Shri N. K. Singh
General Manager (SLPP)
Gujarat Industries Power Company Limited
Surat Lignite Power Plant
At Village: Nani Naroli, Taluka: Mangrol,
Dist.: Surat - 394 110, Gujarat.

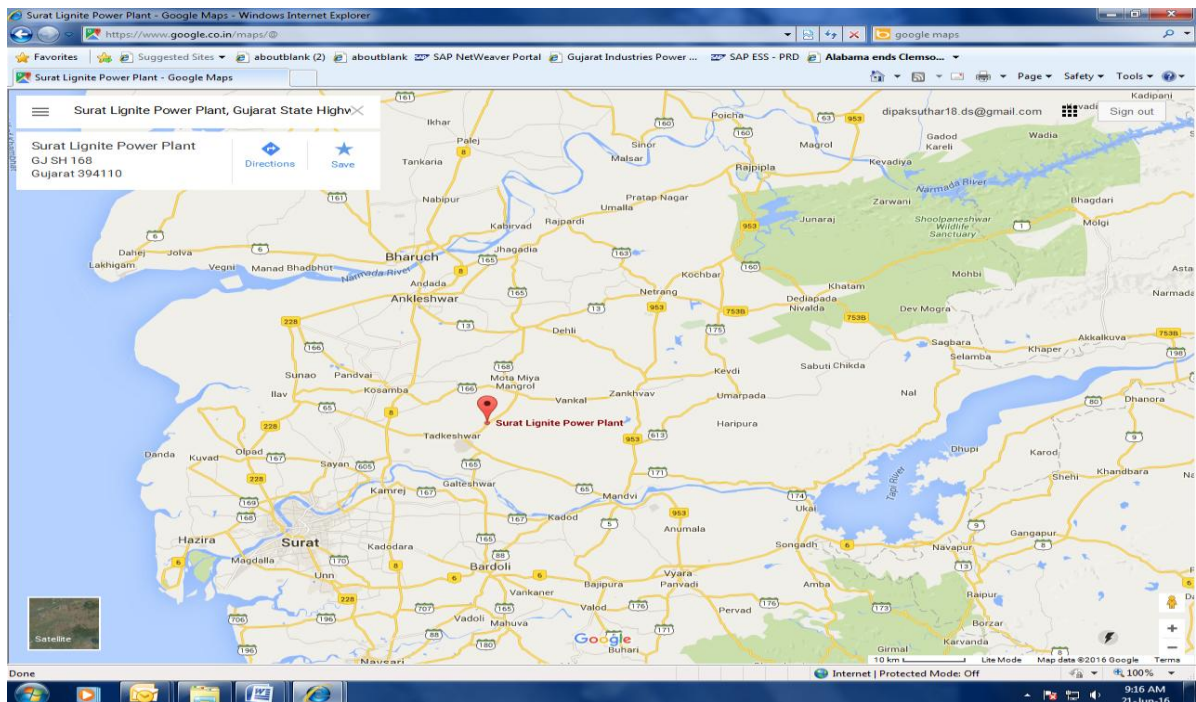

SECTION-A INSTRUCTIONS TO BIDDERS

1. PLANT SYNOPSIS

Gujarat Industries Power Company Limited (GIPCL) (henceforth be named Company/GIPCL), is a Premier Power Utility in the State of Gujarat with an installed capacity of 810 MW and 5 MW Solar Power Plant. Recently, GIPCL has also commissioned 112.40 MW Wind Energy Farms at various locations in Gujarat, 1 MWp Distributed Solar Power Projects, each at two locations in Gujarat viz. at Village: Amrol (Dist.: Anand) & at Village: Vastan, Dist.: Surat and 80 MW Solar Power Plant at Village: Charanka (Dist.: Mehsana).

Surat Lignite Power Plant (SLPP) with four units of 125 MW capacity each is located at Village: Nani Naroli, Taluka: Mangrol, District: Surat in Gujarat. GIPCL has also operating its own captive Lignite and Lime Stone Mines close to the Power Plant. The Power Plant is based on Circulating Fluidized Bed Combustion (CFBC) technology for the Boilers, where Lignite is burnt along with Lime Stone in the Combustor of the Boiler.

Surat Lignite Power Plant (SLPP) is accessible by road from Kim and Kosamba, which are on Mumbai-Ahmedabad highway. From Kosamba, SLPP is around 32 KM, out of which 27 KM is part of the National & State Highway and balance 5 KM is District Road. From Kim, SLPP is around 18 KM, out of which 13 KM is the State Highway and balance 5 KM is District Road. The nearest Broad Gauge Railway Line is at Kim, which is around 21 KM from the SLPP. Surat is approximately 50 KM from the SLPP. Location Map for SLPP is as under.

The Company intends to award Civil work Contract for rehabilitation/strengthening/retrofitting of damaged RCC wall of Phase-I fore-bay channel during available limited shutdown period.

2. SCOPE OF WORK

2.1 The scope of work covers general civil works like excavation, dismantling, concrete (PCC & RCC), rubble soling, back filling, joint filling, rebar, as per requirements as per item specifications of SoR (Section-E).

- 2.2 Disposal of debris, surplus material, excavated stuff etc outside premises.
- 2.3 The bid submitted by the bidder not covering the total scope of work and services as detailed out in the tender document shall be liable for rejection.
- 2.4 Quantum of job mentioned in the price bid (schedule of rate) is indicative only & may vary as per site requirement and not to be construed as maximum or guaranteed quantity. The quantities shown in the price bid (schedule of rate) are approximate quantities for the job contract and they may vary as per job requirements.
- 2.5 All the miscellaneous activities pertaining to specific work to be executed for satisfactory performance is in the scope of contractor in his quoted rates.

3. GENERAL INSTRUCTIONS

- 3.1 The Bidders who are interested in participating in the tender must read and comply with the instructions and the Terms & Conditions contained in the tender documents.
- 3.2 The Bids shall be filled in by the Bidders clearly, neatly and accurately. Any alteration, erasures or overwriting shall be liable to make the tender invalid unless the same is neatly carried out and attested over the full signature of Bidder. The decision of the Company to interpret the information and rates filled in by the Bidder shall be final and binding on the Bidder.
- 3.3 The Bidders are requested to make themselves fully conversant with the General Conditions of Contract, Special Conditions of Contract, Technical Specifications, Site conditions, Quantity, Safety & Health Aspects and Norms to be observed, Time bound work requirement etc. before submitting their bids so that no ambiguity arises in these respects subsequent to submission of the Bids.
- 3.4 Before quoting the % above, equal or below SoR, the Bidder should go through the specifications, scope of work etc. and get himself fully conversant with them. The Bid should include cost of mobilization and cost to adhere to all Safety Norms as described in the tender. No relaxation or request for revision of quoted/accepted rates shall be entertained subsequent to the opening of Bid on account of mobilization or Safety costs.
- 3.5 Bidder has to submit all the information as per required in Bid document. Failure to furnish all the information as per required Bid documents or submission of a Bid containing deviations from the contractual terms and conditions, specifications and requirements, shall be rejected.
- 3.6 The Bids shall be submitted within the time frames set out in the Notice Inviting Tender ('NIT') and Bids submitted thereafter shall not be accepted and considered.
- 3.7 The tender documents shall not be transferable.
- 3.8 The Bidders are expected to examine all instructions, forms, terms & specifications in the Bid documents and to get fully acquainted themselves with all the conditions and matters which may affect the subject matter of the work/tender or the cost thereof. If any Bidder finds any discrepancies or omissions in the specifications and documents or any doubt in true meaning or interpretation of any part, he shall seek necessary clarifications in writing.
- 3.9 Conditional offers shall not be considered and liable to be rejected.
- 3.10 The Company reserves the right to extend the deadlines for submission of the Bids by giving amendments.
- 3.11 A Pre-Bid Site visit will be organized by the Company as per details given in NIT (Notice Inviting Tender) at GIPCL - SLPP. Interested parties may carry out site visit to understand nature of work & site conditions. Site visit may be carried out during any of the days specified in above NIT with prior written approval of GIPCL.
- 3.12 During evaluation of Bids the Company may, at its discretion, ask the Bidder (s) for clarification of their Bid. The request for clarification and the response shall be in writing and no change in prices or substance of the Bid shall be sought, offered or permitted.
- 3.13 The Company reserves the right to amend/ modify the Bidding documents at any time prior to the deadline for submission of Bids, either at its own discretion or in response to the clarification requested by a prospective Bidder. In such case, the Company may in its discretion extend the deadline for submission of Bids in order to facilitate the prospective Bidders for incorporating the effect of the amendment in their Bids.

- 3.14 The Bidders shall bear all costs and expenses associated with the preparation and submission of their respective Bids, to attend meetings or conferences, if any, including any pre award discussion with the successful Bidder, technical and other presentations etc. and the Company shall not be liable for any expense thereof.
- 3.15 If the successful Bidder is a joint venture, formed of two or more companies, the Bidder along with the partners shall accept joint and several responsibilities and liabilities for all obligations under the Contract.
- 3.16 Timely and satisfactory completion of the work and strict adherence to the allotted time frames for jobs shall be the essence of the contract.
- 3.17 The Company reserves the right to qualify/disqualify any applicant without assigning any reason.
- 3.18 The Bidder shall be disqualified if any untrue statement or misrepresentation is made in the Bid forms, attachments and other supporting documents submitted by the Bidder.

4. PLANT VISIT

The Bidder is advised to visit the Surat Lignite Power Plant (SLPP) after downloading the tender copy from website: <http://etender.gipcl.com/> to study the actual working conditions, before submitting their offer. The Bidders shall examine the site of works and its surroundings and see for himself that may be necessary for preparing the Bid and entering into a contract. All costs and liabilities arising out of the site visit shall be at Bidder's account.

The submission of tender by a contractor implies that he has read these instructions, conditions of the contract etc. and has himself aware of the scope, nature of works & specifications of the works to be done. GIPCL will not, therefore after acceptance of contractor's rate, pay any extra charges for any other reason in case the contractor is found later on to have misjudged the site conditions.

Any error in description or quantity or omission in the contract document shall not vitiate the contract or release the contractor from executing the work comprised in the contract according to scope of works, magnitude of the works, requirement of materials, equipment, tools & tackles, labour, etc. Contractor has to complete the work in accordance with the contract documents irrespective of any defects, omissions or errors that may be found in the contract documents.

The Bidder is deemed to have examined and understood the tender document, obtained his own information in all matters whatsoever that may affect the works to be carried out especially mentioned or works which may have to be carried out to fulfill his contractual obligation within the scheduled rates and to have satisfied himself to the sufficiency for his offer.

BIDDER shall inspect the site, examine and obtain all information required and satisfy himself regarding matters such as access to site, communication, transport, working condition, safety requirements, right of way, the type and number of tools & tackles, equipment and facilities required for the satisfactory & timely completion of work, the quantity of various items of the work, the availability of local labour, availability & rates of material, local working conditions, uncertainties of weather, obstructions & hindrances that may arise, etc which may affect the work or cost thereof, before submission of his Bid. Ignorance of site conditions shall not be accepted by the GIPCL as basis for any claim for compensation. The submission of a Bid by the BIDDER will be construed as evidence that such an examination was made. Any later claims / disputes in regard to rates quoted shall not be entertained or considered by the GIPCL.

The rates quoted by BIDDER shall be based on his own knowledge and judgment of the conditions and hazards involved and shall not be based on any representations of the Engineer.

5. ELIGIBILITY CRITERIA

The following criteria will be adopted for qualifying the Bidders for consideration of the Bid for the further proceeding.

- 5.1** Bidder should possess minimum **Three years** of experience **out of last five years** in similar nature of Civil works. Bidder shall submit necessary evidence for the same like attested copies of work orders along with work completion certificates from clients. The work completion certificate shall comprise of order value and executed value. Bidders should have executed the work directly. The work executed as a sub-contractor or subletting agency shall not be taken in to consideration.

Note: For evaluation of the bid the executed value mentioned in the work completion certificate will be considered.

