bidder.
 6. After covering of Tarpaulin over the Heap. The rope shall be tied over the Tarpaulins with the help of iron hook grouted on the ground around the lignite/Limestone heap and also lignite/bed ash filled bags placed on Tarpaulins on about two-meter interval (grid pattern).
 7. In rope network, take care that the lignite / bed ash filled bags placed on tarpaulin should be tied with each rope at adequate interval to prevent from shifting of tarpaulin on heap.

Bid No.: SLPP/Mine/Tarpaulin Covering /2025 and 2026

8. Further, in addition to above lignite/bed ash filled bags shall also be placed on Tarpaulins at maximum one-meter interval around the toe of Lignite/Limestone heaps.
 9. Quality, quantity and specification of Tarpaulin, Nylon rope, empty cement bags and other required materials: shall be procured by the successful bidder as per mentioned in Clause 4.1 of tender document.
 10. The method of work execution shall be carried out by the successful bidder as per mentioned in Clause 4.1 of tender document.
 11. The adequate nos. of trained manpower for work execution shall be provided by successful bidder as per mentioned in Clause 4.1
 12. **Supervision and Security of entire materials used for covering of lignite/limestone heaps at stock yard/other places during entire contract period shall be under the scope of successful bidder.**
3. The bid submitted by the bidder not covering the total scope of work and services as detailed out in the tender document shall be liable for rejection.
 4. Quantum of job mentioned against all items in the price bid are indicative only & may vary as per site requirement & not to be construed as maximum or guaranteed quantity. The quantities shown in the price bid are approximate quantities for the contract period and they may vary as per job requirements.
 5. All the miscellaneous activities pertaining to specific work to be executed for satisfactory performance is in the scope of contractor in his quoted rates.

1.6 GENERAL INSTRUCTIONS:

1. The Bidders who are interested in participating in the tender must read and comply with the instructions and the Terms & Conditions contained in the tender documents.
2. The Bids shall be filled in by the Bidders clearly, neatly and accurately. Any alteration, erasures or overwriting shall be liable to make the tender invalid unless the same is neatly carried out and attested over the full signature of Bidder. The decision of the Company to interpret the information and rates filled in by the Bidder shall be final and binding on the Bidder.
3. The Bidders are requested to make themselves fully conversant with the General Conditions of Contract, Special Conditions of Contract, Technical Specifications, Site conditions, Safety & Health Aspects and Norms to be observed etc. before submitting their bids so that no ambiguity arises in these respects subsequent to submission of the Bids.
4. Before quoting the rates, the Bidder should go through the specifications, scope of work etc. and get himself fully conversant with them. The Bid should include cost of mobilization and cost to adhere to all Safety Norms as described in the tender. No relaxation or request for revision of quoted/accepted rates shall be entertained subsequent to the opening of Bid on account of mobilization or Safety costs.
5. Bidder has to submit all the information as per required Bid document. Failure to furnish all the information as per required Bid documents or submission of a Bid containing deviations from the contractual terms and conditions, specifications and requirements, shall be rejected.
6. The Bids shall be submitted within the time frames set out in the Notice Inviting Tender ('NIT') and Bids submitted thereafter shall not be accepted and considered.
7. The tender documents shall not be transferable.
8. The Bidders are expected to examine all instructions, forms, terms & specifications in the Bid documents and to get fully acquainted themselves with all the conditions and matters which may affect the subject matter of the

Bid No.: SLPP/Mine/Tarpaulin Covering /2025 and 2026

work/tender or the cost thereof. If any Bidder finds any discrepancies or omissions in the specifications and documents or any doubt in true meaning or interpretation of any part, he shall seek necessary clarifications in writing if required.

9. Conditional offers shall not be considered and liable to be rejected.
10. The Company reserves the right to extend the deadlines for submission of the Bids by giving amendments.
11. During evaluation of Bids the Company may, at its discretion ask the Bidder (s) for clarification of their Bid. The request for clarification and the response shall be in writing and no change in prices or substance of the Bid shall be sought, offered or permitted.
12. The Company reserves the right to amend/ modify the Bidding documents at any time prior to the deadline for submission of Bids, either at its own discretion or in response to the clarification requested by a prospective Bidder. In such case, the Company may in its discretion extend the deadline for submission of Bids in order to facilitate the prospective Bidders for incorporating the effect of the amendment in their Bids.
13. The Bidders shall bear all costs and expenses associated with the preparation and submission of their respective Bids, to attend meetings or conferences, if any, including any pre-award discussion with the successful Bidder, technical and other presentations etc. and the Company shall not be liable for any expense thereof.
14. If the successful Bidder is a joint venture, formed of two or more companies, the Bidder along with the partners shall accept joint and several responsibilities and liabilities for all obligations under the Contract.
15. Timely and satisfactory completion of the work and strict adherence to the allotted time frames for jobs shall be the essence of the contract.
16. The Company reserves the right to qualify/disqualify any applicant without assigning any reason.
17. The Bidder shall be disqualified if any untrue statement or misrepresentation is made in the Bid forms, attachments and other supporting documents submitted by the Bidder.

1.7 PLANT VISIT / SITE VISIT:

The Bidders are advised to visit the proposed work Site after downloading the tender copy from <https://tender.nprocure.com> or <http://www.gipcl.com> to study the actual working and all other related conditions, before submitting their offer.

It is perquisite and necessary for all interested bidders to visit the site/plant after downloading the tender copy to understand the actual working conditions, compliance related to labour, safety etc. before submitting their offer. Failing which, any consequential liabilities arising will be to bidder's account. The bidders shall examine the site of works and its surroundings at his own responsibility. The bidders shall collect information that may be necessary for preparing the bid and entering into a contract. All costs and liabilities arising out of the site visit shall be at bidder's account.

The bidder is deemed to have examined and understood the tender document, obtained his own information in all matters whatsoever that might affect the carrying out the works expressly mentioned or works which may have to be carried out to fulfill his contractual obligation within the scheduled rates and to have satisfied himself to the sufficiency for his offer.

Bid No.: SLPP/Mine/Tarpaulin Covering /2025 and 2026

The submission of tender by a contractor implies that he has read these instructions, conditions of the contract etc. and has himself aware of the scope, nature of works & specifications of the works to be done. GIPCL will not, therefore after acceptance of contractor's rate, pay any extra charges for any other reason in case the contractor is found later on to have misjudged the site conditions.

Any error in description or quantity or omission in the contract document shall not vitiate the contract or release the contractor from executing the work comprised in the contract according to scope of works, magnitude of the works, requirement of materials, equipment, tools& tackles, labour, etc. Contractor has to complete the work in accordance with the contract documents irrespective of any defects, omissions or errors that may be found in the contract documents.

BIDDER shall inspect the site, examine and obtain all information required and satisfy himself regarding matters such as access to site, communication, transport, working condition including constraint of work place, confined area, quantum of dusting, running equipment, importance of work, round the clock working conditions, safety requirements, temperature of fresh drained hot bed material, right of way, high flood level in River, flow of water during monsoon/dry season in the River/Nallah, the type and number of equipment and facilities required for the satisfactory completion of work, the quantity of various items of the work, the availability of local labour, availability and rates of material, local working conditions, uncertainties of weather, obstructions and hindrances that may arise, etc which may affect the work or cost thereof, before submission of his Bid. Ignorance of site conditions shall not be accepted by the GIPCL as basis for any claim for compensation. The submission of a Bid by the BIDDER will be construed as evidence that such an examination was made. Any later claims / disputes in regard to rates quoted shall not be entertained or considered by the GIPCL.

The rates quoted by BIDDER shall be based on his own knowledge and judgment of the conditions and hazards involved and shall not be based on any representations of the Engineer.

1.8 ELIGIBILITY CRITERIA:

The following criteria shall be adopted for qualifying the Bidders for further proceeding.

Experience taken in the capacity of sub contractor shall also be considered provided experience certificate is issued, by the Main company, for which the contract work is carried out, in the name of sub contractor.

1.8.1 Bidder should possess minimum three years of experience out of last five financial years (FY) (2019-20, 2020-21, 2021-22, 2022-23 and 2023-24) and the current FY in similar nature of jobs like Tarpaulin covering or Manpower supply or Material handling and should enclose proof of the same. Bidder shall submit necessary evidence for the same like attested copies of work orders along with work completion certificates from clients. The work completion certificate shall comprise of quantity, order value and executed value of the work. Bidders should have executed the work directly. The work executed as a sub-contractor or subletting agency shall not be taken into consideration.

1.8.2 Bidder should produce evidence of having experience of successfully completed similar works as defined hereunder during last **last five years** ending last day of the month previous to the one in which tender is invited, satisfactory progress of

Bid No.: SLPP/Mine/Tarpaulin Covering /2025 and 2026

ongoing works etc. secured from clients along with certified copies of documentary evidence preferably photo copies of work experience.

The experience should be either of the following:

1. One similar completed work each costing not less than the amount equal to **Rs 54,35,700**
or
2. Two similar completed work each costing not less than the amount equal to **Rs 36,23,800**
or
3. Three similar completed work each costing not less than the amount equal to **Rs 27,17,900**

Bidder should specifically mention fulfilling of above criteria in his offer along with details of work orders & work completion certificates issued by clients.

5. Erasures or other changes in the Bid Documents shall be initialed by the person signing the Bid.
6. Bids not conforming to the above requirements of signing shall be disqualified.

1.13 MODIFICATION AND WITHDRAWAL OF BIDS:

1. The Bidder may modify or withdraw the bid prior to the deadline prescribed for submission of bids.
2. No Bid shall be modified subsequent to the deadline for submission of Bids.
3. No Bid shall be withdrawn in the interval between the deadline for submission of Bids and the expiration of the period of bid validity.

1.14 POLICY FOR BIDS UNDER CONSIDERATION:

1. Bid shall be deemed to be under consideration immediately after opening of the bid and till official intimation of award/rejection made by the Company to the Bidders.
2. While the Bids are under consideration, Bidders and / or their representative or other interested parties are advised to refrain from contacting by any means, the Company. The Engineer, if necessary, will obtain clarifications on the Bids by requesting for such information from any or all the Bidders, in writing as may be necessary. The Bidder will not be permitted to change the price or substance of the Bid after the Bid has been opened.

1.15 EFFECT AND VALIDITY OF THE BID:

1. The Bid should be kept valid for acceptance for a period of one hundred and eighty (180) calendar days from the last date of submission of Bids.
2. The submission of any Bid along with the required documents and

Bid No.: SLPP/Mine/Tarpaulin Covering /2025 and 2026

specifications shall constitute an agreement that the Bidder shall have no cause of action or claim, against the Company for rejection of his Bid. The Company shall always be at liberty to reject or accept any Bid or Bids at his sole discretion and any action will not be called into question and the Bidder shall have no claim in that regard against the GIPCL.

1.16 OPENING OF BIDS:

The GIPCL will open the pre-qualification/Technical Bid/price Bid, as the case may be, in presence of Bidder's representatives whenever such a procedure has been specified. Otherwise the tender will be opened by the authorized officers of GIPCL.

1.16.1 Preliminary Examination:

The Company will examine the Bids for any computational errors, for sureties furnished by bidder, for authentication of documents submitted and completeness of the Bids.

1.16.2 Arithmetical errors will be rectified on the following basis:

1. If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price will be corrected & will be binding to the bidders
2. If there is a discrepancy between the Total Bid Amount and the sum of total prices, the sum of total prices shall prevail and the Total Bid Amount will be corrected & will be binding to the bidders.

1.17 EVALUATION & COMPARISON OF BIDS:

1.17.1 GIPCL shall evaluate the Bids received and accepted by it to ascertain the lowest evaluated Bid in conformity with the specifications of the tender documents.

1.17.2 The Technical Bids will be examined for minor matters regarding qualification of bids. Subsequent to correspondence with the respective bidders, the decision of Tender Committee will be final.

1.17.3 All responses to requests for clarifications shall be in writing and shall be presented to the Company through e-mail or in a sealed envelope on or before the given date requested by the Company. If the Technical clarifications sought by the Company do not reach the Company on or before due date, the Bid will be rejected.

1.17.4 The comparison of all the Bids shall be carried out with reference to the scope of work as per the technical specification. Any deviation/omission shall be evaluated at highest quoted price of the deviation/omission quoted by any of the Bidder. In case a separate price (for omission) is not given by any other Bidder, a reasonable price of the same shall be taken & the same shall be binding to the Bidders.

1.17.5 The commercial deviation, if any, shall be loaded to bring all the Bids at par. The loading shall be carried out at an interest rate of 2% above PLR of SBI.

1.17.6 A Bid to be substantially responsive shall be one which on evaluation confirms to all the terms, conditions and specifications of the Bid documents without any material deviation or reservation.

1.17.7 For the above referred purpose, a 'material deviation' shall be one which:

1. Which affects in any substantial way the scope, quality or performance of the contract, or
2. Which limits in any substantial way and in a manner inconsistent with the Bid documents, GIPCL's right or the Bidder's obligations, under the contract, or
3. Whose rectification would affect unfairly the competitive position of other Bidders presenting substantially responsive Bids.

1.18 RIGHT OF REJECTION OF TENDERS:

1.18.1 GIPCL reserves the right to accept or reject any Bid or to cancel the Bidding process and reject all Bids at any time prior to award of contract, without thereby

Bid No.: SLPP/Mine/Tarpaulin Covering /2025 and 2026

incurring any liability to the affected Bidder or Bidders or any obligation to inform the affected Bidder or Bidders regarding the same.

1.18.2 Any Tender without EMD and Tender fee will be treated as non responsive and shall be rejected at the outset & no further correspondence shall be entertained regarding this.

1.18.3 GIPCL reserves the right to debar any Bidder from participation in future Bids if such Bidder has quoted an abnormally low rate in the Bid document/price Bid.

1.19 AWARD OF CONTRACT:

1.19.1 GIPCL will award the contract to that bidder whose quotation has been determined to be substantially responsive and evaluated as the lowest quotation in conformity with the requirements of the specifications and documents contained herein, provided further that the bidder is determined and evaluated to be qualified to perform the contract satisfactorily.

1.19.2 The successful bidder shall be intimated of his selection through the Letter of Intent or Letter of Award/ Work Order which shall be sent to him through e-mail, courier, fax or registered mail.

1.19.3 GIPCL reserves the right to cancel/short close the contract during the contract period without assigning any reason.

1.19.4 GIPCL reserves the right to split the contract quantity between vendors.

1.20. CONTRACT PERIOD:

1.20.1 The contract will be for a period of 2 monsoon season year 2025 and 2026

1. For first monsoon seasons i.e. **i) from 16th May 2025 to 31st Oct 2025**

2. For second monsoon seasons i.e. **(ii) from 16th May 2026 to 31st Oct 2026** the date of actual commencement of operation of the contract as stated in the Work Order ('Contract Period').

1.20.2 GIPCL reserves the right to extend the Contract Period up to 3 months on the same rates and terms and conditions without any price escalation and entering into any new contract.

1.20.3 The said Contract Period can be extended if mutually agreed upon by both the parties up to one year and in such a case a revised work order shall be issued at the same rates and terms & condition or at negotiated rates acceptable by both parties i.e. the Company & the Contractor.

1.21. ASSIGNMENT AND SUB-LETTING:

The Contractor shall not directly or indirectly assign or sub-let total/any part of the contract to any other party or agency.

1.22. CONTRACTOR'S OBLIGATIONS:

A. Deployment & Responsibility Of Manpower

1. The Contractor shall deploy suitably qualified and sufficient manpower for timely & satisfactorily execution of the works under the contract.

2. The Contractor shall deploy sufficient skilled, Semi-skilled and Un-skilled manpower separately to properly complete the job in given/scheduled time.

3. The Contractor shall depute its own workmen/labor with proper identification to enter the plant premises after ensuring that the jobs are scheduled.

4. At the time of deploying manpower, the Contractor shall strictly comply all the applicable labor laws/Acts norms including but not restricted to the age of the workers, women workers and shall also ensure that a police verification and security check for all the workmen/labor engaged at the GIPCL site is done and necessary documents regarding the same shall be submitted to the GIPCL's authorized representative/officer-in-charge. Any default in complying with the same or any misrepresentation

Bid No.: SLPP/Mine/Tarpaulin Covering /2025 and 2026

regarding compliance of the same shall compel GIPCL to initiate appropriate civil or criminal proceedings regarding the same.

5. The Contractor shall also comply with the safety requirements and provide his workmen/labor with safety equipment like helmets, masks, gum boots, a uniform and other necessary PPEs for properly undertaking the operations involved under this contract.
6. Contractor shall nominate /authorize senior experienced person in writing as site in charge to co-ordinate with GIPCL engineer and who shall bear overall responsibility for performance of the contract. Such person shall remain always available at site or site office allotted to the contractor at SLPP site. Contractor has to submit the authority letter and documentary proof for the same.
7. The Contractor shall appoint a supervisor who shall co-ordinate with GIPCL's Engineer In - Charge for daily entrusted job. They have to maintain daily records dully signed for the works carried out and duly certified by Engineer-In-Charge. The Contractor in co-ordination with the Engineer-In-Charge shall ensure the availability of adequate manpower to carry out the job satisfactorily on a daily basis. As per the instruction of Engineer-In-Charge they have to allot the work and execute the same in specified time limit.
8. During execution of the works, one or more jobs may be required to be done simultaneously and the Contractor shall mobilize additional resources accordingly.
9. During emergency or similar situations the Contractor shall be required to mobilize resources as per need within the period of 04 hours as directed by GIPCL. If the contractor fails to mobilize sufficient manpower to complete the job in time, GIPCL will execute the job through other agency at the risk and cost of the contractor with 15% supervision charges & the same will be recovered from the Contractor's bill.
10. **Important Note: Whenever any emergency or heavy rain or wind at SLPP site, the contractor shall mobilize sufficient work force at site immediately from the time of intimation to the site-in-charge. loss occurred due to want of manpower as well as resources & tractors will be viewed very seriously and will invite appropriate punitive measures as decided by competent authority.**
11. During working in high risk area like hot lines of steam/ water/ oil the workman must wear a suitable safety apron, safety belt, safety hand gloves and goggles. It is the contractor's/contractor's supervisor's responsibility to ensure it without fail.
12. During unit overhauling, the contractor has to enhance the site manpower as per the requirement to ensure the timely completion of work (During overhauling period quantum of work increases substantially). For this, enhanced work shall be completed by deploying additional manpower with separate supervisor. Payment will be made on item rate basis only. The work during the overhauling period is to be carried out round the clock. Contractor should mobilize sufficient number of manpower and execute the work in all shifts with independent manpower. Contractor should not continue the same manpower for more than 12 hours.

B. Tools & Tackles:

1. All tools and tackles required to execute the contract are in the scope of the contractor. The contractor should ensure that tools and tackles are in healthy & working condition. All consumable items would be in the scope of the contractor.

Bid No.: SLPP/Mine/Tarpaulin Covering /2025 and 2026

Note: If work is suffered due to want of sufficient manpower, tools & tackles, vehicles, equipments and/or required consumables then 25% of the total job cost will be levied as a penalty for each and every instance.

2. For proper execution of the work as per the scope, the contractor is required to maintain sufficient quantity of tools & tackles with tractors & hydraulic trolleys in good working condition at site as per day to day work load and emergency situations to complete the work in stipulated time.
3. In case of breakdown of equipment, the contractor should work round the clock for putting back the area in service immediately within minimum time. In case of any emergency arising during night hours the contractor should be in a position to mobilize the manpower immediately within minimum time.
4. Arrangement for lighting at the work spot has to be made by the contractor. He has to arrange all lighting equipment such as power cable, hand lamps. The contractor has to take prior approval for taking electrical power supply. The contractor should keep hand lamps of 24Volt for confined space and sufficient quantity of 240 Volt and halogen lamp for other area ensuring safety at work place
5. Pin sockets of IS standards should be used for all connections. For any accident take place & any damage to the equipment and/or injury to human due to carelessness in loose connection, contractors will be held responsible & liable for any recovery/actions.