- 5.2** Bidder should produce evidence of having experience of successfully completed/executed similar works (as per clause no. 5.1) as defined hereunder during last five years ending last day of the month previous to the one in which tender is invited, satisfactory progress of ongoing works etc. secured from clients along with certified copies of documentary evidence preferably photo copies of work experience certificates. The experience should be either of the following:

- a) **One similar completed/executed work each costing not less than the amount equal to Rs. 21.50 Lakh (with material) / Rs. 12.00 Lakh (without material).**

OR

- b) **Two similar completed/executed works each costing not less than the amount equal to Rs. 13.50 Lakh (with material) / Rs. 7.50 Lakh (without material).**

OR

- c) **Three similar completed/executed works each costing not less than the amount equal to 10.75 Lakh (with material) / Rs. 6.00 Lakh (without material).**

Bidder should specifically mention fulfilling of above criteria in his offer along with details of work orders & work completion certificates issued by clients.

- 5.3** Bidder shall have to submit satisfactory work completion certificate from the client. Experience as a sub-contractor will not be allowed and Price Bid of such Bidders will be rejected.

- 5.4** **Tender fee:** Non-refundable Tender fee shall be accompanied in the form of DD given by Bank as described in subsequent clause no. 8.

- 5.5** **EMD:** The EMD shall be accompanied in the form of DD or Bank Guarantee given by Bank as described in subsequent clause no. 8.

- 5.6** Bidder should have separate Employees Provident Fund code number towards registration of firm with RPF commissioner.

- 5.7** Attested copies of relevant documents duly signed & seal on each & every page shall be submitted. The above documents will be analyzed and after satisfaction, the Price Bid will be open. GIPCL may verify the documents, experience certificates issued by concern authority. After opening of technical Bid, if any required attested documents found missing in the Technical Bid submitted by the Bidder, the tender inviting authority may inform to that Bidder only once by E-mail to submit the missing required documents within stipulated time limit. If Bidder/Bidders fail to submit within stipulated time, their Bid will be declared technically disqualified and no further correspondence will be entertained.

- 5.8** Bidder should have minimum annual turnover of **Rs. 4.55 Lakh** for last three financial years (2014-15, 2015-16 & 2016-17/2017-18). Bidder shall furnish annual audited financial statement duly certified by Chartered Accountant for the last three financial years to demonstrate the financial healthiness of the company. The Balance sheet must be in the name of the company. Any type of MOU for this purpose will not be entertained.

Note: In case, the annual turnover is less than the statutory guideline which does not require audit, the bidder shall submit the turnover certificate from Chartered Accountant.

- 5.9** The Net worth at the end of the last financial year should be positive. Bidder shall submit necessary evidence in the form of certificate from certified C.A.
- 5.10** The Bidder has to submit INCOME TAX Permanent Account Number (PAN), TIN/VAT no. of the firm. Copies of the same shall be submitted.
- 5.11** Bidder has to submit GSTIN number. Copy of the same shall be submitted.
- 5.12** In case Bidder is a joint venture company since last seven years, the above requirements/credential of Joint Venture Company / Parent companies shall be considered.
- 5.13** Bidder shall submit list of equipments, tools & tackles, shuttering & scaffolding materials, concrete mixer machines etc (specifying make & capacity) with present location which are owned by bidder.
- 5.14** Entire tender document shall be submitted duly signed & stamped by bidder on each page as a token of having acceptance of all terms & conditions, specifications, scope etc of tender document.

5.15 ADDITIONAL PRE QUALIFICATION CRITERIA

- 1. If Bidder or its Partner(s) or Director(s) is /are/was in any Litigation(s), Court Case(s) or Arbitration(s), either completed or under progress during last five(5) years or Black Listed / Deregistered / Stopped or banned from dealing in the past by any Govt. of Gujarat Undertakings / Depts. / Authorities and Govt. of Gujarat supported companies / undertakings / organizations, Bid of that party will be liable to be rejected. Bidder agrees and undertakes to accept decision of GIPCL in this regards as final and binding on the Bidder without any demur and that no further correspondence shall be done in this regard at any stage.
- 2. Bidder shall have to submit the "Declaration-cum-Undertaking for Compliance of Safety Laws and Regulations" as per Performa **Annexure-F & Annexure-G** under **Section-F**.
 - a. If any Fatal Accident / Violation of any safety law(s) / Rule(s) is / are found during the preceding Three (3) years, Bid of that party will be liable to be rejected. Bidder agrees and undertakes to accept decision of GIPCL in this regards as final and binding on the Bidder without any demur and that no further correspondence shall be done in this regard at any stage.
 - b. If any of the details submitted in the prescribed Annexure / Form to the Bid is/are found to be false, incorrect at any time in future, then the Contract awarded to that Bidder / Contractor shall be liable to be terminated forthwith without any notice / correspondence and Bidder agrees and undertakes to accept decision of GIPCL in this regards as final and binding on the Bidder without any demur and that no further correspondence shall be done in this regard at any stage. Further, Performance / Security Deposit will also be liable to be forfeited. Any dues to GIPCL from the Bidder / Contractor shall be recovered from the pending bills or any other dues payable to the Bidder / Contractor, if any or otherwise through any other recourse available under the Laws.

The Bidder shall submit all the evidences, documents, attested copies of work orders & work completion certificates etc... as a proof with EMD and also provide the requisite details online for meeting the prequalification requirements. GIPCL will verify the experience, performance, capability & strength of Bidders, independently for executing the job. GIPCL may visit the site & consult the owner of the industry/property where similar job is executed by Bidder. GIPCL reserves the right to accept/split/cancel/reject any/all Bids without assigning any reason thereof. The tenders of qualified Bidder/Bidders shall only be considered for further evaluation.

6. PRE-BID SITE VISIT

Interested parties may carry out site visit to understand nature of work & site conditions. Site visit may be carried out as specified in above NIT with prior written approval of GIPCL.

7. LANGUAGE OF BID

The Bid prepared by the Bidder, and all correspondence and documents relating to the Bid exchanged by the Bidder and the Company, shall be written in the English language. Any printed literature furnished by the Bidder, written in another language shall be accompanied by an English translation for the purpose of interpretation of the Bid.

5. The Bidder shall fill the Bid documents with utmost care in consonance with the instructions contained in the Bid documents.

B: METHOD OF TENDERING/SIGNATURE ON BIDS

- (i) The Bid must contain the postal address like name, residence and place of business of the person or persons submitting the Bid and must be signed and sealed by the Bidder with his usual signature. The name of all persons signing the documents shall also be typed or printed below the signature on each page.
- (ii) Bid by a joint venture/partnership firm must be furnished with full names of all partners and be signed with the partnership name, followed by the signature and designation of one of the authorized partners or other authorized representative(s). A certified copy of the power of attorney authorizing such partner or representative shall also be submitted.
- (iii) Bids by a Corporation/Company must be signed with the legal name of the Corporation/Company i.e. by the President/Managing Director/Secretary or other person or persons authorized to Bid on behalf of such Corporation/Company. A certified copy of the board resolution/power of attorney authorizing such partner or representative shall also be submitted.
- (iv) The Bidder's name stated on the proposal shall be the exact legal name of the firm.

- (v) Erasures or other changes in the Bid Documents shall be initialed by the person signing the Bid.
- (vi) Bids not conforming to the above requirements of signing shall be disqualified.

10. MODIFICATION AND WITHDRAWAL OF BIDS

- a. The Bidder may modify or withdraw the bid prior to the deadline prescribed for submission of bids.
- b. No Bid shall be modified subsequent to the deadline for submission of Bids.
- c. No Bid shall be withdrawn in the interval between the deadline for submission of Bids and the expiration of the period of bid validity.

11. POLICY FOR BIDS UNDER CONSIDERATION

- a. Bid shall be deemed to be under consideration immediately after opening of the bid and till official intimation of award/rejection made by the Company to the Bidders.
- b. While the Bids are under consideration, Bidders and / or their representative or other interested parties are advised to refrain from contacting by any means, the Company. The Engineer, if necessary, will obtain clarifications on the Bids by requesting for such information from any or all the Bidders, in writing as may be necessary. The Bidder will not be permitted to change the price or substance of the Bid after the Bid has been opened.

12. EFFECT AND VALIDITY OF THE BID

- a. The Bid should be kept valid for acceptance for a period of one hundred and eighty (180) calendar days from the last date of submission of Bids.
- b. The submission of any Bid along with the required documents and specifications shall constitute an agreement that the Bidder shall have no cause of action or claim, against the Company for rejection of his Bid. The Company shall always be at liberty to reject or accept any Bid or Bids at his sole discretion and any action will not be called into question and the Bidder shall have no claim in that regard against the GIPCL.

13. OPENING OF BIDS

- 13.1 The GIPCL will open the pre-qualification/Technical Bid/price Bid, as the case may be, in presence of Bidder's representatives whenever such a procedure has been specified. Otherwise the tender will be opened by the authorized officers of GIPCL.

13.2 Preliminary Examination:

- 13.2.1 The Company will examine the Bids for any computational errors, for sureties furnished by bidder, for authentication of documents submitted and completeness of the Bids.

- 13.2.2 Arithmetical errors will be rectified on the following basis:

- (a) If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price will be corrected & will be binding to the bidders
- (b) If there is a discrepancy between the Total Bid Amount and the sum of total prices, the sum of total prices shall prevail and the Total Bid Amount will be corrected & will be binding to the bidders.

14. EVALUATION & COMPARISON OF BIDS

- 14.1 GIPCL shall evaluate the Bids received and accepted by it to ascertain the lowest evaluated Bid in conformity with the specifications of the tender documents.
- 14.2 The Technical Bids will be examined for minor matters regarding qualification of bids. Subsequent to correspondence with the respective bidders, the decision of Tender Committee will be final.
- 14.3 All responses to requests for clarifications shall be in writing and shall be presented to the Company through e-mail or in a sealed envelope on or before the given date

requested by the Company. If the Technical clarifications sought by the Company do not reach the Company on or before due date, the Bid will be rejected.

- 14.4 The comparison of all the Bids shall be carried out with reference to the scope of work as per the technical specification. Any deviation/omission shall be evaluated at highest quoted price of the deviation/omission quoted by any of the Bidder. In case a separate price (for omission) is not given by any other Bidder, a reasonable price of the same shall be taken & the same shall be binding to the Bidders.
- 14.5 The commercial deviation, if any, shall be loaded to bring all the Bids at par. The loading shall be carried out at an interest rate of 2% above PLR of SBI.
- 14.6 A Bid to be substantially responsive shall be one which on evaluation confirms to all the terms, conditions and specifications of the Bid documents without any material deviation or reservation.
- 14.7 For the above referred purpose, a 'material deviation' shall be one which:
 - (a) Which affects in any substantial way the scope, quality or performance of the contract, or
 - (b) Which limits in any substantial way and in a manner inconsistent with the Bid documents, GIPCL's right or the Bidder's obligations, under the contract, or
 - (c) Whose rectification would affect unfairly the competitive position of other Bidders presenting substantially responsive Bids.

15. RIGHT OF REJECTION OF TENDERS

- 15.1 GIPCL reserves the right to accept or reject any Bid or to cancel the Bidding process and reject all Bids at any time prior to award of contract, without thereby incurring any liability to the affected Bidder or Bidders or any obligation to inform the affected Bidder or Bidders regarding the same.
- 15.2 GIPCL reserves the right to debar any Bidder from participation in future Bids if such Bidder has quoted an abnormally low rate in the Bid document/price Bid.

16. AWARD OF CONTRACT

- 16.1 GIPCL will award the contract to that bidder whose quotation has been determined to be substantially responsive and evaluated as the lowest quotation in conformity with the requirements of the specifications and documents contained herein, provided further that the bidder is determined and evaluated to be qualified to perform the contract satisfactorily.
- 16.2 The successful bidder shall be intimated of his selection through the Letter of Intent or Letter of Award/ Work Order which shall be sent to him through e-mail, courier, fax or registered mail.

17. CONTRACT PERIOD

- 17.1 The overall contract will be for a period of Twenty five (25) calendar days. However, core civil works for RCC wall shall be completed during available net shutdown period of Fifteen (15) days during planned shutdown of Unit-1 & Unit-2, mostly in June-2018. Actual shutdown schedule shall be intimated to successful contractor separately. Please refer LD clause in Special Conditions of Contract.
- 17.2 GIPCL reserve the right to short close the contract any time by giving one month notice period without assigning any reason.
- 17.3 GIPCL reserves the right to extend the Contract Period appropriately (based on further requirement) on the same rates, terms and conditions without any price escalation and entering into any new contract.