1.23 CLARIFICATION OF BIDDING DOCUMENTS:

If any Bidder requires any further information or clarification in the Bidding Documents, may notify the Company before one week of last date of submission of online Bid, in writing or by E-mail at the GIPCL's mailing address pcgoval@gipcl.com as indicated in the 'Invitation to Bids'. The GIPCL's response (including an explanation of the query) will be sent in writing or by E-mail to all prospective Bidders who have received the Bidding Documents.

1.24 TIME SCHEDULE:

The basic considerations and the essence of the 'Contract' shall be the strict adherence to the time schedule for performing the specified 'Works'

1.25 UNDERSTANDING AND CLARIFICATION ON DOCUMENTS AND SPECIFICATION:

The Bidder is required to carefully examine the specifications and documents, all the conditions and matters work wise & cost wise. If any Bidder finds any discrepancies or omissions in the specifications and documents or is in doubt for any meaning of any part, he shall request in writing for an interpretation/clarification to the GIPCL.

All such interpretations and clarifications shall form a part of the Bid documents.

1.26 PAYMENTS:

All the payments against the work order shall be in Indian currency and payable through cheque/RTGS only.

1.27. POINTS TO BE CONSIDERED DURING QUOTING ONLINE PRICE BID:

1. The schedule of rates shall be read in conjunction with Instructions to Bidders, General conditions of contract, Special conditions of contract and Technical specifications.
2. The quantities given in the schedule of rates are estimated and will be made as per actual work carried out as per the rates of work order.
3. The method of measurement of completed work for payment shall be in accordance with the method of measurement specified in the

Bid No.: SLPP/Mine/Tarpaulin Covering /2025 and 2026

4. No separate amount shall be payable for use of auxiliary equipment incidental to or in day to day operation in the course of fulfillment of contractual obligation of the supplier.

Note: Interested bidders are requested to submit the online tender at least two days in advance from the due date set for on line submission of bid in order to avoid non participation of e-tender due to probable technical problem in e-tender system.

1.28

QUANTITIES:

The quantities specified are estimated and for tendering purpose only. Payment will be made, based on actual work done as certified by Engineer-in-charge of GIPCL.

Quantities of individual items may be revised during the course of contract period based on site requirement. Contractor shall not be entitled for any compensation on ground of such alteration in scope of work. GIPCL reserves the right to operate or increase/decrease quantities in each item or omit any item included in Schedule of Quantity at his discretion. Contractor shall have no claim, whatsoever, on grounds of loss of anticipated profit etc. on account of the same.

After commencement of the work, GIPCL, for any reason may not require to be carried out the whole/part of the work as specified in the tender, the ENGINEER-in-charge shall inform the fact for thereof to the CONTRACTOR and contractor shall have no claim for any payment or compensation whatsoever on account of any profit or advantage which he might have derived from the execution of the work in full but which he did not derive in consequence of the full amount of the work not having been carried out nor shall he have any claim for compensation by reason of any change having been made in the original specifications and instructions which shall involve any curtailment of the work as originally contemplated.

SECTION – III

GENERAL CONDITIONS OF CONTRACT

3.1 **CONTRACT SECURITY DEPOSIT/ PERFORMANCE BANK GUARANTEE:**

As a Contract Security, the successful Bidder, to whom the work is awarded, shall be required to furnish a Performance Bank Guarantee (PBG)/Contract security deposit in favour of Gujarat Industries Power Company Limited for guarantee amount at ten percent (10%) of the "Annual Contract Price excluding GST" from any Schedule Public Sector Bank or Schedule Private Sector Bank in the format attached in **SECTION-VII**, and it shall guarantee the faithful performance of the 'Contract' in accordance with the terms and conditions specified in these documents and specifications. Contract security deposit shall be submitted strictly within twenty one days from the date of LoI or work order, whichever is earlier. The guarantee shall be valid up to retention period of three months from the contract completion date. The Guarantee amount shall be payable to the Company in Bidder's home currency without any condition whatsoever.

GIPCL reserves the right to forfeit Performance Bank Guarantee (PBG)/Contract security deposit.

The Performance Bank Guarantee (initial security deposit) will be returned to the Vendor/Contractor without any interest at the end of the 'Retention Period' after completion of contract and on fulfilling contractual obligations throughout the retention period. However, any delay in submission of SD will result in equivalent late release of entire SD after guarantee period.

Bid security /EMD should be refunded to the successful bidder on receipt of performance Security.

3.2 **RECOVERY CLAUSE:**

The Successful Bidder shall execute of the stockpile covering work and maintenance of Lignite stockpile covering with filled bags along with ropes and security of material.

1. Adequate nos. of trained manpower (at least 08 manpower in each shift +1 supervisor in General Shift) should be available at any time for following works
 - (a) For covering, removing and re-covering of tarpaulin on Lignite and Limestone heaps for plant consumption in order to keep the stockpiles dry from rainwater.
 - (b) To inform in case of smoke, fire in lignite heaps or any failure of the system.
 - (c) Maintenance of Lignite stockpile covering & security of material used for covering
2. **If any part of the Out-Plant lignite heaps and In-Plant Limestones heaps remains uncovered & become wet with rain, due to deployment of inadequate manpower or any other reason, the un-covered part will be measured by the GIPCL officials and the amount equivalent to double the unit rate of covering on prorata basis for one month period or balanced period of contract will be recovered from the contractor's RA Bill. In this matter Engineer (I/c) decision will be final.**

3. LD for Quality of Tarpaulin: in case the quality of tarpaulin procured by the successful bidder is not found as per tender Clause 4.1.2 than **LIQUIDATED DAMAGES (L.D)** shall be applicable and also on following conditions.

- (a) GIPCL reserved the right to evaluate the quality of tarpaulin by committee of GIPCL's officials or Government recognized agency / third party.
- (b) The tarpaulin quality evaluation will be carried out on random sampling basis before use.
- (c) The evaluation result of tarpaulin will be average out and will be applicable for whole tarpaulins supplied quantity of the day/lote.
- (d) GSM:- The tarpaulin should be 250 GSM (+/- 2% tolerance) i.e. not less than 245 GSM. **If tarpaulin found below 245 GSM the amount equivalent to double the unit rate of tarpaulin on prorata basis on supplied quantity.**

if tarpaulin found below 225 GSM the whole tarpaulins supplied quantity of the day will be considered reject and GIPCL will not permit for use.

Tarpaulin quality should be as per Indian standard IS 7903:2017 type II
The evaluation result of tarpaulin will be average out and will be applicable for whole tarpaulins supplied quantity of the day/lote.

4. In case of any damage of material/fuel/equipment/machinery due to negligence of contractor or any other reasons attributed to contractor the decision of Engineer-in-charge regarding the amount of recovery shall be final and binding subject to a maximum of 10% of contract value. Recovery will be affected from the monthly bills and/or retention money/security deposit.
5. If the contractor fails to execute the work as per directions of Engineer (I/c) within the time frame given in work order and as per day to day instructions by Engineer-in-charge, If required GIPCL shall get the work done by third party at the risk & cost of the contractor with 10% additional overhead charges of GIPCL.

3.3 ASSIGNMENT AND SUBLETTING OF THE CONTRACT:

The contractor shall not assign or sub-let any part of the contract to any other part or agency without written permission from GIPCL.

3.4 DEDUCTIONS FROM CONTRACT PRICE:

All costs, charges or expenses that GIPCL may have paid, for which, under the contract the contractor is liable, shall be recovered by the GIPCL. The contractor shall pay all such claims within 15 days of claim failing which the same shall be deducted from the bills of contractor.

3.5 TERMINATION OF CONTRACT BY GIPCL:

Contractor shall be responsible to complete the jobs within agreed time schedule and in case contractor fail to complete the job, GIPCL shall recover from his bill, Security Deposit and / or whatsoever for expenses incurred to complete the job with additional **10%** overhead charges.

In case if contractor's services are not found satisfactory with respect to mobilization, time bound completion of work, workmanship & safety (policy of GIPCL) then GIPCL has right to terminate the contract at any time by giving him 15 days advance notice without assigning any reason and will make the alternate arrangement at the risk & cost of contractor.

Bid No.: SLPP/Mine/Tarpaulin Covering /2025 and 2026

GIPCL may terminate the contract after due recoveries of pending jobs/damages after giving 15 days advance notice to the contractor if any of the following events occur –

1. Contractor is adjudged as insolvent.
2. Contractor has abandoned the contract.
3. Contractor fails to proceed with the work with due diligence as per requirements of the contract.
4. Contractor has neglected or failed persistently to observe or perform any of the acts, matters or things, which as per the contract are to be observed and performed by the contractor.
5. Contractor repetitively violating the safety norms for more than three incidents.
6. Any major contradiction of applicable labour laws.
7. Any major deviations from contractual terms and conditions including quality of job.
8. GIPCL reserves the right to terminate the contract without giving any reason whatsoever and forfeit the PBG

3.6 FAILURE & TERMINATION

If the CONTRACTOR after receipt of written notice from the GIPCL/ ENGINEER requiring compliance, with such further drawings and / or the GIPCL /ENGINEER instructions fails within seven days to comply with the same, the GIPCL /ENGINEER may employ and pay other agencies to execute any such work whatsoever as may be necessary to give effect thereto and all costs incurred in connection therewith shall be recoverable from the CONTRACTOR by the GIPCL on a certificate by the GIPCL/ENGINEER as a debt or may be deducted by him from any money due or to become due to the CONTRACTOR.

If the contractor fails to execute the work or fails to mobilize the resources and equipments as per directions of GIPCL / ENGINEER within the time frame given and/or violating the GIPCL's safety rules & regulations, ENGINEER/ GIPCL shall get the work done by third party at the risk & cost of the CONTRACTOR with additional **10%** overhead charges of GIPCL and all costs incurred in connection therewith shall be recoverable from the CONTRACTOR by the GIPCL /ENGINEER as a debt or may be deducted by him from any money due or to become due to the CONTRACTOR.

3.7. SETTLEMENT OF DISPUTES

1. Any disputes or difference of opinion between parties arising out of the contract to the extent possible shall be settled amicably between the parties. If amicable settlement cannot be reached all the disputed issues shall be resolved through arbitration before a Sole Arbitrator appointed by Managing Director, GIPCL according to the provisions of The Arbitration & Conciliation Act, 1996. The place of arbitration shall be at Surat/Vadodara or any other place within state of Gujarat.
2. Work under the contract shall be continued by the contractor during arbitration proceedings unless GIPCL shall order suspension thereof or any part thereof in writing or unless the matter in such work cannot possibly be continued unless the decision of the Arbitration proceedings is obtained.

3.8 INTERPRETATION OF CLAUSE

In case of disputes as regards interpretation of any of the clauses or specification, the decision of General Manager (Mines)/HOM - GIPCL will be final and binding on the contractor

3.9 EMPLOYEE'S COMPENSATION INSURANCE

Contractor shall take all risk Insurance Policy to cover all his workmen/employees, staff applicable under the Employee Compensation Act 1923 or any amendment thereof as also insurance cover for third party liability. The contractor shall keep the GIPCL indemnified from all liabilities arising out of his action in pursuance of this contract. The E. C. Policy should be obtained from Surat Jurisdiction and shall be assigned to GIPCL. EC policy should cover the specified contract period.

Contractor shall also obtain additional off-duty coverage insurance policy for all his workers as per clause no. 3.24 herein under.

3.10 STATUTORY REQUIREMENTS

a. COMPLIANCE OF LABOUR LAWS

It is to be noted that large scale industries and trading firms have been excluded from the purview of the Act.
20. GIPCL is an ISO 9001, ISO 14001, OHSAS 18001 & ISO 50001:2011 (EnMS) certified company, and GIPCL gives extreme importance to maintain these global standards. Contractor shall be required to observe these standards while working with GIPCL. Contractor should ensure that his workmen/labour work in accordance with them.

3.19

CONTRACTOR'S SUPERVISION:

The contractor shall, during the whole time the work is in progress, employ a qualified experienced site-in-charge of the works with adequate experience in handing of jobs of this nature and with the prior approval of the GIPCL / ENGINEER. Such in-charge shall be constantly in attendance at the site during working hours. During CONTRACTOR'S supervisory engineer absence during working hours, if unavoidable, and also beyond working hours, when it may be necessary to give directions, orders may be given by the ENGINEER / GIPCL and shall be received and obeyed by the CONTRACTOR'S superintendent or Foreman who may have charge of the particular part of the work in reference to which orders are given. If requested to do so, the ENGINEER /GIPCL shall confirm such orders in writing. Any directions, instructions or notices given by the ENGINEER / GIPCL to him, shall be deemed to have been given to the CONTRACTOR. The representative of the CONTRACTOR shall have all necessary powers to receive materials from the GIPCL, issue valid receipts for the same, engage labour or purchase materials and proceed with the work as required for speedy execution.

None of the CONTRACTOR'S Superintendents, engineers, supervisors or labour should be withdrawn from the work without due notice being given to the GIPCL / ENGINEER; further no such withdrawals shall be made if in the opinion of the GIPCL / ENGINEER such withdrawals will jeopardize the required pace of progress / successful completion of the work.

The CONTRACTOR shall employ in or about execution of the work only such persons as area careful, skilled and experienced in their respective trades, and the GIPCL shall be at liberty to object to and require the CONTRACTOR to remove any person employed by the CONTRACTOR in or about execution of works who in the opinion of the ENGINEER misconducts himself or is incompetent or negligent in the proper performance of his duties and all such persons shall not again be employed upon the works without the prior permission of the GIPCL.

Neither the CONTRACTOR and the PURCHASER nor the ENGINEER shall hire or employ any employee of the other party except by mutual consent.

3.20 CONTRACTOR TO REMOVE ALL OFFENSIVE MATTER IMMEDIATELY AND CLEAN-UP:

All loose materials, wastage, packing materials, cut pieces or other matter of an offensive nature shall not be deposited on the surface, but shall at once be carted away by the CONTRACTOR to some pit or place provided by him away from the site of work and approved by local authorities.

As a part of the work included in this contract, the CONTRACTOR shall completely remove and satisfactorily dispose of all temporary works to the extent directed. He shall tear down and dispose of all temporary works, shall remove or grade, to the extent directed, all plant and equipment, shall satisfactorily dispose off all rubbish resulting from the operations under this contract and shall do all work necessary to restore the territory embraced within the site of his operations to at least as good order and conditions as at the beginning of the work under this contract.

3.21 FACILITIES TO BE PROVIDED BY GIPCL:

- A.** The Company shall provide the following facilities to the Contractor at the site:
- Electricity & water at nearest available one point. Further distribution to be done by contractor at their cost.
 - Quarter(s) for supervisor/ engineers on chargeable basis in GIPCL's township at discretion of GIPCL if available.
 - Workshop facility as available at site only. However contractor may visit the workshop to ensure the existing facility. For the facilities other than available, contractor has to carry out the job outside at their own cost.
 - Site office shall be provided at site.
 - First aid facilities as available on chargeable basis.

Apart from the above, no other facilities shall be provided by GIPCL.

- B.** GIPCL shall also conduct an orientation program appraising the workmen regarding the safety norms and measures to be observed during work operations at the site.

3.22 WORK MEASUREMENT/CERTIFICATION:

- The work to be performed being a specialized nature, the contractor should be fully conversant with modern practices and should be able to carry out

Bid No.: SLPP/Mine/Tarpaulin Covering /2025 and 2026

works independently of large thermal power plant. The contractor shall therefore be required to engage qualified/ experienced personnel to undertake the work as per specifications and requirement.

2. Contractor should maintain one computer with printer for keeping daily records and maintain the data.
3. The Contractor shall be required to furnish satisfactory job completion report to GIPCL. The submission of report should be on daily basis, the monthly bill payment shall be released based on the certified reports of the works.
4. Inspection of work will be done by Engineer in Charge or his authorised representative. If the work is not found satisfactory engineer in charge reserves the right to take suitable action and shall be binding to the contractor.

3.23 BENEFIT PAYABLE IN CASE OF ACCIDENT OCCURRING OUTSIDE PREMISES OR BEYOND THE COURSE OF EMPLOYMENT

The Contractor shall provide an insurance coverage (Medical + Death Benefit) for sum of Rs. 01/-Lakh to all his workmen/labour deployed at GIPCL-SLPP site for the accident taking place anywhere outside the Company premises or at any place when the workman is not in course of his employment.

3.24 FORCE MAJEURE:

The performance of the obligations herein contemplated may be suspended without incurring the penalty in the event of the subsistence of Force Majeure conditions.

If a Force Majeure situation arises, the affected Party shall promptly notify the other Party in writing of such conditions and the performance shall be suspended as per mutual agreement.

For the purposes of this clause, 'Force Majeure' means an event beyond the control of the Party and not foreseeable by the Party and shall include events of floods, explosions, riots, wars, hurricane, epidemics, any other Act of God, quarantine restrictions, terrorism, government actions and provided always that such acts result in the impossibility of the further performance of the contract.

3.25 INDEMNITY:

The Contractor shall indemnify and keep harmless GIPCL from and against all actions, proceedings, claims, demands, losses, costs, damages and expenses whatsoever which may be brought against or suffered by GIPCL which it may sustain, pay or incur as a result of or in connection with the performance/ purported performance/ non-performance of the contract by the Contractor.

In case, in any litigation pertaining to labour employed through contractor if any direction or order is issued by court at any point of time the contractor shall comply with and implement such direction or order whether passed at the time of award of contract or during the pendency of contract. Further, the Contractor shall indemnify the GIPCL against all consequences arising and affecting GIPCL owing to the compliance of the orders by the Contractor.

3.26 GOVERNING LAW AND JURISDICTION:

This tender document and contract shall be governed by the laws of India and the Courts at Surat shall have jurisdiction regarding the same.

Where any portion of the General Condition of Contract is repugnant to or at variance with any provisions of the Special Condition of Contract, then unless a different intention appears, the provision of the Special Conditions of Contract shall prevail to the extent of such repugnancy of variance.

SECTION- IV

SPECIAL CONDITIONS OF THE CONTRACT

4.1 **DETAIL SCOPE OF WORK:**

4.1.1 **Description of work:**

Rate Contract for Covering of Lignite and Limestone Stockpiles by Tarpaulin, It's Maintenance and Withdrawal for the period of two monsoon seasons i.e.

- (i) **from 16th May 2025 to 31st Oct 2025 and**
- (ii) **from 16th May 2026 to 31st Oct 2026** at SLPP Power Plant.

Contractor have to Cover, Maintain and Withdrawal of Lignite and Limestone Stockpiles by Tarpaulin on Sq. Meter basis near Apron Feeder, Feeder Breaker and In-Plant's Limestone/Lignite Hopper area.

As and when require the opening of side of tarpaulins from the lignite /Limestone heap, on need base as per consumption of lignite/Limestone from said heap, further re-cover-up the open part of the lignite/Limestone heap by Tarpaulin as and when required, as directed by Site I/c of GIPCL.

It also include the maintenance of Lignite and limestone stockpile covering, safety and security of tarpaulins & other material used for covering.