18. CONTRACT SECURITY DEPOSIT/ PERFORMANCE BANK GUARANTEE

As a Contract Security, the successful Bidder, to whom the work is awarded, shall be required to furnish a Performance Bank Guarantee (PBG)/Contract security deposit in favour of "Gujarat Industries Power Company Limited" for guarantee amount at ten percent (10%) of the "Contract Price" from any Nationalized Bank including Public Sector bank-IDBI

Ltd or AXIS Bank, HDFC Bank, ICICI Bank or Kotak Mahindra bank, Yes Bank, Ratnakar Bank, IndusInd Bank, Karur Vysya Bank, DCB Bank, ING Vyasya Bank or The Kalapur Commercial Co-operative Bank Ltd, Rajkot Nagrik Sahakari Bank Ltd, The Ahmedabad Mercantile Co-operative bank Ltd, The Mehsana Urban Co-operative Bank Ltd, Nutan Nagrik Sahakari Bank Ltd in the format attached in **SECTION-F**, and it shall guarantee the faithful performance of the 'Contract' in accordance with the terms and conditions specified in these documents and specifications. Contract security deposit shall be submitted strictly within twenty one days from the date of Lol or work order, whichever is earlier. The guarantee shall be valid up to Defect Liability Period of Twelve (12) months (01 year) from the contract completion date. The Guarantee amount shall be payable to the Company in Bidder's home currency without any condition whatsoever.

The Performance Bank Guarantee (initial security deposit) will be returned to the Vendor/Contractor without any interest at the end of the 'Defect Liability Period' after completion of contract and on fulfilling contractual obligations throughout the retention period. However, any delay in submission of initial SD will result in equivalent late release of entire SD after retention period.

19. ASSIGNMENT AND SUB-LETTING

The Contractor shall not directly or indirectly assign or sub-let total/any part of the contract to any other party or agency.

20. CONTRACTOR'S OBLIGATIONS

A: DEPLOYMENT & RESPONSIBILITY OF MANPOWER

- (i) The Contractor shall deploy suitably qualified and sufficient manpower for timely & satisfactorily execution of the works under the contract.
- (ii) The Contractor shall deploy sufficient skilled, Semi-skilled and Un-skilled manpower to properly complete the job in given/scheduled time.
- (iii) The Contractor shall depute its own workmen/labor with proper identification to enter the plant premises after ensuring that the jobs are scheduled.
- (iv) At the time of deploying manpower, the Contractor shall strictly comply all the applicable labor laws/Acts norms including but not restricted to the age of the workers, women workers and shall also ensure that a police verification and security check for all the workmen/labor engaged at the GIPCL site is done and necessary documents regarding the same shall be submitted to the GIPCL's authorized representative/officer-in-charge. Any default in complying with the same or any misrepresentation regarding compliance of the same shall compel GIPCL to initiate appropriate civil or criminal proceedings regarding the same.
- (v) The Contractor shall also comply with the safety requirements and provide his workmen/labor with safety equipment like safety helmets, dust masks, gum shoes/safety shoes, etc for properly undertaking the operations involved under this contract. Following are also to be issued:
 - a) Safety shoes (standard approved ISI make in yellow colour only) and/or gum shoes based on day to day requirements.
 - b) Safety Goggles.
 - c) Standard dust mask.
 - d) Hand gloves like cotton hand gloves / Chemical hand gloves.
- (vi) Contractor shall nominate /authorize senior experienced person in writing as Site-In-Charge to co-ordinate with concern GIPCL engineers and who shall bear overall responsibility for performance of the contract. Such person shall remain always available at site. Contractor has to submit the authority letter and documentary proof for the same.
- (vii) The Contractor shall appoint supervisor who shall co-ordinate with GIPCL's Engineer-In-Charge for daily entrusted job. They have to maintain daily records duly signed for the works carried out and duly certified by Engineer-In-Charge. The Contractor in co-ordination with the Engineer-In-Charge shall ensure the availability of adequate manpower to carry out the job satisfactorily on a daily basis. As per the instruction of

Engineer-In-Charge they have to allot the work and execute the same in specified time limit.

- (viii) During execution of the works, one or more jobs may be required to be done simultaneously and the Contractor shall mobilize additional resources accordingly.
- (ix) During emergency or similar situations the Contractor shall be required to mobilize resources as per need within the period of 04 hours as directed by GIPCL. If the contractor fails to mobilize sufficient manpower to complete the job in time, GIPCL will execute the job through other agency at the risk and cost of the contractor with 15% supervision charges & the same will be recovered from the Contractor's bill.
- (x) **Important Note: This is specific shutdown job which require enhancing the work force at site to utilize the opportunity and accordingly, the contractor shall mobilize sufficient work force at site and also arrange round the clock working.**
- (xi) During unit overhauling, the contractor has to enhance the site manpower as per the requirement to ensure the timely completion of work (During overhauling period quantum of work increases substantially). For this, enhanced work shall be completed by deploying additional manpower with separate supervisor. Payment will be made on item rate basis only. The work during the overhauling period is to be carried out round the clock. Contractor should mobilize sufficient number of manpower and execute the work in all shifts with independent manpower. Contractor should not continue the same manpower for more than 12 hours.

B: TOOLS & TACKLES:

- (i) All tools & tackles & equipments required to execute the contract are in the scope of the contractor. The contractor should ensure that tools & tackles are in healthy & working condition. All consumable items would be in the scope of the contractor.
Note: If work is suffered due to want of sufficient manpower, tools & tackles, vehicles, equipments and/or required consumables then 25% of the total job cost will be levied as a penalty for each and every instance.
- (ii) For proper execution of the work as per the scope, the contractor is required to maintain sufficient quantity of tools & tackles, equipments, consumables, other required materials in good working condition at site as per day to day work load and emergency situations to complete the work in stipulated time.
- (iii) In case of breakdown of equipment, the contractor should work round the clock for putting back the area in service immediately within minimum time. In case of any emergency arising during night hours the contractor should be in a position to mobilize the manpower immediately within minimum time.
- (iv) Arrangement for additional lighting at the work spot has to be made by the contractor. He has to arrange all lighting equipment such as power cable, extension boards, hand lamps, halogen lights, etc. The contractor has to take prior approval for taking electrical power supply. The contractor should keep hand lamps of 24Volt for confined space and sufficient quantity of 240 Volt halogen lamp for other area ensuring safety at work place
- (v) Pin sockets of IS standards should be used for all connections. For any accident take place & any damage to the equipment and/or injury to human due to carelessness in loose connection, contractors will be held responsible & liable for any recovery/actions.

21. CLARIFICATION OF BIDDING DOCUMENTS

If any Bidder requires any further information or clarification in the Bidding Documents, may notify the Company before one week of last date of submission of online Bid, in writing or by E-mail at the GIPCL's mailing address slppcivil@gipcl.com as indicated in the 'Invitation to Bids'. The GIPCL's response (including an explanation of the query) will be sent in writing or by E-mail to all prospective Bidders who have received the Bidding Documents.

22. TIME SCHEDULE

The basic considerations and the essence of the 'Contract' shall be the strict adherence to the time schedule for performing the specified 'Works'.

23. UNDERSTANDING AND CLARIFICATION ON DOCUMENTS AND SPECIFICATION

The Bidder is required to carefully examine the specifications and documents, all the conditions and matters work wise & cost wise. If any Bidder finds any discrepancies or omissions in the specifications and documents or is in doubt for any meaning of any part, he shall request in writing for an interpretation/ clarification to the GIPCL or during Pre-Bid meeting.

All such interpretations and clarifications shall form a part of the Bid documents.

24. PAYMENTS

All the payments against the work order shall be in Indian currency and payable through cheque only. However, RTGS system of online payment is also in operation and will be applicable based on submission of required documents.

25. POINTS TO BE CONSIDERED DURING QUOTING ONLINE PRICE BID

- a. The schedule of rates shall be read in conjunction with Instructions to Bidders, General conditions of contract, Special conditions of contract and Technical specifications.
- b. The quantities given in the schedule of rates are estimated and will be made as per actual work carried out as per the rates of work order.
- c. The method of measurement of completed work for payment shall be in accordance with the method of measurement specified in the Special Conditions of Contract.
- d. No separate amount shall be payable for use of auxiliary equipment incidental to or in day to day operation in the course of fulfillment of contractual obligation of the supplier.

Note: (1) Interested registered bidders are requested to submit the online tender at least two days in advance from the due date set for online submission of bid in order to avoid non participation of e-tender due to probable technical problem in e-tender system.

- 2 All bids (technical and price bid) should be submitted online through the website <http://etender.gipcl.com/> only. No physical submission of price and technical bid will be entertained as it should be furnished online only. Also no fax, e-mail, letters will be entertained for the same.
- 3 Following should be submitted 'off-line' in sealed covers separately during dates & time set in NIT at our office at Village: Nani Naroli, Taluka: Mangrol, Dist.: Surat - 394 110, Gujarat.
[1] EMD & Tender Fee, [2] Supporting Documents for Technical Bid.
- 4 Bidders who wish to participate in online tenders will have to register their firm at GIPCL-SLPP through vendor registration option available in the website - <http://etender.gipcl.com/>. Bidders shall fill the online vendor registration form and submit it online. GIPCL will create vendor code which will be used as user ID for online participation in GIPCL's tenders. Both vendor code (user ID) and password will be generated automatically and will be sent by auto generated e-mail to bidder's official e-mail account as provided by bidder in vendor registration form. **Generation of vendor code (user ID) and password will take 2 to 3 days period. Hence, any such bidders, participating first time or who do not have vendor registration, should apply for online vendor registration well in advance. GIPCL will not be held responsible for any such online vendor registration requests not addressed due to received during last moment. For specific tender participation, interested bidder shall select & mention the reference e-tender id allotted to this tender only during filling of online vendor registration form.**
- 5 Using the username & password, bidder can login to the e-tendering and may participate the desired online available live tenders.
- 6 In order to avoid any last moment difficulties in technical login or internet server issues, bidders are requested to complete online bidding well in advance. Final submission of bid shall be done as per stipulated period mentioned in NIT.
- 7 **Interested registered bidders are requested to submit the online tender at least two days in advance from the due date set for online submission of bid in order to avoid non participation of e-tender due to probable technical problem in e-tender system.**
- 8 **Interested nonregistered bidders are requested to submit the online vendor registration form through website: <http://etender.gipcl.com/> at least one week prior to the due date set for online submission of bid in order to avoid non participation of e-tender due to probable technical problem in e-tender system.**

SECTION-C

GENERAL CONDITIONS OF CONTRACT

1. CONTRACT SECURITY DEPOSIT/ PERFORMANCE BANK GUARANTEE

As a Contract Security, the successful Bidder, to whom the work is awarded, shall be required to furnish a Performance Bank Guarantee (PBG)/Contract security deposit in favour of Gujarat Industries Power Company Limited for guarantee amount at ten percent **(10%)** of the "Contract Price" from any Nationalized Bank including Public Sector bank-IDBI Ltd or AXIS Bank, HDFC Bank, ICICI Bank or Kotak Mahindra bank, Yes Bank, Ratnakar Bank, IndusInd Bank, Karur Vysya Bank, DCB Bank, ING Vyasya Bank or The Kalupur Commercial Co-operative Bank Ltd, Rajkot Nagrik Sahakari Bank Ltd, The Ahmedabad Mercantile Co-operative bank Ltd, The Mehsana Urban Co-operative Bank Ltd, Nutan Nagrik Sahakari Bank Ltd in the format attached in **SECTION-F**, and it shall guarantee the faithful performance of the 'Contract' in accordance with the terms and conditions specified in these documents and specifications. Contract security deposit shall be submitted strictly within twenty one days from the date of Lol or work order, whichever is earlier. The guarantee shall be valid up to Defect Liability Period of Twelve (12) months (01 year) from the contract completion date. The Guarantee amount shall be payable to the Company in Bidder's home currency without any condition whatsoever.

The Performance Bank Guarantee (initial security deposit) will be returned to the Vendor/Contractor without any interest at the end of the 'Defect Liability Period' after completion of contract and on fulfilling contractual obligations throughout the retention period. However, any delay in submission of initial SD will result in equivalent late release of entire SD after retention period.

2. RECOVERY CLAUSE

- (i) In case of any damage of equipment/machinery due to negligence of contractor or any other reasons attributed to contractor the decision of Engineer-In-Charge regarding the amount of recovery shall be final and binding subject to a maximum of 10% of contract value. Recovery will be affected from the monthly bills and/or retention money/security deposit.
- (ii) If the contractor fails to execute the work as per directions of Engineer (I/c) within the time frame given in work order and as per day to day instructions by Engineer-in-charge, GIPCL shall get the work done by third party at the risk & cost of the contractor with 15% additional overhead charges of GIPCL.