Scope of work include the following:

1. Total of tarpaulin covering area is about **1,35,000 Sq Meter** for one monsoon season but quantity of area will depend solely on the requirement, it may be changed.
2. The places of Tarpaulin Covering (i.e. covering, maintaining, open & re-cover-up when required and withdrawal works for Lignite /limestone heaps) at Out-Plant Lignite Stockyard 1&2, Out-Plant Lignite Stockyard 3&4 and also at In-plant Limestone/Lignite Stockyards.\
3. Adequate quantity of required material (i.e.Tarpaulin, Nylon rope, Empty cement Bags etc) for covering of Heaps, will be procured & supply under the scope of successful bidder.
4. The supply of the empty bags/cement bags with the rope for stitching or tying knots to the bags will be in the scope of the successful bidder.
5. The transportation facility for the materials (i.e Tarpaulin, 10mm size rope, empty cement bags etc) handling/shifting at work site and one stockyard/site to another stockyards/site, will be under the scope of successful bidder.
6. After covering of Tarpaulin over the Heap. The rope shall be tied over the Tarpaulins with the help of iron hook grouted on the ground around the lignite/Limestone heap and also lignite/bed ash filled bags placed on Tarpaulins on about **two-meter interval (grid pattern)**.
7. In rope network, take care that the lignite / bed ash filled bags placed on tarpaulin should be tied with each rope at adequate interval to prevent from shifting of tarpaulin on heap.
8. Further, in addition to above **lignite/bed ash filled bags shall also be placed on Tarpaulins at maximum one-meter interval around the toe of Lignite/Limestone heaps.**
9. Quality, quantity and specification of Tarpaulin, Nylon rope, empty cement bags and other required materials: shall be procured and supply by the successful bidder as per mentioned in Clause 4.1.2 of tender document.

Bid No.: SLPP/Mine/Tarpaulin Covering /2025 and 2026

10. The method of work execution shall be carried out by the successful bidder as per mentioned in Clause 4.1 of tender document.
11. The adequate nos. of trained manpower for work execution shall be provided by successful bidder as per mentioned in Clause 4.1
12. **Supervision and Security of entire materials used for covering of lignite/limestone heaps at stock yard/other places during entire contract period shall be under the scope of successful bidder.**
13. During first monsoon seasons i.e (i) **from 16th May 2025 to 31st Oct 2025** - Total area admeasureing about 1,35,000 Sq Meter.
14. During second monsoon seasons i.e (ii) **from 16th May 2026 to 31st Oct 2026** Total area admeasuring about 1,35,000 Sq Meter.

4.1.2 Procurement and supply of Materials:

All material required for covering shall be procured and supply by the successful bidder.

4.1.2.1 TRAPAULIN:

The 250 GSM tarpaulin required for covering of Lignite/Limestone stockyard shall be procured and transported to the site by the successful bidder.

1. In view of ease in execution of the work, the contractor has to finalise the size of the tarpaulin before procurement, only after consultation with GIPCL official. In general the size of tarpaulin is 30 m x 10 m to be considered for covering.
2. **Tarpaulin Quantity**
 - (a) Tarpaulin quantity for first monsoon season - For this work, considering the 20% overlapping (minimum 1.5 Metrs) of tarpaulin required to prevent in rush of rain water approx **1,62,000 Sq Meter** of tarpaulin will be required for covering of 1,35,000 Sq Meter area during first monsoon seasons i.e. (i) period from 16th May 2025 to 31st Oct 2025. The actual quantity of tarpaulin may vary depending upon the sizes of the tarpauliun pieces used.
 - (b) Tarpaulin quantity for second monsoon season - For this work, considering 85% of good condition of quality tarpaulin recovered from first monsoon season, Therefore, for second monsoon season atleast around 30,000 Sq Meter new tarpaulin will be required in addition to available used tarpaulin of first season.
 - (c) The above tarpaulin quantity solely depend upon recovery of first season tarpaulin quantity after completion of first monsoon season and actual tarpaulin require for covering in second season by GIPCL.
Further, for covering of In-plant Limestone heaps only New 250 GSM Tarpaulins will be used in second monsoon season.
- a) The actual quantity of tarpaulin may also vary depending upon the sizes of the tarpauliun pieces used considering the overlapping (minimum 1.5 Metrs) of tarpaulin required to prevent in rush of rain water.
3. **Tarpaulin quality:- as per Indian standard IS 7903:2017 type II**
 - (i) **The tarpaulin made from High Dencity Polyethylene (HDPE) woven fabric laminated on both side for use as protecting covering.**
 - (ii) **250 GSM with ISI mark and test certificate**
 - (iii) **Made from Pure virgin polyethylene, Zero percent filler**
 - (iv) **High tensile strength and puncture resistance**
 - (v) **Light weight and easy of handling**
 - (vi) **Suitable to cover irregular shape (outstanding flexibility)**
 - (vii) **Tough and durable two monsoon season**
 - (viii) **Heat sealed hemming with strong joint; no stitches**

Bid No.: SLPP/Mine/Tarpaulin Covering /2025 and 2026

- (ix) **Fire retardant,100%waterproof, leak proof weather proof and rot proof**
- (x) **100% recyclable, environment friendly**
- (xi) **Strong aluminum passivity eyelets**
- (xii) **The tarpaulin shall be new and the tarpaulin should not used earlier and should be available for first use only.**

GIPCL reserved the right to evaluate the quality of tarpaulin by committee of GIPCL's officials / Govt recognized third party. The decision of GIPCL in this regard will be final and binding upon the contractor.

- 4. **During covering of Lignite / Limestone heaps, the overlapping of Tarpaulins shall be done in such a way that there is no inrush of rain water through corners, sides and joints of Tarpaulins.** Further, there should also be taken care that no misuses of Tarpaulins due to overlapping. In general, during covering lignite/Limestone heap overlapping of Tarpaulins from each other should be at least 1.5m side by side.
- 5. **After completion of the total assigned contract works, the used tarpaulin will be the property of the successful bidder.**

4.1.2.2 NYLON ROPE:

The 10.00 mm dia nylon rope required for covering of Lignite/Limestone stockyard shall be procured and transported to the site by the successful bidder.

- 1. 10.00 mm dia nylon rope for tying over the tarpaulins (Rope network) to support tarpaulin. The quality of rope used for tying over the tarpaulins (for Rope network) shall be strong enough to sustain at least one monsoon season.
- 2. Nylon Rope quantity
 - (a) for first monsoon season - The rope of about 25000 meter of 10 mm dia will be required for tying over the tarpaulin (Rope network of 2X2 Sq Meter grid pattern). The rope network is required to protect the displacement of tarpaulin due to wind and rain storm.
 - (b) for Second monsoon season - The rope of about 25000 meter of 10 mm dia will be required for tying over the tarpaulin (Rope network of 2X2 Sq Meter grid pattern). The rope network is required to protect the displacement of tarpaulin due to wind and rain storm.
- 3. In rope network, the position of each rope in each frame (i.e. both horizontal and vertical position) should be at adequate interval to protect lignite /Limestone form rainwater as well as to protect Tarpaulins from windstorm / rainstorm on the top of lignite /Limestone stockpile/heap.

4.1.2.3 EMPTY CEMENT BAGS:

- 1. **Empty Cement Bags Quality & Quantity**
- 2. The quality of empty cement bags shall be strong enough to sustain at least one monsoon season.
- 3. for first monsoon season - – The filled cement bags shall be provided and placed on each Tarpaulin, at about 2 meter interval (set-up of 2X2 Sq Meter grid pattern). About **70,000 empty Cement Bags** will be required.
- 4. for Second monsoon season – The filled cement bags shall be provided and placed on each Tarpaulin, at about 2 meter interval (set-up of 2X2 Sq Meter grid pattern). About **70,000 empty Cement Bags** will be required
- 5. In advance sufficient number of lignite/ bed ash filled cement bags shall be readily available near the site, where Tarpaulin covering work is to be carried out.
- 6. The supply of required number of empty cement bags, filling of lignite/bed ash material in the bags & Stitching of the filled bags, transportation of filled bags

Bid No.: SLPP/Mine/Tarpaulin Covering /2025 and 2026

and further arranging the bags on Tarpaulin at about **2 meter** interval and form a network are also under the contractor's Scope only

7. Timely execution of the work, at least one **portable stitching machine** should be required for stitching cement bag's mouth.

4.1.3 **TRANSPORTATION OF MATERIALS:**

Successful contractor has to use suitable means of transport vehicle like tractor trolley/utility vehicle. The due care shall be taken during transportation of materials to avoid any damage due to miss handling and transportation.

Shifting of materials including loading/unloading & transportation from store/warehouse to stockpile covering site is under the scope of contractor.

After consumption of covered lignite heaps, the entire said material shall be removed judiciously and phase wise transport the said materials back to store/warehouse as specified by GIPCL officials.

4.1.4 **ADEQUACY OF MANPOWER:**

Adequate trained manpower shall be deployed round the clock at different locations at Out-plant Lignite stocks and at In-Plant Lignite & Limestone stocks for close supervision, security and maintenance for supply of dry lignite/limestone from stock yards.

The adequate nos. of trained manpower should be readily available at any time during entire contract period of monsoon.for following work

1. Execution of the stockpile covering work by Tarpaulin.
2. Maintenance of Lignite and Limestone stockpiles covering with filled bags along with ropes,
3. **Safety, Security of all material use for heap covering (i.e. tarpaulins, Nylon ropes, Cement bags, other items etc) from any theft and damage .**
4. To inform the GIPCL officials, in case of smoke, fire in lignite heaps or any failure of the system.
5. Necessary action in case of smoke/ fire protection.
6. Recovery of tarpaulin & other material after use.
7. Supervision of entire tarpaulin covering work during contract.

All the employees of the successful bidder has to follow the all statutory regulations, employees compensation Act and laws related to appointment of contract labours and other laws, rules & regulations etc. applicable from time to time.

Contractor shall provide accommodation for the persons deployed by him for the work at contractor's own cost.

At least 08 trained manpower in each shift +1 supervisor in General Shift) should be available at any time.

4.1.5 **LIGNITE/ BED ASH FILLED BAGS:**

1. After filling lignite/bed ash into empty cement bags and stitching mouth of cement bags, in advance sufficient number of filled cement bags shall be readily available near the site, where Tarpaulin covering work is to be carried out.
2. During the covering of Tarpaulin over lignite and Limestone heap, lignite/ bed ash filled cement bags shall be provided and placed on each Tarpaulin, at **about 2 meter interval** (in both direction to cover surface area) for supporting and to protect lignite /Limestone from rainwater to remain dry as well as to protect Tarpaulins from windstorm/rainstorm on the top of lignite /Limestone stockpile/heap etc.

Bid No.: SLPP/Mine/Tarpaulin Covering /2025 and 2026

3. The supply of required number of empty cement bags, filling of lignite/bed ash material in the bags & Stitching of the filled bags, transportation of filled bags and further arranging the bags on Tarpaulin at about **2 meter** interval and form a network are also under the contractor's Scope only.
4. Transport of filled bags at pre-specified locations or wherever need arises. transport of the bags, during contract period shall be done by contractor's own vehicles like Max pick up or tractor trolley or similar vehicles to pre-specified locations or wherever need arises.
5. During and after completion of work, phase-wise transport the said used/waste/damage bags and related debris removed from that location and dumped at specified location (i.e. Fly Ash dumping area or other places) under guidance of GIPCL officials.

4.1.6 LIGNITE AND LIMESTONE STOCKPILES COVERING WORK:

1. For first monsoon season i.e. (i) from 16th May 2025 to 31st Oct 2025, the total covering of around **1,35,000 Sq. Meter** heaps surface areas with the help of Tarpaulins & nylon rope and said work should be completed within **20 days** from **16th May 2025** under the guidance of GIPCL officials.
2. For second monsoon season i.e. (ii) from 16th May 2026 to 31st Oct 2026, the total covering of around **1,35,000 Sq. Meter** heaps surface areas with the help of Tarpaulins & nylon rope and said work should be completed within **20 days** from **16th May 2026** under the guidance of GIPCL officials.
3. **The overlapping of Tarpaulins shall be done in such a way that there is no inrush of rain water through corners, sides and joints of Tarpaulins.**
4. In general during covering lignite/Limestone heap overlapping of **Tarpaulins from each other should be at least 1.5m side by side.**
5. With the help of rope (i.e. nylon rope) the Tarpaulins should be properly tied each other as per the guideline & direction of GIPCL officials and make rope network at 2X2 Squire Meter Grid pattern.
6. In rope network, the position of each rope in each frame (i.e. both horizontal and vertical position) should be at adequate (2 Meter) interval to protect lignite /Limestone form rainwater as well as to protect Tarpaulins from windstorm / rainstorm on the top of lignite /Limestone stockpile/heap.
7. In rope network, take care that the lignite / bed ash filled bags placed on tarpaulin should be tied with each rope at adequate interval to prevent from shifting of tarpaulin on heap.
8. The rope shall be tied over the Tarpaulins with the help of iron hook grouted on the ground around the lignite/Limestone heap and also lignite/bed ash filled bags placed on Tarpaulins on about two meter interval.
9. Further, in addition to above lignite/bed ash filled bags shall also be placed on Tarpaulins at maximum **one meter** interval around the toe of Lignite/Limestone heaps.

4.1.7 MAINTENANCE OF LIGNITE AND LIMESTONE STOCKPILE COVERING:

- 1 The scope of work also includes maintenance of covered lignite stockpile and should be maintained for the both monsoon seasons i.e (i) **from 16th May 2025 to 31st Oct 2025** and (ii) **from 16th May 2026 to 31st Oct 2026.**
- 2 After covering of Out-Plant lignite heaps and In-plant Limestone heaps, separate adequate manpower team should be readily available round the clock during entire period of the contract for properly safeguarding of Tarpaulins cover and rope on Out-Plant lignite heaps and In-plant Limestone heaps and for opening of side of Tarpaulins on need base as per consumption of lignite

Bid No.: SLPP/Mine/Tarpaulin Covering /2025 and 2026

and Limestone from said heap and also re-cover-up the open part of the lignite and Limestone heap by Tarpaulin as and when required.

- 3 The Lignite being the carbonaceous material, it may be liable to spontaneous heating. The firefighting work in lignite heap will be arranged by GIPCL.
- 4 In case of smoke/fire in lignite heap, the spot shall immediately be informed to GIPCL officials by the Supervisor/ manpower deployed by you and to take necessary action to extinguish the smoke/fire on lignite heap as well as surrounding area. If required your team shall remove the tarpaulin from the smoke/fire affected area & assist the firemen, as well as to cover the affected part of the lignite heap again by Tarpaulin after fire fighting operation is over.
- 5 **Security of all material use for heap covering (i.e. tarpaulins, Nylon ropes, Cement bags etc) from any theft and damage under the scope of successful bidder.**

4.1.8 RECOVERY OF USED MATERIAL:

Recovery of used material from covered Lignite/Limestone Heap both monsoon seasons i.e (i) from 16th May 2025 to 31st Oct 2025 and (ii) from 16th May 2026 to 31st Oct 2026.

- 1 As and when required, the Out-Plant lignite heaps and In-plant Limestone heaps will be consumed from covered heap during entire monsoon contract period and the quantity of lignite and limestone will be gradually reducing and simultaneously the covered material shall be systematically & judiciously removed from the heap and properly wrap up.
- 2 After removing and properly wrap up of material (i.e. tarpaulin & rope) from Lignite /Limestone heaps shall be transported to place as specified by GIPCL officials for second monsoon season storage.
- 3 **After completion of work the recovered materials will be the property of the successful bidder. Therefore, after completion of the contract period, It will be the responsibility of the successful bidder to dispose the material off after the use from work site.**

4.1.9 OTHER CONDITIONS:

Other Conditions both monsoon seasons i.e. i) from 16th May 2025 to 31st Oct 2025 and (ii) from 16th May 2026 to 31st Oct 2026:

1. The quantities of Out-Plant lignite heaps and In-plant Limestone heaps covering are only indicative/estimated figures.
As lignite and Limestone is use for Power Plant and GIPCL shall have sole discretion to vary the quantity of lignite and Limestone heap covering by Tarpaulin based on the requirement of the power plant.
2. Accordingly, the Contractor shall not be entitled to any compensation or indemnity on account of increase or decrease in the assigned quantity of Out-Plant lignite heaps and In-plant Limestone heaps covering by Tarpaulin. Therefore, GIPCL reserves the right to increase/decrease assigned quantity of lignite and Limestone heap covering by Tarpaulin.
3. **The tarpaulin covering work at in-plant stockyard, it's maintenance and recovery work shall be carried out under the supervision, direction & control of GIPCL's Limestone/Lignite handling System officials.**

4.2 SAFETY AND SECURITY:

1. The safety and security of all material used for covering at lignite/limestone stockyards or any storage sites, shall be responsibility of the contractor i.e.
 - (a) to protect the material from any theft
 - (b) to protect the material from fire & damage

2. **Supervision, Safety and Security of entire materials used for Out-Plant lignite heaps and In-plant Limestone heaps covering at stock yard during entire contract period shall be also included under the scope of successful bidder.**

4.3 **DEPLOYMENT OF SITE-IN-CHARGE/SUPERVISOR/ENGINEER:**

- 1 The contractor shall, during the work is in progress, employ a qualified experienced site-in-charge/Supervisor/Engineer of the works with adequate experience in handing of jobs of this nature and with the prior approval of the GIPCL's officials/ Engineer. When it may be necessary to give directions, orders may be given by the GIPCL's Engineer/ officials and shall be received and obeyed by the Contractor's site-in-charge/Supervisor/Engineer who may have charge of the particular part of the work in reference to which orders are given. If requested to do so, the GIPCL's officials/ Engineer shall confirm such orders in writing. Any directions, instructions or notices given by the GIPCL's officials/ Engineer to him, shall be deemed to have been given to the Contractor.
- 2 The contractor should keep atleast One supervisor **in general shift (Out-plant Lignite stocks and In-Plant Lignite & Limestone stocks)** to get the work done within time frame and day to day co-ordination and reporting purpose and will also monitoring, coordinating the work should be carried out in all the three shifts as required.
3. None of the Contractor's supervisors or workman should be withdrawn from the work without due notice being given to the GIPCL's officials/ Engineer, further no such withdrawals shall be made if in the opinion of the GIPCL's officials/ Engineer such withdrawals will jeopardize the required pace of progress / successful completion of the work. The Contractor shall employ in or about execution of the work only such persons as area careful, skilled and experienced in their respective trades, and the GIPCL shall be at liberty to object to and require the Contractor to remove any person employed by the Contractor in or about execution of works who in the opinion of the Engineer misconducts himself or is incompetent or negligent in the proper performance of his duties and all such persons shall not again be employed upon the works without the prior permission of the GIPCL.
4. Neither the Contractor and the Purchaser nor the Engineer shall hire or employ any employee of the other party except by mutual consent.
5. **Contractor shall mobilize the resources at site within 04 hours time after intimation given by GIPCL.**
6. The resources required for execution of above jobs will vary from time to time, hence contractor shall mobilize the resources accordingly.

4.4 **FACILITIES TO BE PROVIDED BY GIPCL:**

4.4.1 **The Company shall provide the following facilities to the Contractor at the site:**

1. Electricity & water at nearest available one point. Further distribution to be done by contractor at their cost.
2. Quarter(s) for supervisor/ engineers on chargeable basis in GIPCL's township at discretion of GIPCL if available.
3. First aid facilities as available on chargeable basis.

Apart from the above, no other facilities shall be provided by GIPCL.

GIPCL shall also conduct an orientation program appraising the workmen regarding the safety norms and measures to be observed during work operations at the site.

4.4.2 Inputs by GIPCL:

GIPCL will provided following items for the completion of above scope of works:

After completion of first monsoon season (from 16th May 2025 to 31st Oct 2025), the Tarpaulins material shall be recovered from the lignite & limestone heaps by the contractor and if contractor require the said recovered tarpaulins may be stored at GIPCL's designated locations at his own risk.

After first monsoon season Good quality recovered tarpaulins material will be re-use for second monsoon season (from 16th May 2026 to 31st Oct 2026).

4.5 TIME FOR COMPLETION OF THE WORK COVERED BY CONTRACT:

4.5.1 The period of contract will be Five and half (5.5) Months, for both monsoon season (i) first monsoon season from i) from 16th May 2025 to 31st Oct 2025 and (ii) from 16th May 2026 to 31st Oct 2026

Further GIPCL reserves the right to increase or decrease the areas under both the works by giving at least a 07 days prior notice in writing. The total quantity of area will depend solely on the requirement of the exigency of work at site for both monsoon seasons.