3. ASSIGNMENT AND SUBLETTING OF THE CONTRACT

The contractor shall not assign or sub-let any part of the contract to any other party or agency without written permission from GIPCL.

4. DEDUCTIONS FROM CONTRACT PRICE

All costs, charges or expenses that GIPCL may have paid, for which, under the contract the contractor is liable, shall be recovered by the GIPCL. The contractor shall pay all such claims within 15 days of claim, failing which the same shall be deducted from the bills of contractor.

5. TERMINATION OF CONTRACT BY GIPCL

Contractor shall be responsible to complete the jobs within agreed time schedule. Contractor shall mobilize required resources within 04 hrs to meet the emergency requirements and in case contractor fails to complete the emergency jobs related to plant operation, GIPCL will engage third party and will recover expenses from contractor's R.A. bills, Security Deposit and / or whatsoever for expenses incurred to complete the job along with additional 15% overhead charges.

In case if contractor's services are not found satisfactory with respect to timely mobilization to meet emergency requirements, time bound activities, workmanship & safety (OHSAS policy of GIPCL) then GIPCL has right to terminate the contract at any time by giving 15 days advance notice without assigning any reason and will make the alternate arrangement at the risk & cost of contractor.

GIPCL may terminate the contract after due recoveries of pending jobs/damages after giving 15 days advance notice to the contractor if any of the following events occur –

- i. Contractor is adjudged as insolvent.
- ii. Contractor has abandoned the contract.
- iii. Contractor fails to proceed with the work with due diligence as per requirements of the contract.
- iv. Contractor has neglected or failed persistently to observe or perform any of the acts, matters or things, which as per the contract are to be observed and performed by the contractor.
- v. Contractor repetitively violating the safety norms for more than three incidents.
- vi. Any major contradiction of applicable labour laws.
- vii. Any major deviations from contractual terms and conditions including quality of job.

6. FAILURE & TERMINATION

If the CONTRACTOR after receipt of written notice from the GIPCL/ ENGINEER requiring compliance, with such further drawings and / or the GIPCL /ENGINEER instructions fails within seven days to comply with the same, the GIPCL /ENGINEER may employ and pay other agencies to execute any such work whatsoever as may be necessary to give effect thereto and all costs incurred in connection therewith shall be recoverable from the CONTRACTOR by the GIPCL on a certificate by the GIPCL/ENGINEER as a debt or may be deducted by him from any money due or to become due to the CONTRACTOR.

If the contractor fails to execute the work or fails to mobilize the resources and equipments as per directions of GIPCL / ENGINEER within the time frame given and/or violating the GIPCL's safety rules & regulations, ENGINEER/ GIPCL shall get the work done by third party at the risk & cost of the CONTRACTOR with additional 15% overhead charges of GIPCL and all costs incurred in connection therewith shall be recoverable from the CONTRACTOR by the GIPCL /ENGINEER as a debt or may be deducted by him from any money due or to become due to the CONTRACTOR.

In case if contractor's services are not found satisfactory with respect to mobilization, time bound activities, workmanship & safety (OHSAS policy of GIPCL) then GIPCL has rights to terminate the contract at any time by giving 15 days advance notice without assigning any reason and will make the alternate arrangement at cost and risk of the Contractor.

7. SETTLEMENT OF DISPUTES

- a. Any disputes or difference of opinion between parties arising out of the contract to the extent possible shall be settled amicably between the parties. If amicable settlement cannot be reached all the disputed issues shall be resolved through arbitration before a Sole Arbitrator appointed by Managing Director, GIPCL according to the provisions of The Arbitration & Conciliation Act, 1996. The place of arbitration shall be at Surat/Vadodara or any other place within state of Gujarat as may be mutually agreed by the parties in consultation with the tribunal.
- b. In appointment of the Sole Arbitrator, if the dispute claim is up to a sum of Rs. 25/- Lakh, a person having a position equivalent to a Retired District Judge shall be appointed; for the claim higher than Rs. 25/- Lakh and up to Rs. 100/- Lakh, the same shall be referred to a Retired High Court Judge and for a claim exceeding Rs. 100/- Lakh, the same shall be referred to a Retired Supreme Court Judge.
- c. Work under the contract shall be continued by the contractor during arbitration proceedings unless GIPCL shall order suspension thereof or any part thereof in writing

or unless the matter in such work cannot possibly be continued unless the decision of the Arbitration proceedings is obtained.

8. INTERPRETATION OF CLAUSE

In case of disputes as regards interpretation of any of the clauses or specification, the decision of General Manager (SLPP) - GIPCL will be final and binding on the contractor.

9. EMPLOYEE'S COMPENSATION INSURANCE

Contractor shall take all risk Insurance Policy to cover all his workmen/employees, staff applicable under the Employee Compensation Act 1923 or any amendment thereof as also insurance cover for third party liability. The contractor shall keep the GIPCL indemnified from all liabilities arising out of his action in pursuance of this contract. The E. C. Policy should be obtained from Surat Jurisdiction and shall be assigned to GIPCL. EC policy should cover the specified contract period.

10. STATUTORY REQUIREMENTS

a. COMPLIANCE OF LABOUR LAWS

1. The contractor shall at his own cost comply with the provision of labor laws, rules, orders and notifications whether central or state or local as applicable to him or to this contract from time to time. These Acts/Rules include without limitation of the followings.
2. Contractor shall be solely responsible and shall fully comply with all the provisions of all the labor laws applicable such as the Minimum Wages Act, 1948, Contract Labor (Regulation & Abolition) Act 1970, Factories Act, 1948, Payment of Bonus Act 1965, Employees Provident Fund and Miscellaneous Provision Act 1952, Industrial Dispute Act 1947, Workmen Compensation Act 1923, Payment of Gratuity 1972, Interstate Migrant Workmen Act 1979, Equal Remuneration Act with Rules, Order and Notifications issued/made there under from time to time.
3. All other Acts, Rules/Bye-Laws, Orders, Notifications etc. present of future applicable to the contractor from time to time for performing the contract job.
- 3.1 The Contractor shall provide and be responsible for payment of Wages, Salaries, Bonus, Social charges, Insurance, Food, Accommodation, Transport, Medical and Canteen facilities and other statutory privileges and facilities to his personnel as per law/rules/regulations and orders of the Central Government, State Government, Local Authorities or other authorities as are in force from time to time. All employees of the Contractor shall be employee of the Contractor.
- 3.2 The contractor shall have a valid license obtained from Licensing Authority under the Contract Labor (Regulation & Abolition) Act-1970 at the time of execution of the contract covering all his employees working at SLPP site and furnish the same failing which GIPCL may terminate the contract at its sole discretion.
- 3.3. The Contractor shall at the time of execution of the contract have a EPF Code Number obtained from the Authorities concerned under the Employees Provident & Miscellaneous Provisions Act, 1972 and remit contributions in respect of the employees employed by him at SLPP Site to the P.F office concerned every month failing which GIPCL will recover from the outstanding payment to the contractor from GIPCL.PF code of Gujarat region should be taken.
- 3.4. The Contractor shall maintain all records/registers required to be maintained by him under various labor laws mentioned above and produce the same before the Statutory Authorities whenever required.
- 3.5 The Contractor shall also submit periodical reports / returns to the various statutory authorities such as the Contract Labour (Regulation & Abolition) Act-1970, Employees Provident Fund Act etc. Under intimation to HR&Admn.Dept.
- 3.6 The Contractor shall not pay less than the Minimum Wages notified by the Government from time to time to his employees of corresponding categories.

- 3.7. The Contractor shall be responsible for payment of overtime wages to his workmen, if any, in case they are required to work beyond the prescribed hours under law as per applicable rates.
- 3.8. The contractor shall take Workmen Compensation Insurance Policy for all his employees working at SLPP. The contractor shall indemnify the company against any liability due to any work injury or accident to any of its employees.
- 3.9. The Contractor shall in the event any of his workmen / employee sustains any injury or disablement due to an accident arising out of and in the course of his employment, provide necessary medical treatment and pay compensation as applicable, required under the Workmen's Compensation Act, 1923.
- 3.10. If any of the persons engaged by the Contractor misbehave with any of the officials or the Company or commit any misconduct with regard to the property of the Company or suffer from any serious communicable disease, the Contractor shall replace them immediately.
- 3.11. The Contractor shall not engage / employ persons below the age of 18 years. Employment of women shall be strictly according to applicable laws.
- 3.12. GIPCL will have right to deduct and disburse the claims of the individual / parties being a principal employer on any account whatsoever in relation to their employment with the contractor. The Security deposit will be released to the contractor at the end of the contractual tenure subject to an undertaking by the contractor that in the event any of his workmen or the heirs of workmen puts up a claim for recovery of money due to him from the contractor before the appropriate authority under the I.D.Act 1947 or under any other labor laws or for compensation under the Workmen's Compensation Act, 1923 and the appropriate authority has given a direction for making payment the contractor will meet the same or indemnify GIPCL if in the event GIPCL pays it as Principal Employer.
- 3.13. The contractor shall make payment of wages to his employees on fixed date within the period specified under the applicable Law, in presence of representative of the company. He will submit a true copy of wage sheet, attendance register and P.F. remitted challans on monthly basis to HR&A dept. for verification and record.
- 3.14. The Contractor shall provide Safety items / kits to his employees such as safety shoes, goggles, ear plugs, hand gloves, safety belts etc., if any, required under the law.
- 3.15. The contractor shall conduct pre-induction and periodic medical checkup of his workmen as per applicable laws.

b. LEGAL ASPECTS

1. Contractor shall maintain all register required under the Labour Laws and make the payment as per the Minimum Wages Act to the workers employed by him.
2. Contractor shall obtain requisite license to carry out this contract under the provisions of Contract Labour Act, 1970 and maintain necessary records and registers under the said Act.
3. Contractor shall submit a copy of each of the registration certificates with respect to Employees Provident Fund and Employee Compensation Act within one week time, from the date of award of this contract.
4. Contractor's employees, agent or sub-agent shall not smoke or light anything within the premises of the GIPCL and carry match box / lighter or any other explosive and /or inflammable material inside the plant.
5. Contractor shall abide by all the statutory rules and regulations like Labour Laws etc.
6. Contractor shall issue an appointment order to each casual labourer stating therein the nature of job to be performed by him and fix time for which the concerned labourers are likely to be deployed. Contractor shall also issue a temporary identity card specifying the period for which the labourer has been deployed.
7. Contractor is fully liable for the persons engaged by him for above work; however, GIPCL reserves the right to deduct any amount legally justified towards any liability not fulfilled.
8. Contractor shall indemnify GIPCL from any liabilities arising out of the employment of the manpower.
9. If the contractor fails to complete the allocated job within specified time frame, GIPCL shall get the work done by third party at the risk and cost of contractor.

11. PAYMENT OF WAGES

Contractor shall be responsible for compliance of all statutory rules, regulation, act enforced from time framed by the government such as Factory Act, Employee Compensation Act, payment of 'Wages Act', Minimum Wages Act', etc in respect of employees engaged by him for the work and shall have to maintain necessary records. In case any amount becomes due to be payable by him to his employees or to the Government under the above rules, regulation, Acts, GIPCL shall keep hold the same till contractor submit evidences as desired by GIPCL in line of such acts.

12. ACCIDENT TO WORKMEN

Contractor shall be fully responsible for injury or death of any of your or third party workmen due to any act omission / indiscretion on your part while undertaking the work and contractor shall fully abide by the statutory requirements of the employee's compensation act. GIPCL shall not be liable for any compensation due to accident, death or injury to any of contractor's workmen or any third party due to negligence, act or omission on your part.

13. LIGHTING

General area lighting will be provided by GIPCL. However work area specific lighting should be arranged by contractor.

14. NIGHT/SUNDAY/HOLIDAY SHIFT

The contractor shall depute qualified and adequate resources in night shift/Sunday/holidays for any emergency job, which may come up at night/Sunday/holiday.

15. SAFETY ASPECT

Contractor shall observe all the safety and security rules and regulation of the GIPCL which are at present in force and which may come into force during the pendency of the contract. Any violation of any rules and regulations will entail immediate termination of the contract.