The Bidder/ Contractor has agreed and understood that the requirement of work quantity of tarpaulin covering, maintenance and withdrawal. The procurement of tarpaulin and Rope may vary from time to time, to which the Bidders/Contractor shall not have any objection. Accordingly, the Contractor shall not be entitled to any compensation or indemnity on account of increase or decrease in the work quantity of work for both monsoon seasons.

4.5.2 The zero date reckoned for the contract shall be the date of issuance of LOI or work order to the successful Bidder.

4.5.3 If the contractor shall desire an extension of time for completion of work on the grounds of his having been unavoidably hindered in its execution or on any other grounds whatsoever, he shall apply in writing to the, GIPCL within 10 (ten) days of the date of the hindrance on account of which he desires such extension as aforesaid, and GIPCL shall if in its opinion which shall be final and binding on the contractor, reasonable grounds exist, authorize such extension of time as may in its opinion be necessary or proper. Whenever such extension is granted by GIPCL this would be without prejudice to GIPCL's right to take appropriate action under this contract and without any additional financial liability on GIPCL.

4.5.4 Failure or delay by GIPCL to hand over the Site to the contractor necessary for the executions of the works, or to provide the necessary instructions or any other delay by GIPCL due to any other cause, whatsoever shall in no way affect or vitiate the contract or alter the character thereof or entitle the contractor to claim damages or compensation thereof, provided, however, that GIPCL may at its sole discretion extend the time for completion of the work by such period as it may consider necessary or proper.

4.5.5 If the quantity awarded remains unexecuted for any reason whatsoever, at the end of Contract period, GIPCL may at its sole discretion grant such extension of time as it may deem fit for the execution of balance unexecuted working hours or any part thereof on the same rates, terms and conditions of the Contract.

Bid No.: SLPP/Mine/Tarpaulin Covering /2025 and 2026

4.5.6 If the contractor completes the awarded work quantity before completion of the awarded contract period, GIPCL may its sole discretion award such additional working hours as it may deem fit, at the same rates and same terms and conditions of the contract.

4.6 QUANTUM OF WORK:

The tentative Tarpaulin covering of Sq. Meter surface area at of Out-Plant lignite heaps and In-plant lignite & Limestone heaps by tarpaulins and maintain for monsoon consumption of SLPP, details are as follows:

Table-2			
Sr. No.	Season	Contract period	Tentative Total tarpaulin covering quantity (in Sq. Meter surface area)
1	Monsoon 2025	16 th May 2025 to 31 th Oct 2025	1,35,000
2	Monsoon 2026	16 th May 2026 to 31 th Oct 2026	1,35,000
Total			2,70,000

4.7 RIGHT TO REVIEW PERFORMANCE:

GIPCL reserves the right to review and assess the performance of the work at any time during the contract period. In case of poor or unsatisfactory performance and/or breach of any terms and conditions of the contract, GIPCL in its absolute rights and discretion may take appropriate action including termination of the contract.

4.8 SCOPE OF CONTRACTOR:

1. All tools & tackles, tractors, required vehicles to execute the contract will be in the scope of the contractor. The contractor should ensure for healthiness/working conditions of tools, tackles & vehicles.
2. All consumable items like cloth, cotton waste, kerosene, gas, diesel, lubricants, etc will be in the scope of the contractor.
3. All safety/PPEs required during work at site are to be arranged by the contractor.
4. The Contractor shall have to provide necessary facilities including accommodation for their labor at their own cost.
5. The contractor has to arrange JCB, cultivators, breaker machines & tractor with trolleys for lifting/shifting the materials of their own.
6. Contractor has to depute their full time experienced overall site-in-charge & independent Location/Package wise supervisors for work execution as per specification and for day to day work planning & coordination with respective department's Engineer-in-charge, to obtain day to day Location/Package wise work permits, to get daily location wise work supervision, to record Location/Package wise joint work done reports/measurements/trip certification, to prepare Location/Package wise separate bills, to prepare & apply Location/Package wise manpower gate pass, to maintain Location/Package wise statutory & legal compliance records, etc.

4.9 PRICE & RATES:

Bid No.: SLPP/Mine/Tarpaulin Covering /2025 and 2026

The rates quoted by the Bidder in the online Price Bid shall be inclusive of cost of all labor, supervision, cost of safety supervisor, shifting, transportation, loading, unloading, equipment, all tools & tackles, safety equipments & PPEs, Royalties, Rents, GST, Stamp Duties, Central or State Government or Local body or Municipal Taxes or Duties, Turn over Tax, Work Contract Tax, and / or any other duty / tax, levied by the Central, State Government or other Public bodies etc...and such other costs that are not specifically mentioned herein but will be incurred by the contractor for the satisfactory and timely completion of the work. The quoted rates shall be deemed to include for everything mentioned in the specification, all leads & lifts, contractor's overheads & profits for due performance of the work under this contract and such other costs that are not specifically mentioned herein but will be incurred by the contractor for the satisfactory and timely completion of the work. - 6) Notarized Indemnity Bond as per Performa, in case of Final bill.
- 7) No claim - No arbitration certificate as per Performa, after releasing final bill payment.

Bill submitted without any of the above documents shall not be processed for payment.

The running bill shall be signed by the Contractor's authorized representative, Production in charge and GIPCL. The bill so prepared and certified will be submitted for payment to the office of the General Manager (Mines). Date of such submission of bill will be after completion of the month / period, or the actual date of submission, whichever is later, will be taken into account for considering due date of payment.

The payment of the certified amount of the Running bills shall be made within 21days of receipt of the invoice/ Bill submission.

4.13 PROCEDURE FOR MEASUREMENT/ BILLING OF WORK IN-PROGRESS:

Measurements shall be in accordance with the unit of measurements specified in schedule of quantity. Payment will be made for actual work done as per certified by Engineer-in-charge.

Bid No.: SLPP/Mine/Tarpaulin Covering /2025 and 2026

Contractor shall maintain and submit location wise daily tarpaulins cover on lignite and limestone heaps and manpower deployed details as certified by concern mining official on daily basis.

Wherever any dispute regarding mode of measurement arise, the decision of the Mining officials shall be final and binding to the contractor.

4.14 FAILURE DURING EMERGENCY:

During any emergencies, Contractor shall have to carry out the work by deploying additional force within twenty-four notice period failing which GIPCL reserve right to carry out this work by engaging other party.

The expenditure occurred due to such situations, the contractor will be held responsible and the same will be recovered from the Contractor's monthly bill/ any other pending bills along with 10% overhead charges. The respective failure of such work for more than two incidents, GIPCL reserve right to terminate the entire contract by forfeiting all pending dues, Security deposit & other retention money, if any, after giving 15 days' notice to contractor & this will be binding to contractor.

4.15 TO REMEDY DEFECTIVE WORK:

If the work or any portion thereof shall be damaged in any way excepting by the acts of the GIPCL, or if defects not readily detected by proper inspection shall develop before the final completion and acceptance of the whole work, the CONTRACTOR shall forthwith make good, without compensation, such damage or defects in a manner satisfactory to the ENGINEER / GIPCL. In no case shall defective or imperfect work be retained even if contractor followed all technical specifications. GIPCL will not compromise for quality of materials, works & workmanship.

The CONTRACTOR shall remain liable under the provisions of this clause notwithstanding the passing by the GIPCL of any certificate, final or otherwise or the passing of any accounts.

4.16 WITHHOLDING PAYMENTS TO CONTRACTOR & COMPANY'S LIEN ON MONEYS DUE TO THE CONTRACTOR.

4.16.1 Progressive payments at any time may be withheld or reduced if, in the opinion of GIPCL, the contractor is not diligently and efficiently endeavoring to comply with the terms of the contract or if the contractor fails to pay his labour, for material and other bills as they become due. GIPCL shall in no way be liable for any loss or damage etc due withholding of such payments.

4.16.2 GIPCL shall have lien on all amounts that may become due and payable to the contractor under this or any other contract or transaction of any nature whatsoever between GIPCL and the contractor and the security deposit, bank guarantee etc. furnished by him/it under the contract for or in respect of any debit or sum that may become due and payable to GIPCL by the contractor either alone or jointly with any other or others either under this or any other contract or transaction of any nature whatsoever between GIPCL and the contractor, unless the contractor pays and clears the claim in full immediately on demand in cash to GIPCL.

4.17 APPLICATION FOR COMPLETION CERTIFICATE

When the contractor fulfills all its obligations under the contract to the satisfaction of GIPCL and subject to terms and conditions of the contract, it shall be eligible to apply for completion certificate. The GIPCL shall formally issue completion certificate within thirty (15) days on receiving application from the contractor, after verifying from the completion documents including measurement record etc. and satisfying himself that the work has been completed in accordance with all the provisions of this contract and as set out in the drawings / map/ specifications etc.

Bid No.: SLPP/Mine/Tarpaulin Covering /2025 and 2026

and instructions issued to the contractor by GIPCL from time to time. The contractor, after obtaining the completion certificate, is eligible to present the final bill for the works executed by him/it under the contract. The final bill shall be submitted by the contractor within 1 months from the date of physical completion of the work, otherwise, the GIPCL's certificate of the measurement and of total amount payable for the work accordingly shall be final and binding on the contractor.

4.18 FINAL PAYMENT AND RELEASE:

Immediately on completion of the work, the Contractor shall submit his final bill indicating the gross and net amount payable. On receipt of this, GIPCL shall verify the same, determining the total value of the work done of the contract and after adjusting all the sums already paid to him/it and/due to GIPCL on any account and such further sums as GIPCL is already authorized or required to reserve or retain as per the terms of the contract or otherwise, make over to the contract as his/its final payment.

4.18.1 All prior certificates, quantities, claims etc. upon which running account payments may have been made, shall be subject to adjustment in the subsequent/ final bill, Final Certificate/ payment.

4.18.2 GIPCL shall not be liable to pay any money to the Contractor, except as specifically provided for in the contract. Acceptance by the Contractor of the final payment as aforesaid shall operate as estoppels and shall be, a release to GIPCL from all claims and liability to the Contractor in respect of anything done or furnished by the contractor for or in relation to the work, or in respect of any act GIPCL or any other person relating to or effecting the work.