When contractor moves his lifting tools and tackles to the plant area, required test certificates as per the Factory Act 1948 and the state factories rules has to be submitted to safety Deptt. Safety Deptt. will check the certificates and if found okay, then only materials will be allowed to enter inside the plant. Material inward gate pass will be made only after certification from Safety Deptt. Security Deptt. will inform to Safety Deptt., as & when such tools and tackles brought at the gate for making entry in the maintenance site.

The contractor has to submit the list of required safety gears along with safety equipments available with him to safety Deptt. Safety Deptt will check for quantity and quality of the safety gears and then allowed permission of work. Poor quality material will not be allowed to take inside the Plant. If quantity of required safety equipments is not satisfactory, contractor will not be allowed to carry out the work using such safety gears inside the Plant for the work.

16. GENERAL SAFETY CLAUSES

1. The Contractor shall observe and comply, with regard to his workmen working at the SLPP site, the safety norms as per the safety operating standards.
2. The Contractor shall ensure that his workmen are informed and trained regarding the safety standards to be adopted while operating within the SLPP Plant & Mines premises and the Contractor shall brief them regarding the same and use of the Personal Protective Equipment ('PPE').
3. The Contractor shall issue safety shoes and safety helmet of IS standard to all his workmen immediately on execution of the work and the contractor shall ensure that his workmen wears the protective equipments at all times during the work operation. Brand name for safety shoe & safety helmet shall be suggested by safety representative of SLPP site.

4. Other safety gears like ear plug, dust mask, hand gloves, safety goggles, gum boots, full body safety uniform and belts, safety net etc. shall be issued and used as per the job requirements. Safety helmet shall be of YELLOW COLOUR ONLY. Contractor will procure safety shoes & safety helmet from a reputed company with at least 12 months' guarantee and shall produce the guarantee certificate and IS standard certificate to the safety department. Contractor should purchase safety shoes of reputed brands. Safety shoes will be issued every year. IS certificate and guarantee certificate must be obtained from the vendor and submitted to the Safety department. Safety shoes should be heat, water, oil and chemical resistant, having an anti-slippery sole of 15298- 2002 make.
5. It is the duty of contractor to ensure that his workmen are wearing required PPEs as per work requirement. Contractor should ensure that their workers are wearing Safety helmet, safety shoes, dust mask, goggles, ear plug etc. at all times when they are at work throughout the contract period. The contractor has to maintain the PPE issue registers with signature of workmen.
6. Contractor will reissue these PPEs in case of damage or misplacement of the same. Replacement shall be made immediately.
7. The contractor shall be responsible for providing first aid or emergency medical help and treatment to his workmen in the event of any accident or injury.
8. If it is observed that contractor is not issuing required PPEs timely and that of required quality, GIPCL will issue the required PPEs to contract workers and back charge the same with 25% overhead charges of GIPCL.
9. All lifting tools and tackles shall be duly certified by competent person in conformity with the statutory requirements and certificate in form no. 10 as per rule 60 of Gujarat Factories Rules, 1963 and section 29 of the Factories Act, 1948 shall be submitted every year before using such tools and tackles. In case of purchase of new lifting tools and tackles, form no. 10 as per the said rules shall be submitted before they are taken into use. All lifting tools and tackles shall be of reputed make having International manufacturing standard and shall be maintained in proper and workable condition.
10. The Contractor shall nominate one Safety Officer with required qualification for supervising the daily job/ shutdown jobs for observing and maintaining the safety aspects at site. He is solely responsible for any safety measures during maintenance work. He has to ensure that all the workmen working at site are equipped with essential PPE's and proper safety arrangement is made at the SLPP site.
11. After mobilization of any tools & tackles to site, which includes chain pulley blocks, D-shackles, wire ropes, winch machines, Mobile crane, Hydra etc. shall be offered for inspection with all above statutory test certificate before using at site for any work. They should use all tools and tackles only after certification by GIPCL representative/safety officer.
12. When working at height, working on ceiling or roof covered with fragile materials, full body harness safety belt, ladders and crawling boards shall be used to prevent accident. Further, during working on height, contractor should arrange proper scaffolding of still pipes, safety net, full body safety belt, fall arrestor system etc. Advice and instructions of engineer in charge/ safety in charge shall be strictly complied with in this regard. All necessary safety precautions shall be taken by the contractor to prevent accident and personnel injuries while working on height.
13. Flash back arrestors made of reputed manufacturer shall be provided on cutting torch, on DA cylinders and on O2 cylinder. Cylinder caps also required for handling the cylinders at the work at height area. Gas cylinders shall be transferred through gas cylinder trolley only with cylinder cap and stored up right (vertical) position only. All gas cylinders shall be hydro tested / certified as per gas cylinder rules 2004. Gas cylinders shall be stored, handled as per gas cylinder rules 2004.
14. All vehicles shall be operated by licensed drivers only. All vehicles' PUC to be tested as per Government approved RTO guidelines. All Vehicles must be parked in Parking space designated by GIPCL. If any vehicle is found inside the plant premises other than the parking area such vehicles shall be handed over to Security dept. and their entry shall be cancelled for movement inside the plant premises with immediate effect.
15. All electrical equipment shall be in good condition and free from any defect. Electrical tools & equipments i.e. welding machine, grinding and drill machine etc. may be checked by the electrical engineer of the contractors regularly, every six month at least and report to be submitted to concerned HOD and safety depts.

16. During hot work, contractor will use fire curtains like asbestos sheets or fire blankets to prevent falling and spreading of sparks and hot material on and around the work area. Contractor will procure and use such items. ELCB / RCCB shall be provided with rating of 9-30 milli amperes on welding machine and all portable power tools.
17. The contractor shall fill – up Incident notification form (S-I), Incident Investigation form (S-II) and near miss report within time limit as specified in forms, if any accident, Incident, near miss occurred while working at SLPP site.
18. Major AMC / ARC contractor (Where the man power strength is more than 50 and above) should appoint / nominate one qualified safety officer and he shall be responsible for addressing all the safety related aspects of execution of contract jobs and he will in close co ordination with safety officer of SLPP and attend all safety related meeting such as safety committee, on job safety training etc. Where the contractual man power is less than 50, the site incharge of the contractor will act as a safety officer and he will perform all the duties of safety officer as mentioned above.
19. No loose connection / joints allowed in electrical cables during performance of any kind of job.
20. Safety shoes to be issued to female employees also.
21. All the vehicles shall be fit as per RTO guidelines and valid fitness certificate is required as per RTO guidelines.
22. The Contractor's nominated safety officer shall be imparted regular on-job safety training like tool-box talk etc. and submit a record of such training in safety dept, respective dept and HR&A dept.
23. The Contractor shall comply all the new requirements related with safety as informed by the HOD / Safety department from time to time.
24. Penalty to be imposed for Violation of safety norms is proposed as follows:-
The Contractor & Contract workmen shall strictly adhere to Safety standards / Guidelines as per practices. The list provided below is an indicative list to explain the principles behind safety practice. If the contract workmen fail to comply with safety standards as per category A, B & C below, penalty shall be levied on the contractor as per the table mentioned below:

Category	Classification	Examples / Cases	Penalty
A	PPEs Related	Working without helmet, shoes, safety belt, gloves etc.	Rs. 100 /- per instant.
B	WI Related	Failure to adhere to HSE guidelines/plans, careless attitude in material handling, Machine being used with damaged machine guard, unsafe electrical work - workout plug top/improper electrical joints/cables lying on ground, electrical equipment working without proper earthing, machine being used without machine guard, Welding machine without ELCB / RCCB of proper rating, Gas cylinder without test certificate, Cylinder cap, NRV / Flash back arrester, Cylinder trolley etc.	<ul style="list-style-type: none"> Rs. 500 /- per instant. After three incidence, Per incidence Rs. 2500/- Continuous unsafe acts will disqualify the contractor from further participation in tender of GIPCL-SLPP.
		Unsafe working practices at height more than 3 meters	
		Working without permit or non-compliance with permit conditions like hot work, height work etc. as	

		applicable, lifting tools and tackles being used without third party inspection certificates in form no. 9/10 as per Factory Act – 1948 etc..	
C	Unsafe Practices	Breach of safe practices by a particular person repeatedly for three times.	Suspend the entry gate pass for one week. After two suspensions his gate pass will be cancelled.

Penalty so levied against the contractors and company employees will be used during the observation of National Safety Day.

The contractor, workmen following good safety practices in their work area continuously will be rewarded / honored on National safety day.

17. REJECTION OF WORK

If, as a result of inspection, examination or testing, the GIPCL's Representative/Engineer decides that any materials, work or workmanship is defective or otherwise not in accordance with the Contract, the GIPCL/Engineer/ GIPCL's Representative may reject such plant, materials, work or workmanship and shall notify the CONTRACTOR promptly, stating his reasons. The CONTRACTOR shall then promptly make good the defect and ensure that the rejected item complies with the Contract. If Contractor failed to rectify the rejected work or workmanship, GIPCL/Engineer reserves the right to deduct or withhold amount against rejected work or Workmanship. CONTRACTOR shall not entitle for any claim or release of hold payment until rectify the defect up to satisfactory of GIPCL. If Contractor failed to rectify any such defective work or workmanship, GIPCL reserve the right to rectify at risk and cost of the CONTRACTOR and deducted by the GIPCL from any amount due, or to become due, to the CONTRACTOR's dues.

If the GIPCL/Engineer/GIPCL's Representative requires such materials, work or workmanship to be retested, the tests shall be repeated under the same terms and conditions. If such rejection and retesting cause the GIPCL additional costs for the traveling and lodging costs of GIPCL/Engineer's personal for attending the retest, such costs shall be recoverable from the CONTRACTOR by the GIPCL and may be deducted by the GIPCL from any amount due, or to become due, to the CONTRACTOR.

18. GENERAL TERMS AND CONDITIONS

- a. All tools & tackles and equipments to execute the contract are in the scope of the contractor. The contractor should ensure that tools & equipments are in healthy condition.
- b. Provision of ladders & scaffolding for the work (if required) will be in the scope of the contractor.
- c. If any equipments or part are found damaged due to negligent of the contractor, the equipment cost of such damages shall be recovered from the contractors monthly bill/retention money/security deposit.
- d. To carry out any extra items other than the listed in work order shall be executed by the contractor only after written instruction from Engineer-in charge. The rate of extra item shall be finalized before carrying out the work considering 10% overhead & profit of contractor over expenditure.
- e. Contractor shall also nominate one safety supervisor at site. Safety supervisor shall arrange small safety talk with all workers working under this contract.
- f. Contractor shall strictly follow the existing work permit system of the GIPCL and any future revisions.
- g. The contractor has to take EC insurance policy for their workmen. The contractor has to submit labor license and PF account number to the Engineer-in-charge before start the work.

- h. The contractor has to do the job timely. GIPCL shall not compromise in delay. In case of delay of work without any valid reason, the GIPCL reserves the rights to carry out the work by deploying other agencies at the risk & cost of contractor with additional 15% overhead charges.
- i. Contractor shall mobilize the resources as per need within the period of four hours. If the contractor fails to mobilize sufficient resources to complete the job in time, GIPCL will execute the job through other agency at the risk and cost of the contractor with additional 15% overhead charges.
- j. Contractor should mobilize all resources for efficient & smooth execution of contract within specified period from the date of issue of Letter of Intent/Work Order.
- k. The prices / item rates quoted shall remain firm till completion of the contract and any agreed extensions thereafter and shall not be subject to any escalation, idle charges for labor, machinery, equipments, overhead expenses etc... due to any reason whatsoever. No price escalation / idle charges shall be entertained due to delay in work on unavailability of work front, non-issue of work permit, holding of work permit for any reason, unavailability of contractor's supervisor, violation of safety rules, unsafe act by any of contractor's worker, negligence & ignorance of safety & quality instructions of GIPCL Engineer-in-charge or any other reason whatsoever.
- l. Contractor must fulfill all the safety regulations and to take safety measures to avoid hazards. Contractor shall arrange all standard adequate healthy safety PPEs like but not limited to approved quality safety shoes & safety helmets, standard dust masks, safety goggles, etc... as required and shall use exclusively under this contract for all the time during working at specified locations, failing which, the Engineer-in-charge may hold the work and will take necessary action including penalty as decided. If the contractor repeatedly violates safety rules/regulations (more than three successive incidents), Engineer-in-charge may take necessary action against the contractor, including appropriate financial penalty (Maximum of Rs. 1,000/- per incident per man-day and as per above clause no. 16) and/or termination of contract.
- m. One or more jobs may be required to be done simultaneously and contractor shall mobilize additional resources accordingly.
- n. Timely completion of all jobs and works shall be the essence of this Contract. Contractor should closely monitor each activities and complete the jobs as per the time given by and under the supervision of the Engineer-In-charge and shall ensure that sufficient manpower is deployed for the same.
- o. The contractor has to complete the works as per the planning schedule and their respective supervisor has to interact with Engineer-In-Charge for PTW (Permit to work), work instruction, Return of permit etc.
- p. The contractor has to submit daily reports showing work carried out with details of available manpower, material & machinery etc.
- q. Any job other than the listed jobs in work order shall be executed by the contractor on instruction from GIPCL and payment shall be made to the contractor on respective item rate only.
- r. The Government of India has enacted the Micro, Small and Medium Enterprises Development Act, 2006 (the "Act") and the Act has come into force from October 2, 2006. The Bidder shall confirm whether your organization is registered under the Micro, Small and Medium Enterprises Development Act, 2006. If your organization is registered under the Act, please specify the category i.e., Micro Enterprise, Small Enterprise or Medium Enterprise under which it is registered and kindly attach a copy of your registration certificate.
- s. The Bidder shall provide details of registration along with copy of the registration certificate issued by the District Industries Centre/Department of Industries, etc of the respective State Government. It is to be noted that large scale industries and trading firms have been excluded from the purview of the Act.
- t. GIPCL is an ISO 9001, ISO 14001, OHSAS 18001 & ISO 50001:2011 (EnMS) certified company, and GIPCL gives extreme importance to maintain these global standards. Contractor shall be required to observe these standards while working with GIPCL. Contractor should ensure that his workmen/labour work in accordance with them.
- u. **Defect liability period (Guarantee Period):** The defect liability period for respective job shall be 01 (One) year after completion of work as certified by GIPCL. During defect liability period, if any defect arises in jobs which have been already executed, shall be rectified by the contractor free of cost within 07 days of receiving of complaint.

19. CONTRACTOR'S SUPERVISION

The contractor shall, during the whole time the work is in progress, employ a qualified experienced site-in-charge of the works with adequate experience in handling of jobs of this nature and with the prior approval of the GIPCL / ENGINEER. Such in-charge shall be constantly in attendance at the site during working hours. During CONTRACTOR'S supervisory engineer absence during working hours, if unavoidable, and also beyond working hours, when it may be necessary to give directions, orders may be given by the ENGINEER / GIPCL and shall be received and obeyed by the CONTRACTOR'S superintendent or Foreman who may have charge of the particular part of the work in reference to which orders are given. If requested to do so, the ENGINEER /GIPCL shall confirm such orders in writing. Any directions, instructions or notices given by the ENGINEER / GIPCL to him, shall be deemed to have been given to the CONTRACTOR. The representative of the CONTRACTOR shall have all necessary powers to receive materials from the GIPCL, issue valid receipts for the same, engage labour or purchase materials and proceed with the work as required for speedy execution.

None of the CONTRACTOR'S Superintendents, engineers, supervisors or labour should be withdrawn from the work without due notice being given to the GIPCL / ENGINEER; further no such withdrawals shall be made if in the opinion of the GIPCL / ENGINEER such withdrawals will jeopardize the required pace of progress / successful completion of the work.

The CONTRACTOR shall employ in or about execution of the work only such persons as area careful, skilled and experienced in their respective trades, and the GIPCL shall be at liberty to object to and require the CONTRACTOR to remove any person employed by the CONTRACTOR in or about execution of works who in the opinion of the ENGINEER misconducts himself or is incompetent or negligent in the proper performance of his duties and all such persons shall not again be employed upon the works without the prior permission of the GIPCL. Neither the CONTRACTOR and the PURCHASER nor the ENGINEER shall hire or employ any employee of the other party except by mutual consent.

20. CONTRACTOR TO REMOVE ALL OFFENSIVE MATTER IMMEDIATELY AND CLEAN-UP

All loose materials, wastage, packing materials, cut pieces or other matter of an offensive nature shall not be deposited on the surface, but shall at once be carted away by the CONTRACTOR to some pit or place provided by him away from the site of work and approved by local authorities.

As a part of the work included in this contract, the CONTRACTOR shall completely remove and satisfactorily dispose of all temporary works to the extent directed. He shall tear down and dispose of all temporary works, shall remove or grade, to the extent directed, all plant and equipment, shall satisfactorily dispose off all rubbish resulting from the operations under this contract and shall do all work necessary to restore the territory embraced within the site of his operations to at least as good order and conditions as at the beginning of the work under this contract.

21. FACILITIES TO BE PROVIDED BY GIPCL

- A.** The Company shall provide the following facilities to the Contractor at the site:
- Electricity & water at nearest available one point. Further distribution to be done by contractor at their cost.
 - Quarter(s) for supervisor/ engineers on chargeable basis in GIPCL's township at discretion of GIPCL if available.
 - Workshop facility as available at site only on chargeable basis. However contractor may visit the workshop to ensure the existing facility. For the facilities other than available, contractor has to carry out the job outside at their own cost.
 - First aid facilities as available on chargeable basis.

Apart from the above, no other facilities shall be provided by GIPCL.

- B.** GIPCL shall also conduct an orientation program appraising the workmen regarding the safety norms and measures to be observed during work operations at the plant site.

22. WORK MEASUREMENT/CERTIFICATION

- a. The work to be performed being a specialized nature, the contractor should be fully conversant with modern practices and should be able to carry out works independently of bituminous road work. The contractor shall therefore be required to engage effective personnel to undertake the work as per specifications and requirement.
- b. Contractor should maintain one computer with printer for keeping daily records and maintain the data.
- c. The Contractor shall be required to furnish satisfactory job completion report to GIPCL. The submission of report should be on daily basis, the bill payment shall be released based on the certified reports of the works.
- d. Inspection of work will be done by Engineer-in-Charge or his authorized representative. If the work is not found satisfactory Engineer-in-charge reserves the right to take suitable action and shall be binding to the contractor.

23. FORCE MAJEURE

The performance of the obligations herein contemplated may be suspended without incurring the penalty in the event of the subsistence of Force Majeure conditions.

If a Force Majeure situation arises, the affected Party shall promptly notify the other Party in writing of such conditions and the performance shall be suspended as per mutual agreement.

For the purposes of this clause, 'Force Majeure' means an event beyond the control of the Party and not foreseeable by the Party and shall include events of floods, explosions, riots, wars, hurricane, epidemics, any other Act of God, quarantine restrictions, terrorism, government actions and provided always that such acts result in the impossibility of the further performance of the contract.

24. INDEMNITY

The Contractor shall indemnify and keep harmless GIPCL from and against all actions, proceedings, claims, demands, losses, costs, damages and expenses whatsoever which may be brought against or suffered by GIPCL which it may sustain, pay or incur as a result of or in connection with the performance/ purported performance/ non-performance of the contract by the Contractor.

In case, in any litigation pertaining to labour employed through contractor if any direction or order is issued by court at any point of time the contractor shall comply with and implement such direction or order whether passed at the time of award of contract or during the pendency of contract. Further, the Contractor shall indemnify the GIPCL against all consequences arising and affecting GIPCL owing to the compliance of the orders by the Contractor.

25. GOVERNING LAW AND JURISDICTION

This tender document and contract shall be governed by the laws of India and the Courts at Surat shall have jurisdiction regarding the same.

- 26.** Where any portion of the General Condition of Contract is repugnant to or at variance with any provisions of the Special Condition of Contract, then unless a different intention appears, the provision of the Special Conditions of Contract shall prevail to the extent of such repugnancy of variance.

SECTION-D

SPECIAL CONDITIONS OF CONTRACT

1. SCOPE OF WORK

The scope of work covered in general comprises Civil works and/construction like excavation, concreting, bar bending & fixing, shuttering, chemical rebar fixing, expansion joints/water stopper etc in nature of Industrial civil maintenance & repairing jobs, as per specifications, nomenclature of Schedule of Rates (Section-E) and as directed by Engineer-in-charge.

Contractor shall carryout the work as given in tender documents within provided time period for particular job and the works shall conform to high standards of engineering, design, workmanship, quality, proper line, level and as directed by Engineer-in-charge.

Contractor shall nominate independent supervisor to receive day to day work instructions from Engineer-in-charge. Supervisors will co ordinate with user department to ascertain their exact requirements, activity planning, material & manpower planning & monitoring etc. They will be responsible for mobilization of manpower, materials, tools & tackles, equipments and other required resources to carry out the work as per requirement and also responsible to take field measurements jointly with supervisor of GIPCL in measurement register.

Contractor shall deploy sufficient nos. of manpower for day & night shifts and also deploy separate gangs of manpower for working simultaneously from both ends of wall to ensure timely completion of work in available limited shutdown period. Contractor shall also provide full time experienced supervisors for supervision of work in both shifts, providing & fixing metallic scaffolding, ladders, arrangement of platform for working at height, safety PPEs like but not limited to double harness full body safety belts, safety shoes, goggles, dust masks, helmets, etc... and all safety PPEs shall be in good working condition, along with all labour, tools & tackles, sufficient nos. of lighting equipments with power cables of sufficient length according to site requirement for night working, good quality sufficient capacity & sufficient nos. of concrete mixer machine in working condition for round the clock working from both ends of the wall, sufficient quantity of shuttering materials, sufficient nos. of bar benders, carpenters, mixer machine operators, gangs of concrete work, availability of tarpaulin covers for rain protection and any other incidental activities or works which are not envisaged but likely to be carried out for satisfactory & timely completion of entire scope of work within stipulated limited shutdown period as directed by Engineer-in-charge. Standby arrangements shall be kept on site to counteract uncertainty or emergency situations.

It is not the intent to specify herein all the works in the scope of this contract. The scope also includes all works necessary, which are not specifically mentioned here but required, for completion of entire scope of work in all respect within time bound period and are deemed to be included in the scope of the CONTRACTOR. All works shall conform to the specification. The works shall conform to high standards of quality and workmanship.

GENERAL TECHNICAL SPECIFICATIONS

A. DISMANTLING WORK.

1. Dismantling work shall be carried out on control manner as directed by Engineer-in-charge.
2. Before starting of any dismantling work, Contractor shall take permission from Engineer-in charge.
3. In case of emergency work of dismantling, Contractor shall arrange compressor with breaker within 24 hours time. No additional payment shall be made for dismantling done using breaker.
4. The rate of dismantling is including cost of labour, material, tools & tackles, breaker, etc.

B. EARTHWORK, FILLING, DRESSING

1. The scope of work for earth work, filling, dressing is as per item nomenclature.
2. The rate of earth work, filling, and dressing is including cost of labour, material, tools & tackles, auger, JCB, etc.
3. Contractor shall take permit to start any excavation work to avoid damage of cable & safety of person working.
4. Due to negligence of Contractor, if any damage found in cable/pipe, the repairing/replacement charges shall be recovered from the contractor's bills.
5. Contractor shall maintain level record for measurement of excavation in case of major excavation.

C. FOUNDATION & CONCRETE WORK

1. The scope of work for foundation & concrete work is as per item nomenclature.
2. The rate of foundation & concrete work is including cost of all labour, materials (except free issue of cement & reinforcement steel), tools & tackles, equipment, etc.
3. Contractor shall maintain their equipment in running condition with standby arrangement.
4. Contractor shall prepare pour card and get sign from GIPCL engineer before pouring of any major / important concrete work.
5. Contractor shall keep required equipment at site for quality check of materials & concrete.
6. Chairs & laps provided in RCC work shall be considered only for reconciliation purpose.

Specific Requirement: Time is essence for this contract and work should be completed strictly within stipulated time period for which contractor shall deploy additional numbers of manpower round the clock i.e. in all the three shift with supervisor as per requirement to achieve average daily progress.

Contractor shall deploy & provide sufficient nos. of manpower, full time experienced supervisors for supervision of work, equipments, safety PPEs, etc... along with tools & tackles and any other resources for incidental activities or works which are not envisaged but likely to be carried out for satisfactory & timely completion of entire scope of work as directed by Engineer-in-charge.