4.18.3 Before final payment including the security deposit, the contractor has to be submitted No claim, No arbitration CERTIFICATE as specified performa in FORM – F (to be submitted on contractor's Letter Head) of tender document.

4.18 MOBILIZATION AND EXECUTION:

- a) Contractor shall mobilize the resources at site within 04 hours from the time the intimation given by GIPCL.
- b) Contractor shall provide required separate & independent site supervisors who will be responsible for supervision and execution of job in specified time with respect to quality, specifications, site preparations, safety, co ordination with GIPCL, issue of work permits, joint measurements, etc... The supervisors shall coordinate with the Engineer-in-charge of GIPCL for proper execution of the job.
- c) The resources required for execution of above jobs will vary from time to time, hence contractor shall mobilize the resources accordingly.
- d) Contractor shall provide accommodation for the persons deployed by him for the work at his own cost.

4.19 QUANTITY OF WORK :

The estimated quantities of work required to be carried out by the contractor are as given in the Section - V (Schedule of Quantity & Rates). estimated and shall vary according to the exigencies of work at site. However, the rates quoted by Bidder shall remain firm irrespective of any variation in estimated quantities. Contractors shall engage required nos. of labors along with required tools & tackles as per work load and emergency situations throughout the contract period to perform his contractual duties.

In case, contract quantity/amount exhausted before completion of contract period, GIPCL reserve the rights to increase the quantities or contract amount for successful completion of entire contract period. Contractor shall responsible to

Bid No.: SLPP/Mine/Tarpaulin Covering /2025 and 2026

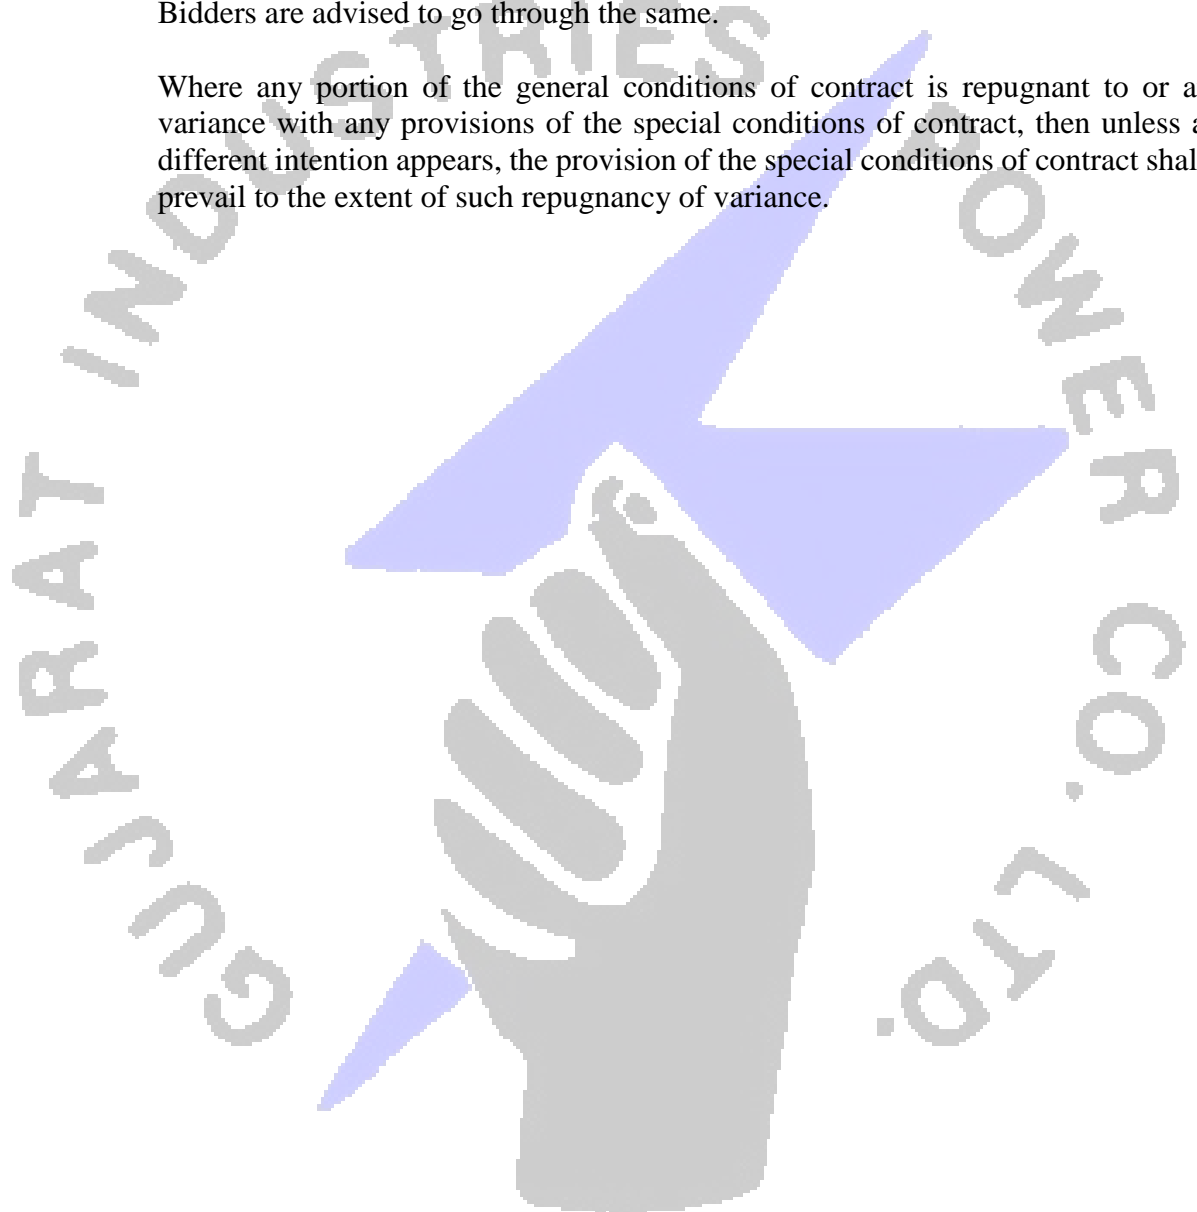

complete the particular job up to entire satisfaction of Engineer-in-charge. The item rates remain firm & unchanged till completion of the contract and any agreed extensions thereafter and shall not be subject to any escalation, idle charges for labor, machinery, overhead expenses etc... for any reason whatsoever. The quantum of work of individual item may be up to any extent depending upon requirement. However, item rate remains unchanged. Under this contract, contractor has to execute all work as per the Plant requirement.

4.20

GENERAL CONDITIONS OF CONTRACT:

General Conditions of Contract (Section-III) and detail specification prepared by the company will be applicable for this contract. The same is enclosed herewith. Bidders are advised to go through the same.

Where any portion of the general conditions of contract is repugnant to or at variance with any provisions of the special conditions of contract, then unless a different intention appears, the provision of the special conditions of contract shall prevail to the extent of such repugnancy of variance.

SECTION-V

PROFORMA FOR BANK GUARANTEE FOR EARNEST MONEY DEPOSIT

(To be executed on non-judicial stamped paper of appropriate value)

B. G. No. _____ Date: _____

1. WHEREAS M/s.Gujarat Industries Power Company Limited having its Corporate Office at PO: Petrochemicals, Dist.Vadodara – 391 346, Gujarat State, India (hereinafter called "The Company Owner" which expression shall unless repugnant to the subject or context includes its legal representatives, successors and assigns) has issued tender paper vide its Tender No.....for ----- (hereinafter called "the said tender")to M/s.....(hereinafter called the said Tenderer(s)" which expression shall unless repugnant to the subject or context includes their legal representatives, successors and assigns and as per terms and conditions of the said tender, the tenderer shall submit a Bank guarantee for Rs..... (Rupees.....only) towards earnest money in lieu of cash.
2. WeBank having its branch office at do hereby undertake to pay the amount due and payable under this guarantee without any demur, merely on a demand from the Company stating that in the opinion of the company which is final and binding, the amount claimed is due because of any withdrawal of the tender or any material alteration to the tender after the opening of the tender by way of any loss or damage caused to or would be caused or suffered by the Company by reason of any breach by the said tenderer(s) of any of the terms and conditions contained in the said tender or failure to accept the letter of Intent Agreement or that the amount covered under this Guarantee is forfeited. Any such demand made on the Bank by the owner shall be conclusive as regards the amount due and payable by the Bank under this guarantee, However, our liability under this guarantee shall be restricted to an amount not exceeding Rs.....(Rupees.....only).
3. We undertake to pay to the Company any money so demanded not withstanding any dispute or disputes raised by the tenderer (s) in any suit or proceeding pending before any office, court or tribunal relating thereto our liability under this present guarantee being absolute and unequivocal. The payment so made by us under this bond shall be a valid discharge of our liability for payment there under. Our liability to pay is not dependent or conditional on the owner proceeding against the tenderer.
4. The guarantee herein contained shall not be determined or affected or suspended by the liquidation or winding up, dissolution or change of constitution or insolvency of the said tenderer(s) but shall in all respect and for all purposes be binding and operative until payment of all money due or liabilities under the said contract(s)/ Order(s) are fulfilled.

5. WeBank Ltd. further agree that the guarantee herein contained shall remain in full force and effect during the period that would be taken for the finalization of the said tender and that it shall continue to be enforceable till the said tender is finally decided and order placed on the successful tenderer(s) and or till all the dues of the company under or by virtue of the said tender have been fully paid and its claims satisfied or discharged or till a duly authorized officer of the company certifies that the terms and conditions of the said tender have been fully and properly carried out by the said tenderer (s) and accordingly discharges the guarantee.
6. That the Owner Company will have full liberty without reference to us and without affecting this guarantee to postpone for any time or from time to time the exercise of any of the power of the owner under the tender.
7. Notwithstanding anything contained herein before, our liability shall not exceed Rs..... (Rupees.....only) and shall remain in force till..... (Date to be filled up shall be 180 days from the date of submission of Bid).