1.1 GENERAL SCOPE OF CONTRACTOR

1. All tools & tackles, labour, equipments, materials (except specified free issue material) to execute the contract will be in the scope of the contractor. The contractor should ensure for healthiness/working conditions of tools, tackles & equipments.
2. All consumable items like petrol, diesel, oil, fuel, spares, lubricants, etc will be in the scope of the contractor.
3. In case of any breakdown of contractor's tools & tackles, equipments and/or vehicle, contractor shall arrange immediate repair & maintenance to bring back the same in operation within shortest possible time. All costs towards such repair & maintenance (including spares) will be in the scope of contractor.
4. The Contractor shall have to make necessary arrangement for safe storage of materials including safety & security of GIPCL's issued items till final handing over at their own cost.
5. All safety/PPEs required during work at site are to be arranged & supplied by the contractor to all his workers & supervisors.
6. Lighting at work area shall be arranged by contractor by providing sufficient nos. of halogens with power cables & extension boards.
7. The Contractor shall have to provide necessary facilities including accommodation, food, snacks, beverages, etc for their labour at their own cost.
8. The contractor has to arrange transportation for lifting/shifting the materials/tools at their own.

9. Contractor has to depute their full time experienced site-in-charge & independent supervisor for work execution as per specification and for day to day work planning & coordination with Engineer-in-charge, to record joint work done reports/measurements, to prepare & apply manpower gate pass, to maintain statutory & legal compliance records, etc...
10. Contractor should maintain following sufficient number of tools & tackles throughout the contract period:-

Sr. No.	Description	Minimum Quantity
1.	Concrete Mixer Machine	2 nos.
2.	Electronic Concrete vibrator	4 nos.
3.	Vibrator needles (60 mm)	4 nos.
4.	Vibrator needles (40 mm)	1 no.
5.	Shuttering material	150 sqm
6.	Staging & Scaffolding material	As per requirement
7.	Dewatering pumps	3 nos.
8.	Concrete cube mould	12 nos.
9.	Concrete drill machine	2 nos.
10.	Tractor with trolley	1 no.
11.	Hand trolley / Hand cart	2 nos.
12.	Bar bending & cutting machine	1 set
13.	Plate vibrator	2 nos.
14.	Concrete breaker machine (Electrical concrete breaker).	2 no.
15.	Concrete Breaker with compressor	1 no.
16.	Earth compactor	1 no.
17.	Auto level with staff	1 set
18.	Ladder	2 nos.

NOTE:- The Contractor shall note that above list is not exhaustive and if any additional tools & tackles or equipment, machinery etc., are required for proper performance of the contract, the contractor shall also arrange the same immediately without any extra cost to GIPCL.

1.2 **FREE ISSUE MATERIALS BY GIPCL**

The rates are with free issue of reinforcement steel, cement, Fly ash/Bed ash or Bed material, Rubble stones etc... unless otherwise specified in the items and other free issue materials specified in item nomenclature in SoR. All free issue materials shall be issued either from GIPCL store or storage area or silo area on specific request by contractor. Necessary transportation of free issue material is in the scope of contractor except Bed Material.

Reinforcement steel shall be issued on weight basis and cement shall be issued in no. of 50 kg bags from GIPCL store. The reconciliation of free issue material shall be done as under:-

- i. The contractor shall keep an up to date record of the materials issued by GIPCL and consumed on the work, in daily register. The contractor shall also submit weekly statements for actual consumption of such materials and stock position with him. The actual consumption shall be calculated based on theoretical quantities worked out from drawing issued by engineer or as jointly recorded measurements on site.
- ii. Contractor shall utilize entire steel issued to them by providing necessary splices / lapping. The un-avoidable cut balance up to 3% of consumed quantity shall be returned to GIPCL store by weight basis and for this no amount will be recovered.
- iii. The recovery of balance quantity reinforcement steel above 3% will be made @ Rs. 50,000/- per MT or at market rate, whichever will be higher. For cement, the

recovery shall be affected at the rate of Rs. 300/- per bag or at market rate, whichever will be higher for quantities above theoretical consumption.

- iv. No unaccountable wastage will be allowed. No allowance shall be given for rolling tolerance, burning, due to cutting. Contractor shall give account for entire quantity of steel issued to him i.e. no invisible wastage will be considered / allowed.
- v. Reconciliation of free issue cement will be made based on following item wise cement consumption factors.

SR. NO.	Item Description	Unit	Cement consumption in Kg per unit
1	PCC 1:2:4	cum	320.000
2	RCC M25	cum	380.000

1.3 **TO REMEDY DEFECTIVE WORK**

If the work or any portion thereof shall be damaged in any way excepting by the acts of the GIPCL, or if defects not readily detected by proper inspection shall develop before the final completion and acceptance of the whole work, the CONTRACTOR shall forthwith make good, without compensation, such damage or defects in a manner satisfactory to the ENGINEER / GIPCL. In no case shall defective or imperfect work be retained even if contractor followed all technical specifications. GIPCL will not compromise for quality of materials, works & workmanship.

The CONTRACTOR shall remain liable under the provisions of this clause notwithstanding the passing by the GIPCL of any certificate, final or otherwise or the passing of any accounts.

1.4 **DAILY DIARY AND PROGRESS REPORT**

A daily diary register will be kept in the ENGINEER'S office. The CONTRACTOR will supply all detailed information every day at 9:00 hours for the day preceding and the diary will be jointly signed by the ENGINEER and the CONTRACTOR'S representatives, every day in token of its correctness. A works instruction book, serially numbered will also be kept in the ENGINEER'S office and all day to day instructions will be given in that book. The CONTRACTOR'S representative shall report every day to see these instructions and sign them at the bottom in token of his having seen them.

The CONTRACTOR shall supply all information regarding procurement of materials and progress of work, as is required by the ENGINEER for compiling the weekly progress reports. This information shall be supplied by 9:00 hours on every Monday, for the preceding week.

1.5 **SAFE STORAGE OF MATERIALS**

Contractor shall be responsible for safe storage of all materials and shall guard the materials to avoid pilferage, loss, damage and theft and contractor shall be responsible till handing over.

2. **PRICE & RATE**

This is SoR based contract and final item rates will be derived by applying contractor's quoted percentage rate on GIPCL's provided SoR item rate. The item rates so derived shall be inclusive of cost of all labour, supervision, materials (except free issue materials by GIPCL as mentioned in above clause no. 1.2 or specifically mentioned free issue of material in item nomenclature in Schedule of Rates), spares & maintenance, staging, shuttering & scaffolding materials, survey works, transportation, loading, unloading, equipment, machinery, breaker machines, Concrete Mixer machines, Concrete vibrators, water tanker, JCB, all field test apparatus, all consumables like but not limited to petrol, diesel, oil, gas, power cables, power supply extension boards, sockets, all the required tools & tackles,

safety equipments & PPEs, Royalties, Rents, Stamp Duties, Central or State Government or Local body or Municipal Taxes or Duties or any other duty / tax (excluding GST) levied by the Central, State Government or other Public bodies etc..., contractor's overheads & profit, etc... and such other costs that are not specifically mentioned herein but will be incurred by the contractor for the satisfactory and timely completion of the work. Idle time charges for any reason whatsoever shall not be entertained by GIPCL.

The rates shall be firm for entire contract period and also during extension, if required and shall not be subject to any escalation in prices, idle charges for labour, machinery, overhead expenses etc. No price escalation / idle charges shall be due to any reason whatsoever.

The prices / item rates quoted by Bidder shall remain firm till completion of the contract period and any agreed extensions thereafter and shall not be subject to any escalation, idle charges for labour, machinery, overhead expenses etc. No price escalation / idle charges shall be payable due to delay in work by contractor or due to non-availability of work front by GIPCL or any reason whatsoever.

The price/rate quoted by CONTRACTOR shall be considering mobilization of all required manpower, tools & tackles, materials, equipment for timely and satisfactory completion of all scope of work.

The value and/or quantum of work may be increased or decreased depending upon day to day requirement. However, item rates remains unchanged and the payment shall be made as per the actual quantity executed as informed & certified by GIPCL representatives.

No price escalation / idle charges shall be payable for machinery or labour due to delay in work for any reason like but not limited to non-availability of work front, holding the work by GIPCL due to violation of contract conditions by contractor, disturbance in work due to simultaneous working by other agencies, delay in issue of free supply items, short closing of the contract or any whatsoever reason. Contractor shall arrange additional manpower & resources without any additional cost implication on GIPCL to match such delays to complete the work in scheduled period.

3. CONTRACT PERIOD

The overall contract period will be Twenty five (25) calendar days. However, core civil works for RCC wall shall be completed during available net shutdown period of 15 (Fifteen) days during planned shutdown of Unit-1 & Unit-2, mostly in June-2018. Actual shutdown schedule shall be intimated to successful contractor separately.

The scope of work required to be completed in limited shutdown period. Accordingly, contractor has to arrange sufficient nos. of manpower for day & night shift working and also required to deploy sufficient nos. of separate manpower gangs for working simultaneously from each side of wall to ensure timely completion of work, full time experienced supervisors (including safety supervisor) for supervision of work in both shifts, providing & fixing metallic scaffolding, ladders, dewatering pumps, scaffolding materials, safety PPEs, etc... as directed by Engineer-in-charge with all labour, tools & tackles, safety tools & tackles, sufficient nos. of lighting equipments with power cables for night working, sufficient cleaning equipments, sufficient nos. of concrete mixer machines, concrete vibrators, breaker machines and any other incidental activities or works which are not envisaged here but likely to be carried out for satisfactory & timely completion of entire scope of work within stipulated shutdown period as directed by Engineer-in-charge.

For timely completion of work and to evaluate & monitor desired daily progress of work, contractor must submit daily progress report to the Engineer-in-charge along with details of manpower & their activities.

GIPCL reserve the right to short close the contract any time by giving one month notice period without assigning any reason.

4. LIQUIDATED DAMAGES FOR DELAY

- 4.1 In the event of the contractor failing to comply with the approved time schedule, he shall be liable to pay as compensation, a sum equal to one percent (1%) of the "Order Price" per day of delay as Liquidated Damages (LD). However, the above amount of LD will be subject to maximum of 05% of the order price.
- 4.2 The OWNER may without prejudice to any other method of recovery, deduct the amount of such damages from any money due or which may become due to the CONTRACTOR. In the event of extension of time being granted by the ENGINEER / OWNER in writing for completion of work, this penalty clause will be applicable after the expiry of such extension period.
- 4.3 All sums payable by way of Liquidated Damages shall be considered as reasonable compensation to be applied to the use of the OWNER without reference to the actual loss or damage sustained and whether or not any damage has been sustained.

5. TERMS OF PAYMENT

A. Conditions of Payment:

The contractor shall raise the first & final invoice in duplicate (one original in physical form and soft copy in MS Excel format as directed by Engineer-in-charge) after completion of entire scope of work along with the documents as provided hereinafter. On receipt of the invoice complete in all respects and with all the said documents, the payment in respect of the same shall be made within 21 days of such receipt of a complete invoice as per the following terms of payment:

- (i) 100% of bill along with 100% taxes shall be released against the work executed duly certified by GIPCL. Income Tax (IT) will be deducted at source from monthly RA bills as per the rules in force.
- (ii) Security deposit at 10% of contract value shall be submitted as per clause no.: 1 of Section-C. Security deposit will be returned to the Contractor without any interest after successful completion of defect liability period from actual contract completion date as certified by Engineer-in-charge as per clause no.: 1 of Section-C.
- (iii) GST shall be paid along with bills after fulfillment of following terms.
 - (a) Submission of copy of registration certificate issued by GST Authority (to be furnished only once).
 - (b) Citing the GST no. and the date of issue of registration certificate on invoices.
 - (c) Contractor shall also mention GSTN Number of GIPCL on Invoices.
 - (d) Claim of GST amount with percentage (%) separately shown on the invoices.
 - (e) The Contractor shall inform the GIPCL in the event of its registration certificate is cancelled or discontinued for whatsoever reason.
- (iv) At the time of submission of the Bill, the Contractor shall also furnish the checklist as per **ANNEXURE-A** enclosed with the Section-F of tender document along with the RA bill/final of respective month.
- (v) The contractor along with the Bill shall submit copy of P.F. Challan, Photo copies of wages register, photocopies of attendance sheet etc of respective month/period & copy of ECR statement indicating the employee and employer's P.F contribution with respect of employees employed by him for the contract at GIPCL site.
- (vi) The Contractor shall submit his Final Bill within a period of three months of the expiration or earlier termination of the contract or any extensions that may be granted by GIPCL to the Contractor. GIPCL shall not entertain any bill for any work item after expiration of period of three months.
- (vii) The Contractor shall include all his claims in the Final Bill submitted by him and accordingly the final bill submitted by the Contractor shall be deemed to be inclusive of all and whatsoever the claims that the Contractor may have from GIPCL. The Contractor shall not be entitled to claim any amounts which are not mentioned in the Final Bill and the Contractor shall be deemed to have waived any claims not mentioned

in the Final Bill and shall not be entitled to recover the same from GIPCL subsequent to the submission of the Final Bill on any account and GIPCL shall stand absolved of all its liabilities in respect of any such claims not raised by the Contractor in his Final Bill.

B. Validity and Uniformity of Rates

The rates shall be valid for the Contract Period and agreed extension and shall remain unaltered during the Contract Period.

6. SCOPE OF GIPCL

1. Electric power supply at one point only as convenient to GIPCL and subject to the availability. Before drawl of such energy, contractor shall take prior permission of the same.
2. Water shall be made available free of charges at any one point nearer to work site as convenient to GIPCL. Contractor shall make his own arrangements for drawl and distribution to the work site. Before drawl, contractor shall take prior permission of the same.
3. Facilities available at workshop, solely at discretion of the GIPCL.
4. Facilities of Hydra, solely at discretion of the GIPCL.

Apart from the above, no other facilities shall be made available by GIPCL and it would be the responsibility of contractor to arrange for all other inputs for satisfactorily completion of the work within the time limit.

The above facilities to be provided shall be as per availability and GIPCL shall not be held responsible for any interruptions, idle labour, etc...

The contractor shall provide necessary facilities, including transportation, food, accommodation, etc... for their labour at his own cost.

7. INSPECTION OF SITE (AREA OF WORK) BY BIDDERS

BIDDER shall inspect the site, examine and obtain all information required and satisfy himself regarding matters such as access to site, communication, transport, working condition including constraint of work place, confined area, quantum of work, running equipment, importance of work, working conditions, quantity assessment, safety requirements, materials storage arrangement and tool & tackles, facilities required for the satisfactory completion of work, etc before submission of his Bid. Ignorance of site conditions shall not be accepted by the GIPCL as basis for any claim for compensation. The submission of a Bid by the BIDDER will be construed as evidence that such an examination was made. Any later claims / disputes in regard to rates quoted shall not be entertained or considered by the GIPCL.

The rates quoted by BIDDER shall be based on his own knowledge and judgment of the conditions and hazards involved and shall not be based on any representations of the Engineer.

8. MODE OF MEASUREMENT

Measurement shall be as mentioned in schedule of quantity (Section-E) up to three places of decimal for the work done. All the items shall be measured as finished work as per the item nomenclature, technical specifications and accordance with standard IS practice.

The contractor shall be required to furnish satisfactory job completion report and joint record of measurement to GIPCL. The submission of report should be on daily basis. In the bill, payment shall be released based on the joint measurement record of the works.

Wherever any dispute regarding mode of measurement arise, the decision of the Engineer-in-charge shall be final and binding to the contractor.

9. SUBMISSION OF TECHNICAL DOCUMENTS TO THE ENGR-IN-CHARGE

Contractor shall submit following documents to the Engineer-in-charge for verification purpose of the bill:-

- (i) **Measurement sheet along with joint record of work done in the form of joint inspection report** duly signed by authorized representative of contractor and GIPCL Engineer.
- (ii) Contractor's material incoming challans duly stamped & signed by plant gate security.
- (iii) Contractor's supplied material test reports as directed by Engineer-in-charge.

The bill will not be entertained without submission of above documents.

10. SUBMISSION OF STATUTORY COMPLIANCES WITH EACH BILL

Contractor shall submit each RA bill of work carried out along with following documents.

- (i) Copy of statutory compliance like labour license, wages payment register, EC Policy, PF paid Challan with ECR, etc... along wage certificate pertaining to respective bill period as per applicability.
- (ii) Notarized Indemnity Bond in case of Final bill.
- (iii) No claim - No arbitration certificate as per Performa (Annexure-D), after releasing final bill payment.

Bill submitted without any of the above documents shall not be processed for payment.

11. MOBILIZATION AND EXECUTION

- a) Contractor shall mobilize the resources at site within specified period from the time of intimation given by GIPCL.
- b) Contractor shall provide independent site supervisors who will be responsible for supervision and execution of job in specified time with respect to quality, specifications, site preparations, safety, co ordination with GIPCL, issue of work permits, joint measurements, etc... The supervisors shall coordinate with the Engineer-in-charge of GIPCL for proper execution of the job.
- c) The resources required for execution of above jobs will vary from time to time, hence contractor shall mobilize the resources accordingly.
- d) Contractor shall provide accommodation for the persons deployed by him for the work at his own cost.

12. QUANTITY OF WORK

The estimated quantities of work required to be carried out by the contractor are as given in the Section-E (Schedule of Quantity). The quantities specified are estimated and shall vary according to the exigencies of work at site. However, the rate quoted by Bidder shall remain firm irrespective of any variation in estimated quantities. Contractors shall engage required nos. of labors along with required tools & tackles, materials, equipments, etc as per work load and emergency situations throughout the contract period to perform his contractual duties.

In case, contract quantity/amount exhausted or extra time period required for completion of scope of work, GIPCL reserve the rights to increase the quantities or contract amount, extend the contract period for successful completion of scope. Contractor shall responsible to complete the particular job up to entire satisfaction of Engineer-in-charge. The item rates remain firm & unchanged till completion of the contract and any agreed extensions thereafter and shall not be subject to any escalation, idle charges for manpower, material, machinery, overhead expenses etc... for any reason whatsoever. The quantum of work may

depend upon requirement. However, item rate remains unchanged. Under this contract, contractor has to execute all work as per the Plant requirement.

13. GENERAL CONDITIONS OF CONTRACT

General Conditions of Contract (Section-C) and detail specification prepared by the company will be applicable for this contract. The same is enclosed herewith. Bidders are advised to go through the same.

Where any portion of the general conditions of contract is repugnant to or at variance with any provisions of the special conditions of contract, then unless a different intention appears, the provision of the special conditions of contract shall prevail to the extent of such repugnancy of variance.

SECTION-E PRICE BID FORMAT

PARTICULAR/ DESCRIPTION (1)	SoR AMOUNT OF GIPCL (in Rs.) (2)	Contractor's % (percentage) to be filled ONLINE by bidder (equal, below or above SoR) (3)	Total Quoted Amount in (Rs.) (4)
Civil works for rehabilitation/strengthening/retrofitting of damaged RCC wall of Phase-I fore-bay channel as per SoR and other terms & conditions of contract.	15,16,345/-	Equal(0.00) Above (+) Below (-)	

NOTE: Total quoted amount in column (3) is inclusive of cost of all approved materials (except specified free issue materials by GIPCL), labour, tools & tackles, equipments, all taxes & duties (except GST), overhead, profit etc. Bidder must submit his/their bid offer (in percentage) as under through website: <http://etender.gipcl.com/> only.

SCHEDULE OF QUANTITIES & RATES (SoR)

Sr. No.	I T E M	QUANTITY	UNIT	RATE (Rs.)	AMOUNT (Rs.)
1	Dismantling the existing foundation concrete including sorting out and stacking the useful materials and removing the debris outside plant premises and making good the damage etc. complete as directed.				
	(a) Unreinforced cement concrete	20.000	C.M.	835.00	16,700.00
2	Dismantling the R.C.C. work & disposing off the stuff outside plant premises including stacking of the useful materials etc. complete as directed.				
	(a) Light reinforcement (Main bar up to 16 mm dia.)	40.000	C.M.	1,200.00	48,000.00
3	Dismantling the rubble pitching including sorting out and stacking of the useful materials on site including removing the rubbish etc. outside plant premises complete as directed.	10.000	C.M.	670.00	6,700.00
4	Excavate foundation in all kinds of soil including soft rock except hard rock requiring blasting in both wet and dry conditions, dewatering of surface and subsurface water, shoring, planking and strutting (if required) disposal / stacking of surplus excavated soil over areas including disposal of excavated earth within the lead of 3.50 KM one way from radial distance at designated location and lift up to 1.5m, disposed earth to be leveled and neatly dressed and as per specifications and directions of the engineer. The measurement for payment shall be the theoretical excavation volume only as per drawing i.e. for the volume of the block of the bottom excavation having the depth and maximum dimensions of the foundation structures including mud mat as per drawing. The contractor shall take into account in his rate the provision for any excess excavation for necessary working space, steps, sloping etc. required for excavation safely and other & re-filling the side slope/working space etc.				
	(A) Up to 1.5 mt. depth	300.000	C.M.	160.00	48,000.00
	(B) 1.5 mt. to 3.0 mt.	300.000	C.M.	170.00	51,000.00
	(C) above 3.0 mt.	250.000	C.M.	175.00	43,750.00

5	Providing and filling with available excavated soil in layers of 20 cm. thickness including watering, ramming and consolidation etc. complete.	600.000	C.M.	85.00	51,000.00
6	Providing and laying in foundation with ordinary cement concrete 1:2:4 mix proportion (1 cement; 2 coarse sand; 4 graded stone aggregates 20 mm nominal size) including formwork, vibrating, ramming and curing, complete, including the cost of dewatering.				
	(A) Below foundation	8.000	C.M.	3,000.00	24,000.00
7	Providing and laying in position M 25 grade concrete for reinforced cement concrete work using cement content as per approved design mix including the cost of formwork with sheeting of steel/metal sheets so as to give a fair finish including centering, shuttering, strutting and propping etc. including cost of admixtures in recommended proportions as per IS:9103 to accelerate / retard setting of concrete, improving workability without impairing strength and durability as per direction of engineer-in-charge without fly ash. (min. cement level as per latest IS 456 shall be maintained) but excluding cost of reinforcement. Required quantity of cement shall be issued at free of cost from GIPCL's store. Necessary transportation to worksite, including loading, unloading, stacking, storage & safety, reconciliation of cement shall be in the scope of contractor.				
	(A) Foundation	50.000	C. M.	4,300.00	2,15,000.00
	(B) Walls from top level of foundation	130.000	C. M.	4,730.00	6,14,900.00
8	Providing & fixing TMT/HYSD Bar reinforcement for RCC work including straighten, handle, cut, bend, crank, fix and tie in position as per approved drawings or as directed by engineer-in-charge with the using of PCC cover blocks of the same grade of concrete in all RCC items including cost of GI binding wire 18SWG double strand complete, including cost of all required labours, supervision, equipments, tools & tackles etc. all complete as directed by engineer-in-charge. Required quantity of reinforcement steel shall be issued at free of cost from GIPCL's store. Necessary transportation to worksite, including loading, unloading, stacking, storage & safety, reconciliation of steel shall be in the scope of contractor. Payment shall be made on actual length measurements of fabricated steel work, including authorized laps only at theoretical weight for different sections.	14000.000	Kg	8.33	1,16,620.00

9	Providing and fixing hydrofillic neoprene waterstopper of Perma make i.e. Perma hydroswell or equivalent of approved quality etc. as per details and as directed by the Engineer-in-charge.	250.000	R.M.	600.00	1,50,000.00
10	Providing and laying vertical filter media of gravel (2mm to 10mm size) at the back of RT wall as directed by the engineer-in-charge etc. complete.	150.000	C.M.	450.00	67,500.00
11	Providing and fixing rebar of following diameter using chemical grout of Candorr/Hilti/Fischer or equivalent make including cost of all equipments, tools, material, labour, etc. Standard procedure as mentioned in manufacturer's specifications shall be strictly followed, which shall be submitted and got approved from the authority prior to start of work. The rate shall also include cost of drilling of hole of required diameter and depth as mentioned in manufacturer's specification, cleaning the hole with required air blower and other necessary tools and tackles, positioning, providing and grouting chemical, allied fixtures and fasteners, etc. but excluding the cost of reinforcing bar etc. complete. Item includes necessary scaffolding, staging, labour, tools and equipments, etc. complete as directed by the engineer-in-charge. Required quantity of reinforcement steel shall be issued at free of cost from GIPCL's store. Necessary transportation to worksite, including loading, unloading, stacking, storage & safety, cutting in required size, reconciliation of steel shall be in the scope of contractor.	350.000	No.	180.50	63,175.00
